- Biography
 - Started off volunteering for the draft in the Vietnam War. The government sent him to pharmacy school.
 - Met his wife in school and has job shared ever since.
 - Worked two terms in the Congo.
 - Volunteered in Alaskan pharmacy.
 - Went to help with IHS pharmacy, and was bugged into opening his pharmacy.
- About his Pharmacy
 - The first retail pharmacy in Prince of Wales Island
 - Very rural
 - Everyone knows everyone else
 - High number of pet care requests (they don't have veterinarian on the island).
 - Only pharmacy within 4 hours.

By: Tarashea Partain, NCPA Secretary

- Plus they hardly have to compete with mail order because mail planes don't fly in bad weather.
- Important Characteristics of those who wish to open a pharmacy
 - Must like people
 - Should be motivated
 - Entrepreneurial
 - Willing to take risks
 - Be ready to learn
- Recommendations
 - Work for a chain
 - Develop a repute with another pharmacy owner
 - Dream BIG
 - Don't be afraid to take risks
 - Always put people first!
 - Learn all you can about mental health, pain management, & addiction/recovery.
 - Take a personality indicator survey
 - Get involved
