College of Liberal Arts
The University of Texas at Austin
2014–2016 Transfer Guide for Texas Community College Students

Degree Programs Available

- Bachelor of Science in Environmental Science with a major in Geographical Sciences
- Bachelor of Science in Psychology
- Bachelor of Arts with majors in:
  - African & African Diaspora Studies
  - American Studies
  - Anthropology
  - Asian Cultures & Languages (languages include Chinese, Hindi/Urdu, Japanese, Korean, Malayalam, Sanskrit, Tamil)
  - Asian Studies
  - Classical Languages (includes Greek, Latin)
  - Classical Studies (specializations include Ancient History, Classical Archaeology)
  - Economics
  - English
  - Ethnic Studies (Asian American Studies or Mexican American Studies)
  - European Studies
  - French

Prospective Liberal Arts transfer students are urged to become familiar with the College’s curricula and rules in the Undergraduate Catalog 2014–2016 at registrar.utexas.edu/catalogs/.

Transfer students from Texas community colleges are eligible to graduate under UT Austin catalog rules in effect during the time they attend the community college. Those declaring the 2014–2016 catalog must satisfy all degree requirements by the end of the summer session 2022, including at least sixty semester credit hours completed in residence at UT Austin. Prospective students can monitor their UT degree progress and check degree applicability of transfer credit by using the “Planner” feature of UT’s Interactive Degree Audit (IDA) system at registrar.utexas.edu/students/degrees/ida/.

External Transfer Admission in Liberal Arts

- Admission preference is given to applicants who select the College of Liberal Arts as their first-choice major.
- Beginning with applications for spring 2017, admission to Economics requires completion of ECON 2301+2302 and a calculus sequence chosen from MATH 2313+2314, 2413+2414, or 2417+2419. MATH 1324, 1325, or 1425 cannot be counted.
- Admission to Environmental Science is available only in fall semesters and requires completion of BIOL 1406, CHEM 1411, and at least one calculus course chosen from MATH 2313, 2413, or 2417 with grades of at least C– and GEOL 1403 with a grade of at least B–. Applicants must select the major as their first choice.
- Admission to Urban Studies requires completion of MATH 2313, 2413, or 2417 and MATH 1342, 1442, 2342, or 2442 with grades of at least B–.

Use of Transfer Credit Toward Degrees

The Office of Admissions evaluates courses from other institutions for comparability with UT Austin coursework, but the Dean’s Office in the College of Liberal Arts approves transfer credit for use in a degree program.

- Questions concerning degree/graduation requirements and degree applicability of transfer credit should be directed to the Student Division, College of Liberal Arts, GEB 2.306, UT Austin, Austin TX 78712 (512/471-4271). Prospective student information is at www.utexas.edu/cola/.
- Questions concerning transfer admission and transfer credit evaluation should be directed to the Undergraduate Admissions Center, John Hargis Hall, P.O. Box 8058, UT Austin, Austin TX 78713-8058 (512/475-7387). Admission information and Transfer Guides for other UT programs are at admissions.utexas.edu/apply/transfer-admission/.

- Additional Notes

- Recommended transfer courses are listed in Texas Common Course Numbering (TCCN) designations, a uniform system of field-of-study prefixes and four-digit numbers used by community colleges statewide. A course number’s first digit designates academic level (1 = freshman, 2 = sophomore) and the second digit specifies semester hour credit value.
- Core curriculum transfer credit from Texas community colleges is guaranteed to apply toward UT core requirements, but degree plans may specify how to fulfill some core requirements. Recommendations in this Guide satisfy core requirements with courses normally prescribed by a student's major field of study at UT.
- Courses in which grades lower than C– are earned do not transfer. Grades from transfer credit are excluded from a student’s internal UT Austin grade point average computation.
- College Algebra (MATH 1314 or 1414) does not satisfy the mathematics requirement and may not count as elective credit in the College of Liberal Arts, but grades and credit count toward transfer admission.
- One course chosen from ENGL 2321, 2322, 2323, 2326, 2327, 2328, 2331, 2332, or 2333 or UT Austin’s E 316L, 316M, 316N, or 316P is required in all College of Liberal Arts degrees, even if other transfer credit is used to satisfy the core curriculum 040 Humanities requirement.
Courses Recommended for Transfer

expressed in Texas Common Course Numbering designations. Courses used to fulfill area requirements below may not be taken on a pass/fail basis.

### Writing / Humanities (core 010 & 040)

- **English Composition & first (core) Writing Flag** – ENGL 1301+1302.
- **Literature** – one American, British, or world literature survey course chosen from ENGL 2321, 2322, 2323, 2326, 2327, 2328, 2331, 2332, or 2333.

