Dear Bill,

I have reviewed and would like to recommend for approval the proposed legislation to revise the *Handbook of Operating Procedures*, Chapter 4, Section 4.03 to conform to Chapter 3, Section 3.18 (D6174). In recommending approval I defer to Patti Ohlendorf's assessment that there is nothing legally objectionable in the proposal and that the desire of the Faculty Grievance Committee to have a grievance policy for TA's and AI's that is consistent with the faculty grievance procedure is understandable.

Please let me know if you have any questions or if I can provide further information.

Sincerely,

Steven W. Leslie
Executive Vice President and Provost
