The Office of Admissions evaluates courses from other institutions for comparability with UT Austin catalog rules. Students should initially enter the University as their first-choice major. Prospective student information is at admissions.utexas.edu/apply/transfer-admission/.

Use of Transfer Credit Toward Degrees

The Office of Admissions evaluates courses from other institutions for comparability with UT Austin coursework, but the Dean’s Office in the College of Education approves transfer credit for use in a degree program.

- Questions concerning degree/graduation requirements, degree applicability of transfer credit, and teacher certification should be directed to the Dean’s Office, College of Education, SZB 216, UT Austin, Austin TX 78712 (512/471-3223). Prospective student information is at www.edb.utexas.edu/education/prospective/.
- Questions concerning transfer admission and transfer credit evaluation should be directed to the Undergraduate Admissions Center, John Hargis Hall, P.O. Box 8058, UT Austin, Austin TX 78713-8058 (512/475-7387). Admission information and Transfer Guides for other UT programs are at admissions.utexas.edu/apply/transfer-admission/.

High School Foreign Language Preparation

UT Austin requires all undergraduates to have completed at least two years of high school study in a single foreign language, documented by an official high school transcript submitted to the Office of Admissions. Students lacking high school coursework to satisfy the requirement must earn college-level credit for the beginning two-course sequence in a language (numbered 1411+1412).

Special Notes

- **Teacher certification** information is at www.edb.utexas.edu/education/cert/. Students pursuing middle grades, secondary, or all-level teacher certification in Texas must earn a bachelor’s degree in the subject they intend to teach.
- **Core curriculum** transfer credit from Austin Community College is guaranteed to apply toward UT core requirements, but degree plans may specify how to fulfill some core requirements. Recommendations in this Guide satisfy core requirements with courses normally prescribed by a student’s major field of study at UT.
- Courses in which grades lower than C– are earned do not transfer. Grades from transfer credit are excluded from a student’s internal UT Austin grade point average computation.
- Up to three semester hours in **physical education activity** coursework may count as elective credit toward any degree in the College of Education.
- Up to twelve semester hours in **Air Force, Military, or Naval Science** may count as free elective credit toward any degree in the College of Education.
Courses Recommended for Transfer
