Please note: Only one end of the pool is being run tonight. All heats will start and finish at the American Flag end of the pool. A timeline is simply an estimate, please do not expect it to be exact or even as close as Short Course. Long Course timelines are much more difficult to get right due to chase starts being used (100s, 200s and 400s go much faster than planned and 50s go much slower). Missing an event due to the timeline is not an acceptable excuse so please be here early and pay attention to how the meet is running.

We are trying something new this long course season - **courtesy scratching** for future sessions. If you KNOW your child won't swim Saturday or Sunday, or even if they have decided to not swim a specific event, please go down to Clerk of Course and fill out a scratch form. We will scratch them and seed the meet after scratches. We are trying to get rid of empty lanes so the kids can have a better race, we can accomodate more swimmers (numerous teams were turned away), and so we can end the sessions more quickly. As it says, this is a courtesy, there is no penalty for not scratching. At the end of the long course season, we will evaluate how well this worked. Give it a meet or two and let us know what you think. Courtesy scratches are due:

Friday by 7PM

Saturday by the end of your session

Seeded heat sheets will be available for sale at the beginning of each session.
