LONGHORN AQUATICS

**2010 End of School Splash
May 21-23, 2010****Entry Deadline Monday, May 10 at Noon**

- Welcome:** Longhorn Aquatics invites you to join us at the Lee and Joe Jamail Texas Swimming Center (Swim Center) to compete in our long course meet. This meet will be conducted in one indoor 50 meter course using a Daktronics Timing System and Hy-Tek Meet Manager software. Designated warm-up lanes will be available during the meet.
- Facility:** The Lee and Joe Jamail Texas Swimming Center has an indoor 8 lane 50 meter competition pool. The pool is 9 feet deep and is considered one of the fastest pools in the world due to its depth, gutter system, high filtration rate and lane width. For the April 2010 meet, the length of the long course competition pool will NOT be certified before the start of the meet. However, in accordance with the 2010 USA Swimming Rules (Article 104), if a US or World record is broken at this meet, we will have the course measured and certified by a qualified, licensed professional immediately following the session during which the time was achieved. There have been many US and/or World records broken at the Texas Swim Center and the measured length of the course has never been an issue.
- Location:** The Swim Center is located on the University of Texas Campus, 1900 Robert Redman Drive, one block west of I-35 on the northwest corner of the intersection of Martin Luther King Boulevard and Red River Street.
- Liability:** USA Swimming, South Texas Swimming, The University of Texas, The Lee and Joe Jamail Texas Swimming Center, and Longhorn Aquatics accept no responsibility or liability for injuries sustained by any individual, athlete, coach, official, meet volunteer, or spectator while traveling to and from or while participating in the meet. Damage to the facility, when proved, will cause the offending swimmer, if unattached, or the offending swimmer's club, if attached, to be held accountable for repairs.
- Sanctions:** This meet is sanctioned by South Texas Swimming and 2010 rules apply. **All swimmers must be registered for 2010 with USA swimming by the entry deadline.** Athletes that register with USA Swimming after the entry deadline may still enter the meet only if they can present their 2010 USA membership card. Currently registered members of FINA from Mexico and Canada are also eligible to enter as well.

Schedule: Friday night's schedule is for all ages. Saturday and Sunday the meet will be split into morning and afternoon sessions based on age. The morning sessions each day are for swimmers 12 and under and the afternoon sessions are for swimmers 13 and over. Depending on how the entries come in, we reserve the right to split the sessions differently and/or combine sessions.

Swimwear

- Restrictions:**
- Only one suit is permitted during competition
 - The suits must:
 - Be of one piece
 - Be constructed of woven / knit material
 - Be 100% permeable to air and water
 - Not aid buoyancy
 - Not have fastening system other than waist ties, casings, ribbing or elastic (no zippers)
 - Not extend below the knee and not cover the neck or shoulders for women
 - Not extend above the navel or below the knee for men
 - Swimmers found in violation of these restrictions will be banned from further competition until the violation has been remedied

Cell Phones: The presence and/or use of cell phones, and any other equipment capable of producing photographic or video images, in the locker rooms is strictly and specifically prohibited at all times. There are no exceptions to this prohibition. Violators are subject to disqualification from the meet and disbarment from the facility.

Qualifying Times: There are qualifying times for events of 200 meters and over. Refer to the order of events for the specific qualifying times. Athletes that do not finish an event within the LCM qualifying time as listed will be required to prove their entry time. The entry time must be in the USA Swimming database. **Swimmers that cannot prove an entry time will be fined \$25** payable to the University of Texas. These swimmers will be barred from competition (at this or subsequent meets at the Swim Center) until the fines are paid. **No "No Time" (NT) entries will be taken.**

Meet Format: All events are timed finals, swum in one long course meter pool, seeded only by time and gender. Age groups will be combined. All events will swim fastest to slowest. Depending on the number of swimmers, chase starts and/or over/under starts may be used. If there are enough swimmers to run both ends of the pool, then even events shall finish at the American Flag end and Odd events shall finish at the Texas Flag end.

The 400 meter Free, 400 meter IM, 800 meter Free and 1500 meter Free require positive check-in. Swimmers in these four events must provide their own timers. Swimmers in the 800 meter free and 1500 meter free must provide their own counters. The 400 Free, 400 IM, 800 Free and the 1500 Free will be swum fastest to slowest and will alternate girls and boys heats. Please be aware that boys and girls may be combined to minimize the number of heats.

In order to stay within the four hour rule, **we reserve the right to cap the number of swimmers entered in the meet or to divide the sessions differently.** Friday evening's session will be capped at 3 hours.

Swimmers will be entered in the order entries are received.

Scratches: We are asking swimmers to scratch events they will not swim the next day. **By 6 PM on Friday**, swimmers should scratch any events they will not swim on Saturday. Coaches, please help us out and scratch any athletes that will not attend the meet on Saturday.

On Saturday, before you leave your session, you will need to scratch any event you will not swim on Sunday.

There is not a penalty for failing to scratch an event at this meet; this is a courtesy to the other swimmers by eliminating an empty lanes and allowing the greatest number of swimmers to participate.

