PROFESSIONAL POSITIONS

September, 2010 – Current
Centennial Commission Professor of Liberal Arts #1, Department of Sociology, University of Texas at Austin

September, 1997 – Current
Assistant Professor (September, 1997) to Associate Professor (September, 2000) to Full Professor (September, 2004), Department of Sociology, University of Texas at Austin.

July, 1996 - Current
Faculty Research Associate, Population Research Center, University of Texas at Austin.

May, 2008 – Current
Senior Fellow, Sealy Center on Aging, The University of Texas Medical Branch

September, 2010 – August, 2013
Frank C. Erwin, Jr. Research Fellow, IC^2 Institute, University of Texas at Austin

September, 2006 – August, 2010
Chairperson, Department of Sociology, University of Texas at Austin

July, 2001 – June, 2005
Director, Population Research Center, University of Texas at Austin.

July, 2000 – June, 2001
Associate Chairperson, Department of Sociology, University of Texas at Austin.

July, 1995 - June, 1996
Assistant Professor, Department of Sociology, and Senior Research Scientist, Louisiana Population Data Center, Louisiana State University.

August, 1993 - June, 1995
Assistant Professor, Department of Sociology, East Carolina University.

EDUCATION

Ph.D., Florida State University, 1993 (Sociology)
M.S., Florida State University, 1990 (Sociology)
B.A., Adrian College, 1985 (Sociology and Business)

RESEARCH

Books and Edited Volumes

2010 Ellison, C.E., and **R.A. Hummer** (Co-editors). Religion, Families, and Health: Population-Based Research in the United States. New Brunswick, NJ: Rutgers University Press.
*** Reviewed in: (1) Journal for the Scientific Study of Religion 50(1): 223-225 (2011).
(2) Contemporary Sociology 40(5): 577-579 (2011).
(3) Sociology of Religion 72(3): 384-385 (2011).

2000 Rogers, R.G., **R.A. Hummer**, and C.B. Nam. Living and Dying in the U.S.A.: Behavioral, Health, and Social Differentials in Adult Mortality. San Diego, CA: Academic Press.
*** Winner, 2002 Otis Dudley Duncan Award for Distinguished Scholarship in Social Demography, Population Section, American Sociological Association.
*** Reviewed in: (1) Library Journal (4/15/00).
(2) Population and Development Review 26(4): 833-835 (2000).
(3) Contemporary Sociology 30(5): 529-530 (2001).

Externally Funded Grants Forthcoming and in Progress

Network on Life Course Health Dynamics and Disparities in 21st Century America. Principal Investigator (1 of 4, with James House, Eileen Crimmins, and Mark Hayward), **National Institute on Aging**. Final award determination forthcoming (perfect score in review, October 2013).

Collaborative Research: STEM Education Effects on Workforce Development over the Life Cycle. Co-investigator, **National Science Foundation**. Four-year award of $1.3 million. PI: Chandra Muller.

Emerging Health Inequalities: Education, New Health Events, and Social Networks. Principal Investigator, **National Institute of Child Health and Human Development**. Three year award of $143,670. F32 postdoctoral training award for Elaine Hernandez. 9/1/11-8/31/14.

Education and the Transition to Adulthood. Co-investigator, **National Institute of Child Health and Human Development**. Five year award of $2,628,654. PI: Chandra Muller. 9/28/10-6/30/15.

A Social Demography of Racial Health Disparities. Co-investigator, **DHHS National Center on Minority Health Disparities**. Five year subcontract award of $109,000 to UT-Austin. PI: Brian Finch, San Diego State University. Project dates: 9/25/09-4/30/14.

External Grants Completed

Race/Ethnicity, Immigration, and Health in an Aging Society. Principal Investigator, **MacArthur Foundation Network on an Aging Society (Network PI, Jack Rowe, at Columbia University)**. 19-month award of $150,000. Co-PI: Mark Hayward. Project Dates: 6/1/12-12/31/13.

SBE Collaborative Proposal: Diversifying Graduate Education in the Social, Behavioral, and Economic (SBE) Sciences. Principal Investigator, **National Science Foundation**. Four year award of $427,500. Co-PI: Darlene Grant. Project Dates: 10/1/07-9/30/11.

- Supplemental award of $50,000 for hosting annual conference for this national level program

at UT-Austin (April 21-23, 2010).
- Supplemental award of $50,000 for extending the project through 9/30/12.

Race/Ethnicity, Education, and Young Adult Smoking. Principal Investigator, **American Legacy Foundation**. Six month award of $31,269. Project Dates: 1/1/12-6/30/12.

Educational Differences in U.S. Adult Mortality. Principal investigator, **National Institute of Child Health and Human Development**. Four year project of $808,053. 8/1/06-7/31/10.

Social Ties and Health Behavior Over the Life Course. Co-investigator, **National Institute of Aging**. Five year award of $1,300,000. PI: Debra Umberson. 9/1/06-8/31/11.

