**DUAL CREDIT AGREEMENT**

By signing this agreement, I acknowledge my understanding that I am enrolled in a college-level course and that my work will be graded according to the same standards applied to college students enrolled in the course.

I understand that the final grade earned in this course will be entered into my permanent record at The University of Texas at Austin.

Pass/Fail grading is not an option for a student taking a dual credit course. Students should review course descriptions and prerequisites to ensure that they are prepared to succeed in the course(s). I understand that I may withdraw from the course at any time before taking the final exam and receive a Q, indicating a non-penalty drop. If I withdraw before taking the final exam, the course will not appear on my permanent record at The University of Texas at Austin. However, once I have viewed the final examination, I can no longer drop the course.

I understand that **I must pass the final examination in order to pass the course.** No passing grades will be issued based solely on lesson grades.

In signing this application, I agree to abide by the refund policy and other regulations governing study with Continuing Education's University Extension at The University of Texas Austin. I understand that I can access the full listing of policies and procedures at [www.utexas.edu/ce/uex](http://www.utexas.edu/ce/uex).
