Dear Dr. Stephenson:

This is to inform you that The University of Texas at Austin advises of the nonsubstantive change to recognize the addition of the following:

- Innovation, Creativity, and Entrepreneurship Bridging Disciplines Certificates;
- Human Rights and Social Justice Bridging Disciplines Certificates;
- Indigenous Studies Certificate; and
- Core Texts and Ideas Certificate

and Request for Recognition on the Official University Transcript.

Because of the nonsubstantive nature of the request, we are approving this administrative change under authority delegated by the Board of Regents and advise this is for information purposes only.

Sincerely,
