Feedback on the TA Experience:
End of Semester "Wrap-up"

1. Compared to other TA assignments that you may have had, what was satisfying about working with this class?

2. What did you do well this semester?

3. What do you wish you had done better?

4. What are some skills and techniques that you need to develop before you TA again?

5. How do you plan to develop these skills?

6. If you have the opportunity for input into your next TA assignment, what would you like to do?