Check-in: Positive check-in is required for the 400 IM, 400 Freestyle, 800 Freestyle and 1500 Freestyle. Check in sheets will be available as the swimmers enter the pool for warm-ups and will close one hour before the events are swum. Exact times will be posted on the day of the event.

Swimmers that positive check-in for an event and fail to swim will be fined \$25 payable to the University of Texas. These swimmers will be barred from competition (at this or subsequent TXLA meets at the Swim Center) until the fines are paid.

Entry Dates: Entries will **OPEN on Monday, May 3rd at 9 AM for South Texas** teams and on **Tuesday, May 4th at 9 AM** for all other teams. No entries will be accepted prior to this date and time. Any entries received prior to the entry opening date and time will be deleted. Entries will close the earlier of
a) Monday, May 10, 2010 at noon
b) When a session reaches an estimated 4 hours in length.

Entries: Swimmers may enter a **maximum of 4 individual events per day, 8 maximum individual events total for the meet.** The age of the swimmer will be his/her age on **May 21, 2010.** Enter all events with previous best times achieved. LCM times will be seeded first and then SCY. Coaches: Please be diligent in estimating entry times for events with no qualifying times.

All teams with five or more swimmers entered in this meet must submit their entries using Version 3 or 4 of Hy-Tek Team Manager software.

Email entries to Christie Binkley at christie.binkley@austin.utexas.edu. When you email the entries, also attach a Word document (or pdf) of the entries (**by swimmer**) and a Word document (or pdf) of the meet entry fees report. If you don't receive an email confirmation, your entries were not received. **If you email entries, we must receive your entry fees by noon on Friday, May 21st, or your entries will be removed from the meet database.**

Teams with fewer than five swimmers should send an email including the team, team abbreviation, LSC, the swimmers full name (as registered with USA Swimming), USA ID, event numbers, event description, and entry times for each swimmer.

No paper, phone, or fax entries will be accepted. Entries received without accurate USA Swimming registration numbers will NOT be accepted or processed.

- Officials:** Help from visiting officials is always welcome. Visiting officials are asked to indicate their availability with the team's entry forms or contact the meet referee, Rob Zbranak, directly at zbranak@yahoo.com. The Official's uniform will be white polo over navy slacks, skirt, or shorts.
- Special Needs:** Please notify the Jamail Texas Swimming Center Staff (512-471-7703) in advance of this event with the name and age of any member on your team who needs assistance to enter the building. TSC staff will make reasonable accommodations for swimmers, coaches, or spectators who wish to enter and use our facility.
- In any meet sanctioned or approved by this LSC that may include one or more swimmers with visual, hearing, mental, or physical disabilities, the judging of such competitors shall be in strict accordance with the current USA Swimming Rules and Regulations, i.e., Article 105. A disability is defined as a PERMANENT physical or mental impairment that substantially limits one or more major life activities.
- Deck Access:** Only USA Swimming registered athletes who are entered in the meet, coaches, officials and volunteers will be allowed access beyond the front desk of the Texas Swimming Center. Those wishing to volunteer as a timer will be given a pass to access the deck and help for that specific purpose. Coaches and officials will be required to show their current USA Swimming registration card at the front desk.
- Any non-registered individuals not respecting these rules will be removed from that area or from the facility at the discretion of the meet director, Longhorn Aquatics Program Director or Texas Swimming Center staff.
- Please be aware that swimmers will not be allowed onto the deck until one of their team coaches has checked in and is on deck.**
- TSC Rules:** As guests of The University of Texas, all must adhere to the Texas Swim Center (TSC) rules. Coaches must supervise their swimmers. Chewing gum and glass containers are not permitted in the building. Locks may not be left on lockers overnight. Wet swimmers cannot leave the pool deck. Children must be supervised at all times.
- Spectators and athletes may not bring food nor drink into the Texas Swim Center from outside sources. Teams ARE permitted to bring two (2) coolers on to the deck.**
- Parking: Parking Options for the TXLA End of School Splash**
- The University of Texas now requires that you have a UT permit to park in any C lot (including C lot 80 in front of the Swim Center) or along San Jacinto behind the Swim Center AT ALL TIMES. So only park in C lot 80 if you have a UT permit OR if there is an attendant and you can pay to park – you must display your receipt to avoid a ticket.
- So here are your options – This weekend is Graduation for the University of Texas at Austin.
1. Friday night and Sunday park in the **Manor or Trinity** garage on the UT campus (they charge \$10 and there's no in/out privileges). **Saturday is UT Graduation. All of the UT garages should be free.**
 2. Drop your swimmers off at the Swim Center and park for free (when the lot is available) at Disch-Falk Field just east of I-35. (Generally this is available beginning at 5:45 on Friday through the weekend as long as the lot has not been reserved)
 3. Park in one of the State **Garages** (not an open lot) at the intersection of 17th St. and San Jacinto St. just south of the Swim Center for free (this is available beginning at 6 PM on Friday through the weekend). This will not be available for free on SOME weekends.
- More detailed parking information will be posted on the Longhorn Aquatics website (<http://www.utexas.edu/longhornaquatics>) closer to the meet dates.
