

Custodial Services Manager Named President of Trainers Guild

September 29, 2008

Austin - Robert (Bobby) Moddrell, manager of Training and Compliance for Custodial Services, has been named president of the Cleaning Industry Trainers Guild for 2008-2009. Established last year, the Guild represents trainers from many organizations from across the country. The main goals of the Guild are to facilitate ongoing improvement in custodial training methods and to create a vehicle for collaboration among training organizations. Bobby says he will promote collaboration while continuing the good work started last year. He hopes to harness the combined talents of Guild members to further standardize training materials.