REU Site: Undergraduate Research in Minority Group Demography. Principal Investigator, **National Science Foundation**. One year award of $105,000. Co-PI: Arthur Sakamoto. Project Dates: 4/1/09-3/31/10.

Training Program in Population Studies. Principal investigator, **National Institute of Child Health and Human Development**. Five year project of $1,350,000. 6/1/08-5/31/13 (Kelly Raley became PI in February of 2010).

Changing Race/Ethnic Disparities in Infant Mortality. Co-investigator, **National Institute of Child Health and Human Development**. Three year project of $650,000. PI: W. Parker Frisbie. 9/1/06-8/31/09.

Mexican American Child Health: Birth to Early Childhood. Co-Investigator, **National Institute of Child Health and Human Development**. Five year award of $748,887. PI: Yolanda Padilla. Project Dates: 7/1/04-4/30/09.

REU Site: Undergraduate Research in Minority Group Demography. Principal Investigator, **National Science Foundation**. Three year award of $280,000. Co-PI: Arthur Sakamoto. Project Dates: 4/1/06-3/31/09.

SBE Collaborative Proposal: Diversifying Graduate Education in the Social, Behavioral, and Economic (SBE) Sciences. Principal Investigator, **National Science Foundation**. Three year award of $385,000 ($325,000 original plus $60,000 supplement). Co-PI: Darlene Grant. Project Dates: 10/15/05-10/14/08.

REU Site: Undergraduate Research in Minority Group Demography. Co-principal Investigator, **National Science Foundation**. Three year award of $194,808. Project Dates: 4/1/03-3/31/06. PI: Omer Galle.

Difficult Dialogues Forum Seminars. Co-principal Investigator, **Ford Foundation**. Two year award of $100,000. PIs: Lucia Gilbert and Paul Woodruff. Project Dates: 1/1/06-12/31/07.

Religious Organizations, Local Norms, and HIV in Africa. Co-investigator, **National Institute of Child Health and Human Development**. Three year subcontract award of $300,000 to UT-Austin (PI of subcontract: Mark Regnerus). PI: Susan Watkins. Project dates: 4/1/05-3/31/08.

Population Research Center. Principal Investigator, **National Institute of Child Health and Human**

Development. Five year award of $2.4 million. Project dates: 7/1/02-6/30/07. Mark Hayward (as new Director of the PRC) took over as PI on 7/1/05.

Center for the Study of Urbanization and Internal Migration in Developing Countries, Population Research Center. Principal Investigator, **Andrew T. Mellon Foundation**. Three year award of $450,000. Co-Pis: Bryan Roberts and Joseph Potter. Project Dates: 1/1/03– 12/31/05.

Modeling Race/Ethnic Differences in Infant Mortality. Co-Investigator, **National Institute of Child Health and Human Development**. Three year award of $439,416. Project Dates: 6/1/02-5/31/05. PI: W. Parker Frisbie.

Religious Involvement and Mortality in the United States. Principal Investigator, **National Science Foundation.** Two year award of $49,731. Dual award with Richard Rogers, University of Colorado-Boulder. Project Dates: 5/15/03-4/30/05.

Religion, Race/Ethnicity, Health, and Mortality. Co-Investigator, **National Institute on Aging**. Three year award of $444,514. Project Dates: 9/1/00-8/31/03. PI: Christopher G. Ellison.

Income and Assets, Race/Ethnicity, and U.S. Adult Mortality. Principal Investigator, **National Science Foundation.** Three year award of $72,347. Dual award with Richard Rogers, University of Colorado-Boulder. Project Dates: 9/15/99-8/31/02.

Multiple Causes of Death and Differential Adult Mortality. Co-Investigator, **National Institute on Aging**. Two year sub-contract award of $22,000. Project dates: 5/1/01-4/30/03. PI: Isaac Eberstein, Florida State University.

Center for the Study of Urbanization and Internal Migration in Developing Countries, Population Research Center. Principal Investigator from 7/1/01-12/31/02, **Andrew T. Mellon Foundation**. Three year award of $510,000. Co-Pis: Bryan Roberts and Joseph Potter. Project Dates: 4/1/00–12/31/02. Other principal investigator: Myron P. Gutmann (4/1/00-6/30/01).

University of Texas Population Research P-30 Center. Principal Investigator from 7/1/01-6/30/02, **National Institute of Child Health and Human Development**. Five year award of $1,500,000. Project Dates: 7/1/97 – 6/30/02. Other principal investigators: Frank D. Bean (7/1/97-6/30/98) and Myron P. Gutmann (7/1/98-6/30/01).

Birth Outcomes, Social Risks, and Child Health. Principal Investigator, **National Institute of Child Health and Human Development**. Three year award of $274,888. Project Dates: 1/1/99-12/31/01.

Long-Term Minority Investigator Research Supplement to Birth Outcomes, Social Risks, and Child Health (for Yolanda Padilla). Principal Investigator, **National Institute of Child Health and Human Development**. 2.5 year award of $137,200. Project Dates: 7/1/99-12/31/01.

