A STUDENT COURSE MIDSEMESTER FEEDBACK FORM

Your instructor is interested in knowing how things are going in the class so far in hopes of being able to make adjustments so that the course will be a good learning experience for you. Please take a moment and respond thoughtfully to the following questions.

1. What about the course has been the most helpful for your learning thus far?

2. What about the course has caused you the most difficulty in terms of learning thus far?

3. What suggestion(s) can you make that might help alleviate the problems you identified in the second question?

Thanks for your input.
