

2008 IV UPDATE: USP <797> FINAL REVISION

Audio CD
Home Study Course

About the Program

This course concentrates on the final revisions to USP <797> and the prevention of medication errors.

Target Audience

This course is designed for IV certified pharmacists and technicians.

Program Design

The course information is presented in lecture format, available via an audio CD recording, and is accompanied by written materials.

Learning Objectives

After reviewing the lecture and accompanying materials, the participant will be able to:

- Identify the final USP Chapter <797> revisions and how the information applies to pharmacy practice in Texas.
- Critically discuss medication errors and methods to decrease their occurrence.

Continuing Education Credit

Release Date: September 26, 2008

Expiration Date: September 26, 2010

The fee for this educational activity is \$85.

No credit will be given after the expiration date.

The University of Texas College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is accredited for .25 CEUs (2.5 contact hours) of continuing education credit for pharmacists. In order to receive credit, the participant must review the recorded lectures and accompanying materials, and then complete the post-test and evaluation anytime before 9/26/2010. A score of 70% or better must be received on the test in order to receive credit. A statement of education credit will be mailed to the participant 6-8 weeks following the receipt of the test and evaluation form.

ACPE Universal Program Number: 067-000-08-049-H04-P,T