Race/Ethnic Differentials in Birth Outcomes. Co-investigator, **National Institute of Child Health and Human Development**. Three year award of $389,126. Project Dates: 1/1/99-12/31/01. PI: W. Parker Frisbie.

Factors Affecting Ethnic Mortality by Cause. Principal Investigator, **National Science Foundation**.

Three year award of $82,842. Project Dates: 4/1/97-3/31/00. Dual award with Richard Rogers, University of Colorado-Boulder.

Internal Grants

Research Internship Award. **University of Texas Graduate School**. $16,000 award. Project Dates: 9/1/06-5/31/07.

Instructional Technology Grants, Principal Investigator, **College of Liberal Arts**, University of Texas at Austin. Yearly awards to the Population Research Center, 2001-2005. Role: Principal Investigator.

A Demographic Approach to the Study of Child Health and Development in the Mexican American Population. Co-Investigator, **University of Texas Interdisciplinary Research Initiative**. $98,809 award. Project Dates: 9/1/00-8/31/02. PI: Yolanda C. Padilla.

Research Internship Award. **University of Texas Graduate School**. $15,500 award. Project Dates: 9/1/01-5/31/02.

Birth Outcomes, Social Risks, and Child Development. Principal Investigator, **University of Texas at Austin Faculty Development Program**. $12,000 award. Project Dates: 7/1/99-8/31/99.

Infant Mortality Differences by Race in North Carolina: A Test of Maternal Health and Behavioral Factors. Principal Investigator, **Research and Creative Activity Committee, East Carolina University**. $4,864 award. Project Dates: 5/1/94-8/15/94.

Race and Infant Mortality in the United States. Principal Investigator, **Office of Graduate Studies, Florida State University**. $10,000 award. Project Dates: 8/15/92-8/14/93.

Invited Presentations

2014 De-Mystifying the Hispanic Paradox: Toward a Better Understanding of Health and Mortality Patterns among Mexican Origin Adults in the United States. Presentation given to the Department of Demography, University of Texas at San Antonio.

2013 De-Mystifying the Hispanic Paradox: Toward a Better Understanding of Health and Mortality Patterns among Mexican Origin Adults in the United States. 8th Annual Gordon De Jong Lecture presented to the Population Research Institute, Pennsylvania State University. University Park, PA.

Education and Mortality in the United States: Contextualizing Causality. Presentation given to the Workshop on Contextualizing Causality in Education-Health Research. Harvard Center for Population and Development, Harvard School of Public Health. Cambridge, MA.

De-Mystifying the Hispanic Paradox: Toward a Better Understanding of Health and Mortality Patterns among Mexican Origin Adults in the United States. Invited presentation given to the Department of Sociology, Duke University. Durham, NC.

De-Mystifying the Hispanic Paradox: Toward a Better Understanding of Health and Mortality

Patterns among Mexican Origin Adults in the United States. Invited presentation given to the Department of Sociology, University of North Carolina at Chapel Hill. Chapel Hill, NC.

De-Mystifying the Hispanic Paradox: Toward a Better Understanding of Health and Mortality Patterns among Mexican Origin Adults in the United States. Invited presentation given to the MacArthur Foundation Network on an Aging Society. New York, NY.

The Effect of Educational Attainment on Adult Mortality in the United States. Webinar presentation sponsored by the Population Reference Bureau, July 2013.

Toward a Better Understanding of the Hispanic Paradox. Invited presentation given to the Center for Social and Demographic Analysis, University at Albany. Albany, NY.

Toward a Better Understanding of the Hispanic Paradox. Invited presentation given to the Department of Sociology, University of Nebraska. Lincoln, NE.

2012 Toward a Better Understanding of the Hispanic Paradox. Invited presentation given to the Office of Population Research, Princeton University. Princeton, NJ.

Educational Attainment and Changes in U.S. Adult Mortality. Invited presentation given to the MacArthur Foundation Network on Aging in the 21st Century. Chicago, IL.

Educational Attainment and U.S. Adult Mortality. Invited presentation given to the Center for Population Studies, Harvard University, Cambridge, MA.

Educational Attainment and U.S. Adult Mortality. Invited presentation given to the Initiative on Population Program, Ohio State University, Columbus, OH.

2011 Educational Attainment and Widening Mortality Disparities in the United States. Invited presentation given to the Center for Demography and Ecology, University of Wisconsin-Madison, Madison, WI.

Educational Attainment and Widening Mortality Disparities in the United States. Invited lunch address given to the annual meeting of the Southern Demographic Association, Tallahassee, FL.

Hispanic Adult Mortality in the United States: A Review, New Estimates, and Comparisons to Other Population Groups. Invited talk given to the Center for Demography and Ecology, University of Washington. Seattle, WA.

Healthy People 2010? Education and Adult Mortality in the United States. Invited policy seminar given to the Population Reference Bureau. Washington, DC.

