PROPOSED CHANGES TO THE BACHELOR OF SOCIAL WORK IN THE SCHOOL OF SOCIAL WORK CHAPTER IN THE UNDERGRADUATE CATALOG 2016-2018

Type of Change  ☒ Academic Change  
☐ Degree Program Change (THECB form required)

Proposed classification  ☐ Exclusive  ☒ General  ☐ Major

1. IF THE ANSWER TO ANY OF THE FOLLOWING QUESTIONS IS YES, THE COLLEGE MUST CONSULT LINDA DICKENS, DIRECTOR OF ACCREDITATION AND ASSESSMENT, TO DETERMINE IF SACS-COC APPROVAL IS REQUIRED.
   • Is this a new degree program?  Yes ☐ No ☒
   • Does the program offer courses that will be taught off campus? Yes ☐ No ☒
   • Will courses in this program be delivered electronically? Yes ☐ No ☒

2. EXPLAIN CHANGE TO DEGREE PROGRAM AND GIVE A DETAILED RATIONALE FOR EACH INDIVIDUAL CHANGE:
   A. We are requesting that social work pre-majors be required to complete SW310 Introduction to Social Work and Social Welfare prior to the semester they apply to the major. Other course prerequisites for applying to the major may be taken during the semester students submit their application. Since our application to the major due dates fall on October 1 and March 1, without this requirement, students may only have five to six weeks of social work coursework before applying to the major. Given our highly sequenced courses, accreditation standards and professional expectations, our faculty did not feel this was sufficient preparation for students or faculty to assess students’ academic readiness and professional goodness of fit for the social work profession. This situation has become increasingly problematic for internal and external transfer students. With the completion of SW310, students will have already successfully completed forty-five hours of service learning (a course requirement) and will have a grade for a completed social work course when they apply to the major which will enable both the students and social work faculty to better assess students’ application to the major.
   B. We are proposing that HDF313 Child Development or PSY 304 Introduction to Child Psychology, one of our current course prerequisites for applying to the social work major, be deleted. This will simplify students’ academic plans and reduce the number of hours to complete the social work degree from 125 to 122.
   C. We are also proposing that SW325 Foundations of Social Justice: Values, Diversity, Power and Oppression be changed from a social work major course, previously only open to students admitted to our major, to a course prerequisite for applying to the major. This change in course sequencing will allow this course to be taken by students pursuing our newly proposed social work minor.

3. THIS PROPOSAL INVOLVES (Please check all that apply)
   ☐ Courses in other colleges  ☐ Courses in proposer’s college that are frequently taken by students in other colleges  ☐ Flags
   ☐ Course in the core curriculum  ☒ Change in course sequencing for an existing program  ☐ Courses that have to be added to the inventory
   ☐ Change in admission requirements (external or internal)  ☐ Requirements not explicit in the catalog language (e.g., lists of acceptable courses maintained by department office)  ☐ Other
