TIPS FOR SUCCESS:

1. Visit https://dase.laits.utexas.edu/collection/chinese_one regularly and listen to class materials online.
2. Meet with teachers for questions and mistakes in tests.
3. Class preparation and participation for each lecture and drill are essential factors for your success in 507.

This grading policy applies to all students, including students with a “pass-fail” status.

Attendance: You are allowed a maximum of four (4) automatically excused absences during the semester. These 4 days are set aside for **illness, social obligations, job interviews**, or any other activities that you must attend to, so use them wisely.

1. Each subsequent absence will be penalized by the deduction of 0.5 point from your final semester grade.
2. If you are absent **8** times or more (including the 4 automatically excused ones), your final grade will be dropped one letter grade with 10 points deducted from your final numeric grade (e.g., A ->B).
3. If you are absent **15** or more times, you will receive a final grade of “**F**” for the semester.
4. Missing **10** minutes of a class, by arriving late, leaving early or taking a prolonged break during class period, will be viewed as a **half** absence. Missing $\frac{1}{2}$ of the class is viewed as a **full** absence.
5. In the case of an extended illness, the student should submit a doctor's note on a letterhead upon returning to class. The doctor's note should clearly state the student's name, information and the duration of the illness.
6. Please do not travel in-between multiple CHI507 Sections. If you show up in the section for which you did not sign up, you are still recorded as “absent” in your own section for that day.

Cell phone: Cell phones should be turned off and store away **before** classes start. **No** texting in class. Students who persist in using cell phones during class time will be considered as “half absent”.

It is NOT your teachers' responsibility to remind you of your attendance and grade records. Please DO NOT request to review grade record with instructors in the last three weeks prior to the final exam.

All CHI507 grades are calculated numerically throughout the semester. For transcript purpose, letter grades are given at the end of the semester according to the conversion chart below:

A = 92-100, A- = 90-92	B+ = 87-89, B = 84-86, B- = 80-83	
C+ = 77-79, C = 74-76, C- = 70-73	D+ = 67-69, D = 64-66, D- = 60-63	F = 0-59
