# GLBTQ Celebration Luncheon

Pride and Equity Faculty-Staff Association  
The University of Texas at Austin

Please join PEFSA for the first ever luncheon to celebrate and recognize the contributions of the GLBTQ and allied community.

**Dr. Gregory Vincent**, UT's Vice President for the Division of Diversity and Community Engagement will offer his remarks, followed by one of Texas' greatest GLBT activists, **Ms. Bettie Naylor**.

Ms. Naylor will tell stories of her 30 years of experience being a champion of the GLBT community. She is a founding member of Equality Texas, the Texas and National Women's Political Caucuses, and helped establish the National Human Rights Campaign. And, for those of us in higher education, she was instrumental in removing an appropriations bill which granted the authority to Texas-supported colleges and universities to deny the use of campus facilities to homosexual and other subversive organizations.

Santa Rita Room