Hispanic Adult Mortality in the United States: A Review, New Estimates, and Comparison to Other Population Groups. Invited talk given to the MacArthur Foundation Network on an Aging Society. Palo Alto, CA.

2010 Religious Involvement and U.S. Adult Mortality Risk. Invited presentation given to the National Conference on Health Statistics, National Center for Health Statistics. Washington, DC.

Running an Effective Research Experience for Undergraduates (REU) Program. Invited panel presentation given at the annual meeting of the American Sociological Association. Atlanta, GA.

Healthy People 2010? An Updated Look at Educational Differences in U.S. Adult Mortality. Brownbag presentation at the Minnesota Population Center, University of Minnesota.

The Use of Vital Statistics in Demographic Analysis. Invited discussion given to the U.S. Census Bureau for the Technical Workshop on Demographic Analysis for the 2010 Census. Suitland, MD.

2009 Religious Involvement and U.S. Adult Mortality: Evidence and Controversy. Invited lecture given to the Center for Religion, Spirituality, and Health, Duke University. Durham, NC.

Religious Involvement and U.S. Adult Mortality: Evidence and Controversy. Invited lecture given to the Department of Demography and Organizational Studies, University of Texas at San Antonio. San Antonio, TX.

Religious Involvement and U.S. Adult Mortality: Evidence and Controversy. Invited lecture given to the Department of Sociology, Mississippi State University. Starkville, MS. Also gave address to graduating students in the Department of Sociology during this visit.

Religious Involvement and U.S. Adult Mortality: Evidence and Controversy. Invited lecture given to the Department of Sociology, Rice University. Houston, TX.

Religious Involvement and U.S. Adult Mortality: Evidence and Controversy. Invited public lecture given at the University of Oklahoma. Norman, OK.

Healthy People 2010? Educational Differences in U.S. Adult Mortality. Presentation given to the Department of Sociology, University of Oklahoma. Norman, OK.

2008 Religious Involvement and U.S. Adult Mortality. Invited presentation given at the Heritage Foundation Conference on Religion and Health. Washington, DC.

Review of the National Health Interview Survey. Presentation given as Chairperson of the Review Panel of the National Health Interview Survey. Hyattsville, MD: National Center for Health Statistics.

Eliminating Health Disparities?: Educational Differences in U.S. Adult Mortality in the Early 21st Century. Invited presentation given to the Population Studies Center, University of Pennsylvania.

Eliminating Health Disparities?: Educational Differences in U.S. Adult Health and Mortality in the Early 21st Century. Invited presentation given to the Department of Sociology, University of North Carolina at Chapel Hill.

Difficult Dialogues: Getting Them to Talk. Invited presentation given at the annual workshop on Teaching and Learning, Division of Instructional Innovation and Assessment, University of Texas at Austin.

2007 The Department as a Catalyst for Change. Invited presentation given at the annual meeting of the NSF Collaborative on Diversifying the Graduate Student Body of the Social, Behavioral, and Economic Sciences. Santa Barbara, CA.

Difficult Discussions as Opportunities for Learning and Teaching. Invited presentation given at the Collaborative for Instructional Impact, University of Texas at Austin.

2006 Population Change and Undergraduate Education. Invited presentation given at the Reinvention Center Conference, Washington, DC.

Racial/Ethnic Differences in Health and Mortality at the Starting Gate. Invited presentation given at the Institute of Behavior Science, University of Colorado.

Racial/Ethnic Differences in Health and Mortality at the Starting Gate. Invited presentation given at the Department of Sociology's Annual Symposium on the Many Faces of Inequality, Ohio State University.

Diversifying Graduate Education in the Social, Behavioral, and Economic Sciences. Invited presentation given at an NSF Conference on Under-Represented Minority Involvement in SBE Graduate Programs, Chapel Hill, NC.

Graduate School and Other Uses for a Sociology Degree. Invited luncheon address given to the Carolina Undergraduate Social Science Symposium, Presbyterian College.

Religious Involvement and Mortality Risk in the United States: Evidence, Controversy, and Next Steps. Invited keynote address given to the Carolina Undergraduate Social Science Symposium, Presbyterian College.

Religious Involvement and Adult Mortality Risk in the United States. Invited talk given to the Department of Sociology, Texas A&M University.

Using Large, National Data Sets in Health Research. Invited presentation given to the Center for Health Promotion in Underserved Populations, School of Nursing, University of Texas at Austin.

2005 Interdisciplinary Grant Writing Workshop: Panel Discussion. Invited panel discussion sponsored by the Center for Women's and Gender Studies, University of Texas at Austin.

Religion and Mortality Risk in the United States: Evidence, Controversy, and Next Steps. Invited presentation given to the Lakeway Men's Club, November 30, Lakeway, Texas.

Discussion of Hispanic Mortality Estimates. Invited discussion given to university researchers, NCHS staff, Social Security Administration Staff, and Census Bureau Staff. Meeting on Hispanic Mortality, University of Maryland, May 31.

