

College of Pharmacy Student Organizations Goals 2009-2010

Asian Pharmacy Students Association (APSA)

President: Viet Nguyen

To increase membership by 30% and screen more people during health fairs and Explore UT.

UT-Academy of Student Pharmacists (UT-ASP)

President: Julieta Scalo

To educate: our members about professional skills and development, our patients about improving their health, and the community about the roles of pharmacists. To collaborate with: other student organizations in the College, other professional organizations (CAPA & TPA), and other professions (School of Nursing).

Christian Pharmacists Fellowship International (CPFI)

Co-Presidents: Jerry James and Shannon Norton

To encourage students, develop fellowship among pre-pharmacy and pharmacy students, serve the community, and worship Jesus in all that we say and do.

UT Student Chapter of the International Society for Pharmacoeconomics and Outcomes Research (UT-ISPOR)

President: Lung-I Cheng

To increase collaboration with ISPOR student chapters at other universities, continue bi-weekly research meetings, participate in community projects in the Austin area, and promote participation in international meetings.

Kappa Epsilon (KE)

President: Stacey Cornell

To meet KE's national goals and to double our membership.

Mexican-American Association of Pharmacy Students (MAAPS)

President: Monique Garcia

To establish bylaws, strengthen relationships with advisors and alumni, be active participants in Project Collaborate (participate in all screenings with Donate For Life), strengthen relationships between members (socials, tailgates), fundraise extensively, build a strong presence in the College (whole day seminar on Spanish speaking and a Cinco De Mayo event), and support P1s (mentoring, fundraiser socials at restaurants after exams).

National Community Pharmacists Association (NCPA)

President: Whitney Brace

We are dedicated to continuing the growth and prosperity of the independent community pharmacy and providing networking opportunities and information for students interested in owning their own pharmacy.

Pharmacy Council (PC)

President: Saadia Ali

To serve the College and UT/Austin community, encourage collaboration between pharmacy student organizations, and promote the profession of pharmacy around the UT community via our membership in UT Senate.

Phi Delta Chi (PDC)

President: Tyler Mohr

To have pride for our fraternity and College.

Pharmacy Graduate Students Association (PGSA)

President: Esther Maier

Phi Lambda Sigma (PLS)

President: Teisha Daniels

To promote leadership in the College and in the profession and to help students develop professional and leadership qualities.

Rho Chi

President: Rene Gonzalez

To extend our leadership academically to other aspects of pharmacy (i.e., community involvement, collaboration) and to be more involved within student pharmacy leadership regarding decisions that affect all pharmacy students.

Student National Pharmaceutical Association (SNPhA)

President: Benita Bamgbade

To strengthen our efforts in meeting SNPhA's national goals; to plan, organize, coordinate and execute programs geared toward the improvement of the health, education, and social environment of our community; and to focus on pharmacy and healthcare related issues and the poor minority representation in pharmacy and other health-related professions.

UT-Student Society of Health-System Pharmacists (UT-SSHP)

President: Debbie Ramirez

To educate student members on career options and trends in the world of health-system pharmacy while also providing professional and leadership development through active involvement within the organization and community.
