

Michael A. Miller Named New Director of Facilities Services

January 29, 2008

Dr. Patricia Clubb, Vice President for Employee and Campus Services announced that Michael A Miller has accepted the position of Director of Facilities Services. “I am confident that Mike is the right person to lead Facilities Services to its next level of excellence in customer service and efficiency”.

Mike joined the Facilities Services organization in 2005 as the associate director for Support Services and has been serving as Facilities Services' interim director for the past several months.

Prior to his arrival at The University of Texas at Austin, Mike served as the University of Nebraska at Kearney's director of Facilities Management and Planning from 1998 to 2005 and as the University of Nebraska at Omaha's manager of Maintenance and Utilities Services from 1987 to 1998.

Mike holds a Bachelor of Science in mechanical engineering and a Master of Business Administration, and is a registered engineer. He is active in a number of professional organizations including the Association of Physical Plant Administrators (APPA), and is on the board of directors for the Texas Association of Physical Plant Administrators (TAPPA).