Mexican American Child Health: Birth to Early Childhood. Invited Presentation given to the Human Development and Family Sciences Division of the Department of Human Ecology, UT-Austin, May 6.

Broadening Participation in the Social, Behavioral, and Economic Sciences. Invited presentation

given to the SBE-AGEP Group at the National Science Foundation, Washington, DC, April 25.

Religion, Health, and Mortality in the United States. Invited presentation to the Social Work Student Organization at UT, 3/8/05.

Paradox Found. Health and Mortality among the Mexican Origin Population in the United States. Invited presentation to the Department of Sociology, Arizona State University, 3/4/05.

Paradox Found. Health and Mortality among the Mexican Origin Population in the United States. Invited presentation to the Carolina Population Center, University of North Carolina at Chapel Hill, 1/14/05.

Paradox Found. Health and Mortality among the Mexican Origin Population in the United States. Invited presentation to the Demography Interest Group, Duke University, 1/13/05.

2004 Religious Involvement and Mortality in the United States: Evidence, Controversy, and Next Steps. Charles B. Nam Annual Lecture presented to the Center for Demography and Population Health, Florida State University, 3/26/04.

Religious Involvement and Mortality in the United States: Evidence, Controversy, and Next Steps. Invited presentation given to the Population Studies and Training Center, Brown University, 3/4/04.

2003 Race/Ethnicity and Health Outcomes in the United States. Invited presentation given to the Texas Institute for Society and Health, Rice University and UT School of Public Health, Baker Institute of Rice University, 3/26/03.

2002 Religion, Health, and Mortality in the United States. Invited presentation given to the Population Studies Center, University of Michigan, 10/28/02.

Mexican American Health and Mortality: Toward a Better Understanding of the Epidemiologic Paradox. Invited presentation given to the School of Public Health, University of California at Berkeley, 5/14/02.

Race/Ethnic Disparities in Health and Mortality among the Elderly. Paper prepared for the National Research Council Workshop on Racial and Ethnic Disparities in Aging Health. Washington, DC: National Academy of Sciences, 3/21/02.

Measuring Race/Ethnic Health Disparities in the National Health Interview Survey. Hearing on the Measurement of Race/Ethnic Health Disparities. Subcommittee on Population, National Committee on Vital and Health Statistics, Washington DC, 2/12/02.

2001 Health Outcomes among the Mexican Origin Population: Toward a Better Understanding of the Epidemiologic Paradox. Invited presentation to the University of Chicago Population Research Center, 11/28/01.

The Population Research Center at UT. Invited presentation to the UT-Austin Department of Human Ecology.

Religious Involvement, Health, and Mortality in the United States. Invited presentation to the UT-Austin School of Social Work.

Religious Involvement, Health, and Mortality in the United States. Invited presentation to the UT-Galveston Medical School, Galveston, TX.

Health Research at the Population Research Center. Invited presentation to the UT-UTMB-VA Austin Forum on Collaboration, University of Texas at Austin.

Race/Ethnic Differences in Older Adult Health and Mortality. Invited presentation to the Committee on Population at the National Research Council, Washington, DC.

Birth Outcomes among Mexican Americans: Toward a Better Understanding of the Epidemiologic Paradox. Invited presentation to the Office of Population Research, Princeton University, Princeton, NJ.

2000 Race/Ethnicity, Health, and Mortality in the United States. Invited colloquium presentation to the Department of Human Ecology, University of Texas at Austin.

1999 Current Research on Race/Ethnicity, Health, and Mortality in the United States. Invited research presentation to the Department of Sociology and Center for the Study of Population at Florida State University: Tallahassee, FL.

Religious Involvement and U.S. Adult Mortality. Invited paper presentation at the meeting on Mortality and Religious Involvement: A Review and Critique of the Results, the Methods, and the Measures, sponsored by the National Institute for Healthcare Research and the John Templeton Foundation. Boston, MA: Harvard University.

An Overview of Current Research on Health and Mortality Differentials. Brownbag presentation at the Population Research Center, University of Texas at Austin.

Adverse Birth Outcomes, Race/Ethnicity, and Child Development in the United States. Invited paper presentation at the Institute for Behavioral Sciences, University of Colorado at Boulder.

Religious Involvement and U.S. Adult Mortality. Invited speaker presentation at the annual meeting of the Association of Black Cardiologists, New Orleans, Louisiana.

Religious Involvement and Longevity in the U.S. Invited speaker presentation at the UT AKD/Sociology Club, Austin, Texas.

1998 Race/Ethnicity, Immigration, and U.S. Mortality. Invited presentation given at the Colegio de la Frontera Norte (COLEF), Tijuana, Mexico.

The Thomason Hospital Study. Invited presentation at the Research Symposium on the Survival of Families in Poverty in the United States/Mexico Border Region. School of Social Work, University of Texas at Austin.

New Research on Birth Outcomes in the United States. Brownbag presentation at the Population

Research Center, University of Texas at Austin.

1997 Religious Involvement and US Adult Mortality. Brownbag presentation at the Population Research Center, University of Texas at Austin.

