Dear Dr. Greninger,

I have reviewed the proposal from the Faculty Grievance Committee to create an Office of the Faculty Ombudspersons (D 5191-5194). I will approve the legislation, however, we will need to revisit whether there is a pressing need to hire an Assistant Ombudsperson at this time. I suggest that we discuss this issue at the next FCEC+ meeting.

Sincerely,

A handwritten signature in black ink that reads "Steven W. Leslie".
