Prospective Fine Arts transfer students are urged to become familiar with the College’s curricula and rules in the Undergraduate Catalog 2014–2016 at registrar.utexas.edu/catalogs/.

Transfer students from Texas community colleges are eligible to graduate under UT Austin catalog rules in effect during the time they attend the community college. Those declaring the 2015–2016 catalog must satisfy all degree requirements by the end of the summer session 2022, including at least sixty semester credit hours completed in residence at UT Austin. Prospective students can monitor their UT degree progress and check degree applicability of transfer credit by using the “Planner” feature of UT’s Interactive Degree Audit (IDA) system at registrar.utexas.edu/students/degrees/ida/.

The Office of Admissions evaluates courses from other institutions for comparability with UT Austin coursework, but the Dean’s Office in the College of Fine Arts approves transfer credit for use in a degree program.

Questions concerning degree/graduation requirements and degree applicability of transfer credit should be directed to the Student Affairs Division, College of Fine Arts, DFA 1.103, UT Austin, Austin TX 78712 (512/471-5011). Prospective student information is at www.utexas.edu/finearts/admissions/cofa-undergraduate-admissions/.

Questions concerning transfer admission and transfer credit evaluation should be directed to the Undergraduate Admissions Center, John Hargis Hall, P.O. Box 8058, UT Austin, Austin TX 78713-8058 (512/475-7387). Admission information and Transfer Guides for other UT programs are at bealonghorn.utexas.edu/transfer/.

UT Austin requires all undergraduates to have completed at least two years of high school study in a single foreign language, documented by an official high school transcript submitted to the Office of Admissions. Students lacking high school coursework to satisfy the requirement must earn college-level credit for the beginning two-course sequence in a language (numbered 1511+1512).

Special Notes

- See bealonghorn.utexas.edu/transfer/admission/majors/fine-arts/ for information about:
  - required portfolio for admission to Studio Art or Visual Art Studies;
  - required audition for admission to Dance or Music; and
  - required interview for admission to Theatre Studies.
- Transfer students are admitted to the College of Fine Arts only in fall semesters; applications are not considered for spring and summer terms. Admission preference is given to applicants who select Fine Arts as their first-choice major. Art History, Studio Art, and Visual Art Studies applicants are required to select the intended major as their first choice.
- Transfer credit in applied music performance (MUAP) may not count toward a degree in music until the student has completed additional performance coursework at UT Austin.
- Core curriculum transfer credit from Texas community colleges is guaranteed to apply toward UT core requirements, but degree plans may specify how to fulfill some core requirements. Recommendations in this Guide satisfy core requirements with courses normally prescribed by a student’s major field of study at UT.
- Courses in which grades lower than C– are earned do not transfer. Grades from transfer credit are excluded from a student’s internal UT Austin grade point average computation.
- Physical education activity credit counts in limited quantity toward elective degree requirements in the College of Fine Arts at the discretion of the Dean’s Office.
- In some degree plans it may be necessary to take additional lower-division coursework after transferring to UT, because the necessary courses are not offered at community colleges.
