

The Cathy Lester IT Excellence Memorial
The University of Texas at Austin

Contributions may be made to The University of Texas at Austin in memory of Cathy Lester. Cathy was committed to the professional growth of talented individuals who demonstrated excellent service to the mission of the university and beyond. The goal is the establishment of a permanently endowed annual recognition for Excellence in Information Technology. The award will be jointly administered by campus developers who devote their time to training and developing new analysts in the Developer Apprenticeship Program, which Cathy was instrumental in instituting and led for many years. The award will include funds from the endowment for professional development of the recognized University of Texas staff members. The goal is \$25,000 to fund the endowment. If enough funds are not raised for an endowment, gifts will be expended in Cathy's name to support this purpose.

Funds distributed from the endowment in a year may be retained and expended for the purposes of the endowment in subsequent years and a portion may be designated, at the discretion of the Board or The University of Texas at Austin, as a permanent addition to the principal of the endowment. Such endowment shall never become a part of the Permanent University Fund, the Available University Fund or the General Fund of the State of Texas, and shall never be subject to appropriation by the Legislature of the State of Texas. All future additions to the endowment, made by any party, including the Board of Regents or The University of Texas at Austin, shall be subject to the provisions described and shall be considered permanent endowment funds.
