Qualifying Times: Swimmers must meet the attached qualifying times. However, swimmers may swim one bonus event for each individual event in which they are entered and meet the qualifying time. **Swimmers should enter bonus events with an actual, provable SCY time -- do NOT enter at the cut.**

Meet Format: The meet will be capped at 800 swimmers. Swimmers will be entered in the order entries are received.

This is a prelim/final meet. Events will swim slowest to fastest in prelims. During prelims, women will swim in the north course; men will swim in the south course. However, the Meet Director along with the Meet Referee reserve the right to (a) split the morning session and/or (b) run even/odd heats (instead of women/men) depending on the timeline for the prelim sessions.

Each prelim session will be seeded the evening before. All deck entries (individual and relay) received before 5:30 PM for the next day's events will be seeded. For prelims there is a courtesy scratch. Please scratch the next day's events that you will not swim by 5:30 PM the evening before the event. There is not a penalty for failing to scratch a prelim event; this is a courtesy to the other swimmers by eliminating an empty lane in prelims.

The 400 IM, 500 free and 1650 free will be deck seeded and require positive check in.

The 1650 is a timed final event. The fastest heat of women and men will swim at night during finals. But you may elect a morning swim. This election must be made by the Friday check-in deadline. The remaining heats will swim fastest to slowest, at the conclusion of prelims on Saturday.

All relays are timed finals. Teams may enter 2 relays in each event. The fastest two heats in each event will swim at night during finals. But you may elect a morning swim. This election must be made by the 5:30 PM courtesy scratch deadline the evening before the relay swims. Relay cards are due one hour before the relays should swim. Times will be posted.

There will be 5 heats in finals for the 400 IM and 500 free. All other prelim/final events will have 6 heats in finals. The finals sessions will be split with the A and B finals of all events swimming at 5:30 PM followed immediately by the C, D, E and where applicable the F heats.

The Meet Director and Meet Referee reserve the right to change the pool configuration for prelims and/or finals.

Check-in: Positive check-in is required for the 400 IM, 500 free and 1650 free. Swimmers in the 1650 must also indicate if they intend to swim in prelims or finals. Check-in deadlines are as follows:

500 Free -- check in by 9:00 AM on Thursday
400 IM -- check-in by 8:30 AM on Friday
1650 Free -- check in by 5:30 PM on Friday

Scratch Rule: **Prelims** -- Each prelim session will be seeded the evening before. All deck entries (individual and relay) received before 5:30 PM for the next day's events will be seeded. For prelims there is a courtesy scratch – see clerk of course. Please scratch the next day's events that you will not swim by 5:30 PM the evening before the event. There is not a penalty for failing to scratch; this is a courtesy to the other swimmers by eliminating an empty lane in prelims.

Finals -- Swimmers qualifying for finals have 30 minutes after the announcement of preliminary results to either scratch or declare their intent to scratch. Swimmers that timely indicate an intent to scratch must declare their final intention within 30 minutes following their last individual preliminary event.

Any finalist who does not scratch and fails to compete in finals will be barred from their next event whether in finals or prelims. Failure to compete in finals on Saturday will result in a \$50 fine. Fines are payable to The University of Texas at Austin. Teams and/or swimmers will be barred from competition at the Swim Center until fines are paid.

The scratch box will be located at the clerk of course.

Entries: **Entries must be received by Saturday, February 10 at 6 PM.** Swimmers may enter a maximum of 3 individual events per day. Teams are limited to two relay entries per event. Enter all events, including bonus events, with previous best times achieved in short course yards. Do not convert times.

Teams with fewer than five swimmers may send an email that includes: the team, team abbreviation, LSC, the swimmer's full name (as registered with USA Swimming), USA ID, event number and description, and entry times for each swimmer.

Teams with five or more swimmers entered in the meet must submit their entries using Version 3 or 4 of Hy-Tek Team Manager software.

Email entries to Debbie Norval at anorval@austin.rr.com. Include the Hy-Tek file and a Word document of the entries by swimmer. If you don't receive an email confirmation, your entries were not received.

Your entry fees along with the Team Information Sheet must be received no later than Thursday, February 15. Entries will not be seeded if entry fees and/or the Team Information Sheet are not received on time.

No paper, phone or fax entries will be accepted.

Entry Fees: \$10.00 per individual event, \$20 per relay. This includes the South Texas Swimming splash fee of \$1.00 per splash.
