Consecutive paging of printed Documents and Minutes begin with October 1928, and the Documents and Minutes thereafter are bound and indexed. The first four (4) volumes cover more than one year each: October 1928-May 1932; October 1932-June 1935; October 1935-June 1937; October 1937-July 1939. Beginning with the academic year 1939-1940 the Documents and Minutes are indexed and bound by academic year.

In October 1995 the University Council and the Faculty Senate were combined to create a new Faculty Council. The University Council documents from September 1995 were included in the Council’s 1994-1995 bound volume. So that the General Faculty bound volumes will continue to correspond to those of the Faculty Council, the September 1995 General Faculty documents were included in its 1994-1995 bound volume; therefore this volume begins with October 1995.

The Minutes of the Faculty Council, although indexed in the Documents and Minutes of the General Faculty, are indexed in detail only in the Documents and Proceedings of the Faculty Council. This applies to most faculty legislation, since the Faculty Council functions as a legislative arm of the General Faculty.

Bound volumes of both the Documents and Minutes of the General Faculty and the Documents and Proceedings of the Faculty Council may be consulted in the Barker Texas History Center, the President’s Office, the Office of the Secretary of the Board of Regents, and the Office of the Secretary of the General Faculty.
