Campus Club Monthly

Dear Campus Club Members:

We have exciting programs planned for the spring semester and hope that you will join us. A few items we would like to discuss this month: 1) your billing statement, 2) On Campus Reward program and 3) exclusive Campus Club events.

Billing Statements – Bills have been delayed due a software issue. We are resolving the issue and soon your monthly statements will be more reader friendly. We appreciate your patience as we work through this process. Your December statement will show certain charges that you may not recognize. The charges will read: Campus Club with a reference number of 009, and a specific dollar amount. These charges will correlate to either The Chamber Music Concert event held on December 4th, Family Friday with Gingerbread Friends held on December 12th, or to a 20% non-refundable deposit required when you reserved a Broadway Series Theater package.

On Campus Reward Program – The On Campus Reward Program planned for January 2009 is also the victim of technical gremlins. While our members patiently wait for this program to launch, we are offering one complimentary full lunch buffet with the purchase of one full buffet in the month of February, Monday through Friday.

Exclusive Campus Club member events – In addition to your 10% discount on all of your purchases made at the AT&T Conference Center, parking privileges, additional discounts on special event pricing, priority reservations, etc., we are inviting you to two exclusive member only events this month.

On *February 5th*, from 4-6pm we will host a reception in the Courtyard Gallery at the AT&T Conference Center, featuring “*Synchronicity of Color*” installation works by our friend and colleague Margo Sawyer, MFA. The Gallery is located on the 2nd lobby level of the Conference Center, adjacent to the courtyard. Margo Sawyer and Jade Walker, Gallery Curator and Creative Research Laboratory Gallery Director, will be present at the reception. Please see the back for more details.

On *February 25th*, starting at 11:30 am, we will host a special tour of the AT&T Conference Center, including guest rooms and suites. The tour will be conducted by individuals who have been with the project from inception and will provide you with unique trivia that only those intimately involved would know and share. Following the tour, we will give you a full Carillon buffet at a special price of \$10.95++ (less your 10% member discount). Please see the back for more details.

Save the Date, *April 4th* for a concert performed by The Miró Quartet, a faculty quartet-in-residence at the Butler School of Music. **Ticket price for Campus Club members is only \$25** and non-members \$30. Mark your calendars and look for more details to follow soon.

Kind Regards,

Alicia Bogart

Director of Campus Club and University Programs
