DOCUMENTS AND MINUTES OF THE GENERAL FACULTY

INDEX FOR
SEPTEMBER 1994-SEPTEMBER 1995

Consecutive paging of printed Documents and Minutes begins with October 1928, and the Documents and Minutes thereafter are bound and indexed. The first four (4) volumes cover more than one year each: October 1928-May 1932; October 1932-June 1935; October 1935-June 1937; October 1937-July 1939. Beginning with the academic year 1939-1940 the Documents and Minutes are indexed and bound by academic year.

In October 1995 the University Council and the Faculty Senate were combined to create a new Faculty Council. The two University Council documents prepared in September 1995 are included in the Council's 1994-1995 bound volumes. So that the General Faculty volumes will continue to correspond to those of Faculty Council, the September 1995 General Faculty documents are included in its 1994-1995 bound volumes.

The Minutes of the University Council, although indexed in the Documents and Minutes of the General Faculty, are indexed in detail only in the Documents and Proceedings of the University Council. This applies to most faculty legislation, since the University Council functions as a legislative arm of the General Faculty.

Bound volumes of both the Documents and Minutes of the General Faculty and the Documents and Proceedings of the University Council may be consulted in the Barker Texas History Center, the President's Office, the Office of the Secretary of the Board of Regents, and the Office of the Secretary of the General Faculty.
