We have received your Core Curriculum submission.

We will contact the person who was designated as the institutional point of contact during the submission process if we have any questions before final approval is granted. If we do not have any questions and your submission is approved, an email will be sent to your institution's Chief Academic Officer/Chief Instructional Officer and the institutional point of contact to inform them of the final approval.

Once final approval has been received, no further action is required.

If you have any questions before final approval is granted, please email corecurriculum@thecb.state.tx.us with your question(s).
