

# The College of Natural Sciences University of Texas at Austin

## 2011-2012 Transfer Guide for Austin Community College Students

Bachelor of Science degrees in Human Development & Family Sciences • Nutrition • Textiles & Apparel

### Degree Programs Available

(The Bachelor of Arts degree with a major in Human Ecology is described in a separate Transfer Guide.)

**Bachelor of Science** degrees in:

- Human Development & Family Sciences (*options: Early Childhood, Human Development, Families & Personal Relationships, or Families & Society*)
- Nutrition (*options: Dietetics, Nutritional Sciences, Nutrition in Business, Teaching, or International Nutrition*)
- Textiles & Apparel (*options: Apparel Design/Conservation or Retail Merchandising*)

Prospective Natural Science transfer students are urged to become familiar with the College's curricula and rules in the *Undergraduate Catalog 2010-2012*, available at <http://registrar.utexas.edu/catalogs/>.

Students who transfer directly from a Texas community college are eligible to graduate under UT Austin catalog rules in effect during the time they attend the community college; those declaring the 2010-2012 catalog must complete all degree requirements by the end of the summer session 2018. At least sixty semester credit hours must be completed at UT Austin to earn an undergraduate degree.

Prospective students can monitor their UT degree progress – even before transfer – and check degree applicability of Austin Community College courses by using the “Planner” function of UT’s Interactive Degree Audit (IDA) system at <http://registrar.utexas.edu/students/degrees/ida/>.

### Use of Transfer Credit Toward Degrees

The Office of Admissions evaluates courses from other institutions for comparability with UT Austin coursework, but the Dean’s Office in the College of Natural Sciences approves transfer credit for use in a degree program.

- Questions concerning **degree/graduation requirements** and degree applicability of transfer credit should be directed to the Student Division, College of Natural Sciences, WCH 1.106, UT Austin, Austin TX 78712 (512/471-4536). Prospective student information is available at <http://www.cns.utexas.edu/>.
- Questions concerning **transfer admission** and transfer credit evaluation should be directed to the Undergraduate Admissions Center, John Hargis Hall, P.O. Box 8058, UT Austin, Austin TX 78713-8058 (512/475-7387). Admission information and Transfer Guides for other UT programs are available at <http://bealonghorn.utexas.edu/transfer/>.

### High School Preparation

UT Austin requires all students to have completed in high school two years of study in a single foreign language and three years of study in mathematics at the level of Algebra I or higher. Transfer students who do not meet these requirements are assessed a deficiency; removal of deficiencies is required for graduation.

- To remove a **foreign language deficiency**, credit for the second college-level course in a language (numbered 1512) is required.
- To remove a **mathematics deficiency**, credit for MATH 1314, 1316, or 1324 is required.

Prospective students should complete coursework needed to satisfy high school deficiencies prior to transfer. Credit used to remove a deficiency cannot count toward other degree requirements.

### Special Notes

- All degrees in the College of Natural Sciences require **at least one calculus course**; transfer admission preference is given to applicants with credit for MATH 2413 or higher.
- **Core curriculum** transfer credit from Austin Community College is guaranteed to apply toward UT core requirements, but degree plans may specify how to fulfill some core requirements. Recommendations in this Guide satisfy core requirements with courses normally prescribed by a student's major field of study at UT.
- Courses in which **grades lower than C–** are earned do not transfer. Grades from transfer credit are excluded from a student's internal **UT Austin grade point average** computation.
- **College Algebra** (MATH 1314) does not count toward degree requirements in the College of Natural Sciences, but grades and credit in the course count toward transfer admission.
- **Physical education** activity courses do not count toward degree requirements in the College of Natural Sciences, but grades and credit count toward transfer admission.
- Up to nine semester hours in **Air Force or Military Science** may count as elective credit toward a degree in the College of Natural Sciences by students commissioned through the UT Austin ROTC program.

# Courses Recommended for Transfer

expressed in Austin Community College designations. Courses used to fulfill area requirements below may not be taken on a pass/fail basis.