### Foreign Language

- **For Environmental Science or Psychology (BS):** elementary proficiency, demonstrated by completion of first-year courses numbered 1311, 1411, or 1511 (1st semester) and 1312, 1412, or 1512 (2nd semester).
- **For BA degrees:** intermediate proficiency, demonstrated by completion of second-year courses numbered 2311+2312 (or 2311 alone in ancient Greek or Latin). Students pursuing a foreign or classical language major should choose coursework in their field of study.
- SGNL 1301, 1401, or 1501 (1st semester); SGNL 1302, 1402, or 1502 (2nd semester); and SGNL 2301 & 2302 (3rd & 4th semesters) can be counted in the requirements above.

### History / Government (core 080 & 070)

- **United States History** – two courses chosen from HIST 1301, 1302, 2301, 2327, 2328, and 2381. (American Studies students can defer taking core U.S. History coursework until enrolled at UT Austin, because two required upper-division courses in the major also satisfy this requirement.)
- **American & Texas Government** – GOVT 2305+2306.

### Social & Behavioral Science (includes core 080)

- **For Anthropology:** ANTH 2351.
- **For Economics:** ECON 2301+2302.
- **For Environmental Science:** ECON 2302.
- **For Geography:** GEOG 1303.
- **For International Relations & Global Studies:** GEOG 1303 and either ECON 2301 or 2302.
- **For Psychology:** PSYC 2301 with a grade of at least C.
- **For Sociology:** SOCI 1301 with a grade of at least C.
- **For teacher certification candidates:** PSYC 2301 is preferred.
- **For all other majors:** one course chosen from ANTH 2351; ECON 2301 or 2302; GEOG 1303; PSYC 2301; SOCI 1301, 1306, or 2301; or TECA 1303.

### Mathematics (includes core 020)

- Course credit varies among community colleges; the 2nd digit of numbers listed here may be 3 or 4.
- **For Economics:** MATH 2413+2414 or 2417+2419. (MATH 1324, 1325, or 1425 cannot be counted.)
- **For Environmental Science:** MATH 2413+2414 (or MATH 2417 alone).
- **For Health & Society or Sociology:** MATH 1342 or 2342 (for Sociology a grade of at least C is required).
- **For Psychology (BS) or Urban Studies:** a statistics course chosen from MATH 1342 or 2342 and a calculus course chosen from MATH 2413 or 2417 (for Urban Studies grades of at least B– are required).
- **For all other majors:** one course chosen from MATH 1332; 1342, 1442, 2342, or 2442; 2312 or 2412; 2313 or 2413; or 2417. (MATH 1314, 1350, 1351, or 1414 cannot be counted.)

### Science & Technology (includes core 030 & 093)

- Community colleges may number lecture & lab credit separately; for example CHEM 1411 can be offered as 1311+1411.
- **For Environmental Science:** BIOL 1406+1407, CHEM 1411+1412, GEOG 1301, GEOL 1403, and PHYS 2425.
- **For Psychology (BS):** two sequences in different disciplines, chosen from BIOL 1406+1407, CHEM 1411+1412, and PHYS 1401+1402 or 2425+2426.
- **For BA degrees (all majors):**
  - Part I – a two-course sequence in one discipline, chosen from ASTR/PHYS 1403+1404; BIOL 1406+1407 or 1408+1409; CHEM 1411+1412; GEOL 1403+1404; or PHYS 1401+1402, 1405+1407, or 2425+2426.
  - Part II – a third course in a second discipline, chosen from those listed in Part I and from ANTH 2301, 2302, or 2401; BIOL/HECO 1322; GEOG 1301; or GEOL 1345, 1347, 1445, or 1447. (Astronomy courses with the PHYS prefix count only as astronomy.)
- **For Anthropology:** ANTH 2301 or 2401 is required, countable in Part II.
- **For Geography:** GEOG 1301 is required, countable in Part II.
- **For Health & Society:** BIOL 1406 is required, countable in either Part I or Part II.

### Visual & Performing Arts (core 050)

- One course chosen from ARCH 1301, 1302, or 1311; ARTS 1301, 1303, or 1304; COMM 1307, 1335, or 2366; DRAM 1310, 2361, 2362, or 2366; or MUSI 1303, 1304, 1306, or 1310.

### Bachelor of Arts Major Requirements

Fields of study in the BA degree are too varied for this Guide to recommend lower-division courses in every major, except as noted above. Prospective students and community college advisors are encouraged to consult Liberal Arts degree plans (at www.utexas.edu/cola/student-affairs/Majors-and-Degrees/Degree-Plans.php) and use UT Austin’s ATE System (at www.utexas.edu/student/admissions/ate/) to identify equivalent major-specific coursework.

This Guide is based on degree requirements published in the Undergraduate Catalog 2014–2016. UT Austin is not responsible if a community college assigns a TCCN designation to a course substantially different than described in the Texas Higher Education Coordinating Board’s Lower-Division Academic Course Guide Manual. Produced by the Office of Admissions in consultation with the Dean’s Office of the College of Liberal Arts. Updated 2 February 2016.
