Degree Programs Available

- **Bachelor of Science in Nursing (BSN)**

  Prospective Nursing transfer students are urged to become familiar with the School’s curricula and rules in the Undergraduate Catalog 2014–2016 at registrar.utexas.edu/catalogs/.

  Transfer students from Texas community colleges are eligible to graduate under UT Austin catalog rules in effect during the time they attend the community college. Those declaring the 2014–2016 catalog must satisfy all degree requirements by the end of the summer session 2022, including at least sixty semester credit hours completed in residence at UT Austin.

  Prospective students can monitor their UT degree progress and check degree applicability of transfer credit by using the “Planner” feature of UT’s Interactive Degree Audit (IDA) system at registrar.utexas.edu/students/degrees/ida/.

External Transfer Admission in Nursing

- **Admission is competitive** in the School of Nursing; acceptance depends upon available space and the applicant’s qualifications compared to the entire applicant pool. Applicants must select Nursing as their first-choice major. Transfer students are admitted **only in fall**; applications are not considered for spring or summer admission.

- **To be considered for transfer admission in nursing**, applicants must have completed BIOL 1406, CHEM 1311, and MATH 1342 with grades of C− or better.

Use of Transfer Credit Toward Degrees

  The Office of Admissions evaluates courses from other institutions for comparability with UT Austin coursework, but the Student Affairs Office in the School of Nursing approves transfer credit for use in a degree program.

  - Questions concerning **degree/graduation requirements** and degree applicability of transfer credit should be directed to the Student Affairs Office, School of Nursing, NUR 2.104A, UT Austin, Austin TX 78712 (512/232-4780). Prospective student information is at www.utexas.edu/nursing/future/.

  - Questions concerning **transfer admission** and transfer credit evaluation should be directed to the Undergraduate Admissions Center, John Hargis Hall, P.O. Box 8058, UT Austin, Austin TX 78713-8058 (512/475-7387). Admission information and Transfer Guides for other UT programs are at admissions.utexas.edu/apply/transfer-admission/.

High School Foreign Language Preparation

  UT Austin requires all undergraduates to have completed at least two years of high school study in a single foreign language, documented by an official high school transcript submitted to the Office of Admissions. Students lacking high school coursework to satisfy the requirement must earn college-level credit for the beginning two-course sequence in a language (numbered 1411+1412).

Special Notes

- **Core curriculum** transfer credit from Austin Community College is guaranteed to apply toward UT core requirements, but degree plans may specify how to fulfill some core requirements. Recommendations in this Guide satisfy core requirements with courses normally prescribed by the BSN degree plan at UT.

- Courses in which **grades lower than C−** are earned do not transfer. Grades from transfer credit are excluded from a student’s internal UT Austin grade point average computation.

- **Physical education activity** courses do not count toward degree requirements in the School of Nursing, but grades and credit count toward transfer admission.
# Courses Recommended for Transfer

expressed in Austin Community College designations

## Writing / Humanities

*English Composition & first (core) Writing Flag – ENGL 1301+1302.*

*Literature – one American, British, or world literature survey course chosen from ENGL 2322, 2323, 2327, 2328, 2332, or 2333.*

## Foreign Language

In a single language, either two years of prior high school credit or two college-level semesters chosen from courses numbered 1411+1412. American Sign Language SGNL 1401+1402 can also be counted.

## History / Government

*United States History – two courses chosen from HIST 1301, 1302, 2301, 2327, 2328, 2341, and 2381.*

*American & Texas Government – GOVT 2305+2306.*

## Social & Behavioral Science

PSYC 2301 and a human development course chosen from PSYC 2308 or TECA 1354.

## Mathematics

MATH 1342.

## Science & Technology

BIOL 1323, 1406, and 2304+2305+2101+2102; one course chosen from BIOL 2421 (preferred) or 2420; and CHEM 1311*.

* General Chemistry I at UT Austin, CH 301, has a higher mathematics prerequisite than the comparable Austin Community College course. Nursing students who do not complete CHEM 1311 prior to transfer must take an applied statistics, pre-calculus, or calculus course to be eligible for CH 301.*

## Visual & Performing Arts

One course chosen from ARCH 1301, 1302 or 1311; ARTS 1301, 1303, or 1304; COMM 1307 or 1335; DRAM 1310 or 2367; or MUSI/MUS 1301, 1306, or 1773.

## Nursing Courses

Nursing courses included in the Associate of Applied Science – Nursing Traditional Track:

- RNSG 1105, 1160, 1161, 1247, 1262, 1341, 1360, 1412, 1413, 1443, 2160, 2213, 2121 (or 2221), 2362, and 2432.

*(Coursework in pharmacology, global health, and nursing communication, ethics, & research must be taken in residence at UT Austin.)*

---

This Guide is based on degree requirements published in the Undergraduate Catalog 2014–2016. UT Austin is not responsible if a community college assigns a TCCN designation to a course substantially different than described in the Texas Higher Education Coordinating Board’s Lower-Division Academic Course Guide Manual. Produced by the Office of Admissions in consultation with the Student Affairs Office of the School of Nursing. Effective 27 August 2015.
