**The University of Texas at Austin College of Pharmacy
Galveston/Houston Regional Internship Program Presents:**

Preceptor Training Conference 2012

Program Goal: To enhance preceptor effectiveness in providing specific feedback on the student's potential and applying University of Texas resources available via the web.

Target Audience: Pharmacists involved in patient care, education and administration with an established or new interest in precepting the experiential component of the Pharm.D. student curriculum.

Date: Thursday, March 29, 2012

Location: University of Texas MD Anderson Cancer Center – Hickey Auditorium, 11th Floor, Room R11.1400, 1515 Holcombe Boulevard, Houston, Texas 77030

Conference Agenda and Faculty:

3:30 P.M. – 4:00 P.M. *Conference Registration*

4:00 P.M. – 5:00 P.M. *Navigating Electronic Experiential and Drug Information Resources*

ACPE #0067-9999-12-012-L04-P (1 contact hour, 0.1 CEU)

Sharla Tajchman, Pharm.D., BCPS, BCNSP

Director, UT Galveston/Houston Regional Experiential Program

At the conclusion of this presentation, the participant should be able to:

- *describe how to navigate UT web pages to find pharmacy resources.*
- *demonstrate the resources in the Preceptor's Toolbox as part of the Preceptor Training and Resource Network on-line.*
- *determine what UT resources are available to preceptor faculty and how to ask for assistance with them.*
- *discuss features of the new P4 student portfolio.*

5:00 P.M. – 6:00 P.M. *Delivering Effective Feedback*

ACPE #0067-9999-12-013-L04-P (1 contact hour, 0.1 CEU)

Brian Dee, Pharm.D., BCNSP, BCPS

Critical Care / Nutrition Support Clinical Pharmacy Specialist

At the conclusion of this presentation, the participant should be able to:

- *articulate, in real time, the student's strengths and weaknesses in his or her thought processes and therapeutic decision outcomes.*
- *describe when it is appropriate to promote the student's initiative and autonomy in providing patient care.*
- *critique your ability as a preceptor to know what to listen for to assess the validity of the student's patient presentation or dilemma.*

- ascertain if the student's dignity and self-esteem have been preserved and enhanced from your direct feedback.

6:00 P.M. – 7:00 P.M.

Managing Difficult Students through Role Playing

ACPE #0067-9999-12-014-L04-P (1 contact hour, 0.1 CEU)

Todd Canada, Pharm.D., BCNSP, FASHP

Institutional Coordinator, UT Galveston/Houston Regional Experiential Program

At the conclusion of this presentation, the participant should be able to:

- describe the most common "difficult" student issues and situations occurring during experiential rotations.
- identify key skills, knowledge and behaviors needed for your students to function independently in your pharmacy setting through role-playing.
- implement lifelong learning requirements to motivate students to succeed and apply information learned during their experiential rotations.
- discuss real world solutions for "problem" students on experiential rotations.

7:00 P.M.

Program Evaluation/Program Concludes

The University of Texas at Austin College of Pharmacy is accredited by the Accreditation Council on Pharmacy Education as a provider of continuing pharmacy education. Successful completion of the program includes attending the accredited session(s) and completing a Record of Attendance/Evaluation Form. Continuing education statements will be mailed by The University of Texas directly to participants within 6-8 weeks following the program. This program has been accredited for 0.30 CEUs (3 contact hours).

.....
There is no registration fee, but you must register by Friday, March 23rd as seating is limited to 200 participants.

Please RSVP to: Darla Hedge by email: dhedge@mdanderson.org or phone 713-792-2870

Parking & Directions: From Holcombe Boulevard in front of the hospital, look for Entrance 2 (MD Anderson Boulevard) and follow signs to Garage 10 where you may park (\$10). From Garage 10 on level 3, you may enter the main building of the hospital (attached to Garage 10) and follow access signs to Elevator A. Take Elevator A to the 11th floor where the Hickey Auditorium is located to the left.