1994 Maternal Age and Infant Mortality: A Test of Competing Hypotheses. Invited Presentation at the meeting of the Triangle Area Population Society, Chapel Hill, NC.

Conference Presentations (first-authored only) and Discussions

2012 Discussant, Session on Disability and Mortality. Annual meeting of the Population Association of America, San Francisco, CA.

2011 Race/Ethnicity and U.S. Adult Mortality: Progress, Prospects, and New Analyses. Paper presented at the annual meeting of the Population Association of America, Washington, DC.

Black/White Differences in U.S. Adult Mortality: An Examination of Recent Period and Cohort Trends. Paper presented at the annual meeting of the Population Association of America, Washington, DC.

2010 Discussant, Session on Immigration and Race/Ethnicity. Annual meeting of the Southern Demographic Association, Knoxville, TN.

2009 Discussant, Session on Aging and Health. Annual meeting of the American Sociological Association, San Francisco, CA.

2007 Healthy People 2000 and 2010?: Educational Differences in U.S. Adult Mortality. Paper presented at the annual meeting of the Southern Demographic Association, Birmingham, AL.

2006 Education and Self-Rated Health among U.S. Adults. Paper presented at the annual meeting of the Southern Demographic Association, Durham, NC.

2005 Education and Adult Mortality Risk among Hispanics in the United States. Paper presented at the annual meeting of the Southern Demographic Association, Oxford, MS.

The Health Status and Health Care of Young Mexican American Children: The Influence of Parental Relationship Status. Paper presented at the annual meeting of the Population Association of America, Philadelphia, PA.

2004 Mexican Origin Infant Mortality: Evidence of Under-reporting? Paper presented at the annual meeting of the Southern Demographic Association, Hilton Head, SC.

2003 Race/Ethnicity, Nativity, and Recent Changes in U.S. Infant Mortality. Paper presented at the annual meeting of the Southern Demographic Association, Crystal City, VA.

Discussant, Session on Social Institutions and Health. Annual meeting of the Population Association of American, Minneapolis, MN.

2002 Health Insurance Coverage in Non-Metropolitan America. Paper presented at the annual

meeting of the Southern Demographic Association, Austin, TX.

Does Maternal Religious Involvement Influence the Birth Outcomes and Health Status of Infants? Paper presented at the annual meeting of the Population Association of American, Atlanta, GA.

2001 Maternal Religious Involvement, Health Behavior, and Infant Birth Weight. Paper presented at the annual meeting of the Southern Demographic Association, Miami, FL.

Religious Involvement, Religious Denomination, and Adult Mortality Risk among a Nationally Representative Cohort of Middle Aged Adults. Paper presented at the annual meeting of the Southern Demographic Association, Miami, FL.

Immigration, Duration of Residence, and the Health of Hispanic Adults in the United States. Paper presented at the annual meeting of the Population Association of American, Washington, DC.

Discussant, Session on International Migration. Annual meeting of the American Sociological Association, Anaheim, CA.

2000 Race, Birth Weight, and General Measures of Child Well-Being. Paper presented at the annual meeting of the Southern Demographic Association, New Orleans, LA.

Retrospective Reports of Pregnancy Wantedness and Child Well Being in the United States. Paper presented at the annual meeting of the American Sociological Association, Washington, DC.

Religious Involvement, Lifestyles, and Causes of Death: Evidence from a Followback Survey of Death Certificates. Paper presented at the annual meeting of the American Sociological Association, Washington, DC.

The Influence of Asset Ownership on the Risk of Adult Mortality in the United States.Paper presented at the annual meeting of the Population Association of America, Los Angeles, California.

1999 Poverty, Birth Outcomes, and Maternal Reports of Child Asthma in the United States.Paper presented at the annual meeting of the Southern Demographic Association, San Antonio, Texas.

Authors Meet Critics: A Panel Discussion of Living and Dying in the USA. Panel session at the annual meeting of the Southern Demographic Association, San Antonio, Texas.

Birth Outcomes, Race, and Child Development. Paper presented at the annual meeting of the Population Association of America, New York, New York.

The Thomason Hospital Study: Overview, Methodology, and Descriptive Results. Paper presented at the UT/DIF meeting on the Dynamics of Family and Household Structures on the U.S.-Mexico Border, El Paso, Texas.

1998 Intra-Hispanic Differentials in U.S. Adult Mortality. Paper presented at the annual meeting of

the Southern Demographic Association, Annapolis, MD.

Race/Ethnicity, Immigration, and U.S. Mortality. Presentation given at the German-American Academic Council's Workshop on Social and Biological Determinants of Longevity. Max-Planck Institute for Demographic Research, Rostock, Germany.

1997 Health Behaviors and U.S. Adult Mortality. Paper presented at the annual meeting of the Southern Demographic Association, Orlando, FL.

Ethnicity, Nativity, and U.S. Adult Mortality. Paper presented at the annual meeting of the Southern Sociological Society, New Orleans, LA.

