

Summary of Number of Exams and Credit Hours Transcribed by Examination Type at The University of Texas at Austin: 1997-2007

The number of Credit By Exam (CBE) tests and credit hours transcribed from 1997-1998 through 2006-2007 academic years are reported by CBE test type in **Tables 1 – 2**.

Please note that the term “transcribed” means that the credit hours were reported to the Registrar’s Office. For hours to be reported, students must petition for their eligible credit. Students have ten years from the time they take an exam to petition for the credit. Thus, the number of semester credit hours transcribed in an academic year is not the same as the number of semester credit hours students may be eligible for based on the number of exam scores received and processed by DIIA in that year. Un-petitioned credit is in a pending status until the student “claims” it or the ten-year limit is reached.

Table 1. Number of Exams Transcribed for All Examination Types

Test Type	Academic Year									
	1997-98	1998-99	1999-00	2000-01	2001-02	2002-03	2003-04	2004-05	2005-06	2006-07