## Writing & Literature

ENGL 1301; one Writing Flag course chosen from ENGL 1302 or 2311; and one American, British, or world literature survey course chosen from ENGL 2322, 2323, 2327, 2328, 2332, 2333, or 2342.

## Foreign Language

*For the BS in Nutrition-International Nutrition option:* four semesters in Spanish or a language of the student's proposed study abroad area, chosen from courses numbered 1511, 1512, 2311, & 2312.  
*For all other degrees and options:* in a single language, either two years of prior high school credit or two college-level semesters chosen from course numbers listed above. SGNL 1401 & 1402 can also be counted.

## U.S. & Texas Government

GOVT 2305+2306.  
*(Because A.C.C. and UT Austin organize the two-course legislative requirement sequence differently, it is strongly recommended that students take both courses at one institution.)*

## U.S. History

Two courses chosen from HIST/HIS 1301, 1302, 1643, 2301, 2327, 2328, 2341, and 2381.

## Social & Behavioral Science

*(PSYC 2301 is preferred for teacher certification candidates.)*

*For the BS in Human Development & Family Sciences:* PSYC 2301; and one course chosen from ANTH 2351, ECON 2301 or 2302, PSYC 2316 or 2319, or SOCI 2326.  
*For the BS in Nutrition:* two courses chosen from ANTH 2351, ECON 2301, ECON 2302, PSYC 2301, and SOCI 1301. For the International Nutrition option, ECON 2301 or 2302 must be chosen.  
*For the BS in Textiles & Apparel-Design/Conservation option:* one course chosen from ANTH 2351, ECON 2301 or 2302, PSYC 2301, or SOCI 1301.  
*For the BS in Textiles & Apparel-Retail Merchandising option:* ECON 2301+2302; and one course chosen from ANTH 2351, PSYC 2301, or SOCI 1301.

## Mathematics

*For the BS in Human Development & Family Sciences:* MATH 1342 & 2413.  
*For the BS in Nutrition:* MATH 2413.  
*For the BS in Textiles & Apparel:* MATH 1342 & 2413.

## Science & Technology

*For the BS in Human Development & Family Sciences –*

- a three-course biology/chemistry combination chosen from BIOL 1406 + CHEM 1311+1312 or BIOL 1406+1407 + CHEM 1311; and
- a fourth course chosen from BIOL 1407, CHEM 1312 or 2323, GEOL 1403 or 1404, or PHYS 1401 or 2425.

*For the BS in Nutrition –*

- *all options:* BIOL 1406, CHEM 1311+1312+1111+1112, and CHEM 2323.
- *Nutritional Sciences option:* add BIOL 1407, CHEM 2325+2123+2125, and either PHYS 1401 or PHYS 2425.
- *Teaching option:* add BIOL 1407, GEOL 1403+1404, and either PHYS 1401+1402 or PHYS 2425+2426.
- Major-track nutrition courses are not available at A.C.C.

*For the BS in Textiles & Apparel –*

- *Design/Conservation option:* CHEM 1311+1312+1111+1112; and either BIOL 1406 (for the Design specialization) or CHEM 2323 (for the Conservation specialization).
- *Retail Merchandising option:* BIOL 1406+1407 and CHEM 1311+1312+1111+1112.

## Visual & Performing Arts

*For the BS in Textiles & Apparel:* ARTS 1301 for Retail Merchandising or ARTS 1304 for Conservation. ARTS 1316 satisfies the studio art requirement specific to Apparel Design, but does not also count as core curriculum visual & performing arts credit; for core credit choose a course listed below.  
*For all other degrees and options:* one course chosen from ARTS 1301, 1303, or 1304; COMM 1307 or 1335; DRAM 1310 or 2367; HUMA 1315; or MUSI/MUS 1301, 1306, or 1773.

## Other Coursework

*For the BS in Human Development & Family Sciences:* BIOL 1323; and TECA 1303 & 1354.  
*For the BS in Nutrition, Dietetics or Nutrition in Business options:* ACCT 2301.  
*For the BS in Textiles & Apparel:* ACCT 2301 and (for Retail Merchandising) SPCH 1321.