Ethnicity, Nativity, and U.S. Infant Mortality. Paper presented at the annual meeting of the Population Association of America, Washington, D.C.

1996 Religious Participation and U.S. Adult Mortality. Paper presented at the annual meeting of the Southern Demographic Association, Memphis, TN.

Sociodemographic Differentials in Mortality: Review and Perspective. Paper presented at the meeting of the Population Association of America, New Orleans, LA.

1995 Sociodemographic and Health Links to SIDS. Paper presented at the annual meeting of the Southern Demographic Associaton, Richmond, VA.

Smoking, Drinking, Weight Status, and Mortality. Paper presented at the annual meeting of the Population Association of America, San Francisco, CA.

1994 Discussant for session on Disability in the United States at the annual meeting of the American Public Health Association, Washington, D.C.

Socioeconomic Effects on the Smoking-Mortality Relationship Among Adults in the United States. Paper presented at the annual meeting of the Southern Demographic Association, Atlanta, GA.

Discussant for session on State Policy, Social Structure, and Population Change at the annual meeting of the American Sociological Association, Los Angeles, CA.

Underlying and Multiple Cause Mortality Risks Associated with Smoking Habits. Paper presented at the annual meeting of the Population Association of America, Miami, FL.

Race, Health, and Mortality: A Review of the Literature and Conceptual Framework. Paper presented at the annual meeting of the Southern Sociological Society, NC.

1993 Infant Mortality by Maternal Age at Birth: Understanding the Effects of Race/Ethnicity, Parity and Cause of Death. Paper presented at the annual meeting of the Southern Demographic Association, New Orleans, LA.

1992 Why Former Smokers Have Higher Death Rates than Current Smokers: Unraveling a Paradox. Paper presented at the annual meeting of the Southern Demographic Association, Charleston,

SC.

Race and Infant Mortality in the United States: An Examination of Social and Health Determinants. Paper presented at the annual meeting of the American Sociological Association, Pittsburgh, PA.

1991 Demography in the Classroom. Panel Presentation at the annual meeting of the Southern Demographic Association, Jacksonville, FL.

A Structural Analysis of Gender Differentials in Mortality. Paper presented at the annual meeting of the American Sociological Association, Cincinnati, OH.

Fraternities and Rape on Campus: Organizational Norms and Context as Motive. Panel presentation at the annual meeting of the American Sociological Association, Cincinnati.

1990 Chair and Discussant for Mortality Paper Session at the annual meeting of the Southern Demographic Association, Louisville, KE.

Infant Mortality among Hispanics in Florida. Paper presented at the annual meeting of the Southern Demographic Association, Louisville, KE.

Other Research-Related Experience

Visiting Demographer, Institute for Behavioral Science, University of Colorado at Boulder: May 2011; July, 2006; July 2003; July 1999.

Participant, Young Scholars' Institute on Social and Biological Determinants of Longevity, 1997-1998, Davis, CA (1997) and Rostock, Germany (1998).

Participant, RAND/NIA Summer Institute on Aging, 1997, Santa Monica, CA.

Consultant, "Smoking, Morbidity, and Mortality in the U.S." Project funded by the National Institute of Aging, January, 1994 - December, 1995. (PI C. Nam).

Participant, National Institutes of Health Workshop entitled "Social Inequality and Health", September 27-30, 1994, Annapolis, MD.

Participant, National Institute for Child Health and Human Development (NICHD) Workshops on Low Birth Weight and Infant Mortality, April, 1990 and April, 1991, Bethesda, MD.

Participant, Inter-Consortium for Political and Social Research (ICPSR) Summer Program in Quantitative Research Methods, 1990, Ann Arbor, MI.

TEACHING AND MENTORING

Courses Taught at the University of Texas

1) Population and Society
2) Introduction to Social Demography – 2 times

3) Forum Seminar: Population and Public Policy – 3 times
4) Introduction to Social Research
5) Introduction to the Study of Society, Mass Section - 2 times

** Instructor/course ratings average 4.72/4.62 (out of 5.0/5.0) over the last three years. **

Courses Taught Elsewhere

1) Introduction to Sociology - 8 times
2) Minority Peoples in the U.S.
3) Introduction to Population - 5 times
4) Introduction to Medical Sociology
5) Introduction to Social Statistics, Lecture Class - 4 times
6) Introduction to Social Statistics, Lab - 4 times
7) Multivariate Techniques and Analysis, graduate level - 2 times

Advising at the University of Texas

1) Postdoctoral Advising
   - Current Primary (Elaine Hernandez)
   - Current Secondary (Rhiannon Kroeger)
   - Previous Primary (None)
   - Previous Secondary (Claire Margerison-Zilko, Patti Thomas, Anna Zajacova)

2) Ph.D. Dissertation Committee Chair or Co-Chair
   - Current students (Molly Dondero, Jane Ebot, Hernan Manzelli, Jennifer Melvin, Neveen Shafeek Amin, Ying-Ting Wang)
   - Students completed and last known current position:
     1) Maureen Benjamins (Senior Epidemiologist, Sinai Urban Health Institute)
     2) Jason Boardman (Associate Professor of Sociology, University of Colorado at Boulder)
     3) Dustin Brown (Postdoctoral Fellow, Population Studies Center, University of Michigan)
     4) Anna Campbell Buck (Research Associate, Center for Applied Research in the Apostolate, Georgetown University)
     5) Juanita Chinn (Postdoctoral Research Associate, Office of Population Research, Princeton University)
     6) Carlos Diaz-Venegas (Postdoctoral Fellow, Rehabilitation Sciences Academic Division & Research Center, University of Texas Medical Branch, Galveston)
     7) Elizabeth Durden (Assistant Professor of Sociology, Bucknell University)
     8) Reanne Frank (Associate Professor of Sociology, Ohio State University)
     9) Raul Gonzalez Ramirez (Researcher, Population Studies Department, El Colegio de la Frontera Norte, Mexico)
     10) Erin Hamilton (Assistant Professor of Sociology, University of California at Davis)

11) Tod Hamilton (Assistant Professor of Sociology, Princeton University)
12) Stephanie Bond Huie (Vice-Chancellor, UT System Office of Strategic Initiatives)
13) Joseph Lariscy (NIA Postdoctoral Fellow, Duke Population Research Institute, Duke University)
14) Jing Li (Postdoctoral Researcher, Department of Sociology, Baylor University)
15) Lorena Lopez-Gonzalez (Senior Analyst, Truven Health Analytics)
16) Ryan Masters (Assistant Professor of Sociology, University of Colorado-Boulder)
17) Sarah McKinnon (Deceased)
18) Kelly Mikelson (Program Manager for Faculty Diversity, Yale University)
19) Yuka Minagawa (Assistant Professor of Social Sciences, Waseda University, Japan)
20) Benjamin Moulton (Director of Policy Analysis and Simulations, Insight Policy Research)
21) Sandra Valongueiro-Alves (Researcher, Department of Social Medicine, Federal University of Recife, Brazil)
22) Shu-Chuan Wang (Assistant Professor of Medical Sociology and Social Work, Chung Shan Medical University, Taiwan)
23) Xiuhong You (Research Scientist, Institute for Demographic and Socioeconomic Research, University of Texas at San Antonio)

2) Dissertation Committees
- Current students (Melissa Hamilton, Celia Hubert Lopez, Nina Palmo, Cristian Paredes, Isaac Sasson)
- Students completed (Sarit Amir, Sherri Benn, Jodi Berger, Monique Biegler, Chi-Tsun Chiu, Youngtae Cho, Shannon Cormier, Peter deTurk, Nora Douglas, Julie Dowling, Samuel Echevarria, Marilyn Espitia, Gang-hua Fan, Brian Finch, Ginger Gossman, Fern Greenwell, Andrea Henderson-Pratt, Erin Hofmann, Kimberly Huyser, Eunjeong Kim, Jason LaTurner, Jennifer Leiferman, Cathy Liu, Faith Lucas, Cate MacNamee, Georgina Martinez, Jennifer Karas Montez, Melissa Radey, Paulo Saad, Dara Shifrer, Ole Steinert, Danielle Toussaint, Jenny Trinitapoli, Kari White, Elizabeth Wildsmith, Hyeyoung Woo, Lindsey Wilkinson, Huei-hsia Wu, Wei Zhang)

3) Master's Thesis Chair
- Current students (none)
- Students completed (Juanita Chinn, Shannon Cormier, Jane Ebot, Joseph Lariscy, Kristen Miller, Melissa Radey, Ying-Ting Wang, Gelareh Yazdi)

4) Master's Thesis Committee
- Current students (Phillip Cantu)
- Students completed (Maureen Benjamins, Sarah Blanchard, Sara Crissey, Samuel Echevarria, Oliver Fischer, Suzannah Gonzales, Tara Keniry, George Lara, Cate McNamee, Evangeleen Pattison, Julie Street)

5) Undergraduate Thesis Committee Chair
- Current students (none)
- Students completed (Claire Altman, Deva Cats-Baril, Laura Dekovich, Rachel Donnelly, Kristina Kelley, Vaishali Jadhav, Lisa Newhouse, Christina Ngo, Michael Ross)

6) Undergraduate Thesis Committees
- Current students (none)
- Students completed (Tara Buentello, Caroline Carter, Olga Simons, Melissa Ward)

Advising Elsewhere (Universities other than UT-Austin)

1) Dissertation Committee
   - Lawrence Panas (UTMB)

2) Master's Committee Chair
   - Student defended (Brian Crisp)

3) Master's Committee
   - Students defended (Karen Ra, Amy Whitcher, Deborah White, Robert O'Neil, Ginger Stevenson)

PROFESSIONAL SERVICE

National Level

Member, Scientific Advisory Committee, U.S. Census Bureau, 2011-2014.
