

Undergraduate Degrees at UT

There are over 100 degree options available at The University of Texas at Austin.

This list is organized by colleges and includes types of degrees available, majors, and concentrations within majors.

Here are some relevant pieces of information for you to keep in mind while using this handout:

- We have not listed “undeclared” majors within this handout. However, being “undeclared” while enrolled in a specific college is possible and in some instances required for your first few years.
- Many colleges offer and/or require you to select a minor; this list can help you identify some possibilities.
- Degree options and requirements DO change so we recommend using this list as a starting point and consulting with academic advisors in the individual colleges for the most up-to-date details regarding majors, minors, concentrations, and course selection.
- Visit <http://www.utexas.edu/student/admissions/ugdegrees.html> for links to these academic programs.

COLLEGE OF ARCHITECTURE

Bachelor of Architecture

With dual degree programs in

- Architectural Engineering (Bach. of Science)
- Plan II Honors

Bachelor of Science

- Architectural Studies
- Interior Design

MCCOMBS SCHOOL OF BUSINESS

Bachelor of Business Administration

- Accounting
- Engineering Route to Business
- Finance
- International Business
- Management
- Management Information Systems
- Marketing
- Supply Chain Management
- General Option for Business Honors

Dual degree program with Plan II Honors

Professional Program in Accounting (leads to MPA)

Business Foundations Program (for non-business majors)

COLLEGE OF COMMUNICATION

Bachelor of Journalism

- Print journalism
- Broadcast journalism
- Photojournalism
- Multimedia journalism

Bachelor of Science

- Advertising
 - Texas Creative
 - Texas Interactive
 - Texas Media
- Public Relations
- Radio-Television-Film

(Coursework available in the following areas)

 - Media studies: courses address media history, theory, criticism, politics, technology, public policy, and the media industry
 - Screenwriting
 - Traditional and digital media production: film, video, audio
- Communication Studies
 - Corporate Communication
 - Human Relations
 - Political Communication
- Communication Sciences & Disorders
 - Nonprofessional Track
 - Deaf Studies/Deaf Education
 - Speech/Language Pathology
 - Audiology

Dual Degree Program with Plan II Honors

Concentrations Options in Communication

Communication & Society

US Latino & Latin American Media Studies

Women & Gender Studies

COLLEGE OF EDUCATION

Bachelor of Science

- Applied Learning & Development (ALD)
 - Early Childhood through Grade 6 Generalist Certification
 - Early Childhood - Grade 6 Bilingual Generalist Certification
 - All-level Generic Special Education
 - Youth & Community Studies
- Athletic Training
- Kinesiology and Health
 - Applied Movement Science
 - Exercise Science
 - Health Promotion
 - Physical Culture and Sports
 - Sport Management

COCKRELL SCHOOL OF ENGINEERING

Bachelor of Science

- Aerospace Engineering
 - Atmospheric Flight
 - Space Flight
- Architectural Engineering
 - Structures
 - Building Environmental Systems
 - Building Construction Materials
 - Dual Degree Program with Architecture
- Biomedical Engineering
 - Biomedical Imaging & Instrumentation
 - Cell & Biomolecular Engineering
 - Computational Biomedical Engineering
- Chemical Engineering
 - Biomedical Engineering & Premedical/Pre dental
 - Biotechnology
 - Environmental Engineering
 - Materials Engineering
 - Process Analysis & Control
 - Process Engineering
 - Product Engineering
- Civil Engineering
 - Construction Eng. & Project Management
 - Construction Materials
 - Environmental Engineering
 - Geotechnical Engineering
 - Structures
 - Transportation
 - Water Resources

- Electrical Engineering
 - Electrical Engineering Technical Areas:
 - * Biomedical Engineering
 - * Communications & Networking
 - * Electromagnetic Engineering
 - * Electronics
 - * Electronic Materials & Devices
 - * Power Systems & Energy Conversion
 - * Premedical
 - * Robotics & Controls
 - * Signal & Image Processing
 - Computer Engineering Technical Areas:
 - * Computer Design
 - * Embedded Systems
 - * Software Engineering: Foundations
 - * Software Engineering: Systems
 - * VLSI Design
- Geosystems Engineering & Hydrogeology
- Mechanical Engineering
 - Acoustics
 - Biomechanical Engineering
 - Dynamic Systems and Control
 - Engineering Computer Graphics
 - Manufacturing & Design
 - Materials Engineering
 - Nuclear & Radiation Engineering
 - Operations Research & Industrial Engineering
 - Thermal/Fluid Systems Engineering
- Petroleum Engineering

COLLEGE OF FINE ARTS

Bachelor of Arts

- Art (includes Art History & Studio Art)
- Music
- Theatre & Dance

Bachelor of Fine Arts

- Studio Art
- Design
- Visual Art Studies (with teacher certification)
- Theatre Studies (with teacher certification)
- Dance

Bachelor of Music

- Composition
- Jazz Composition
- Jazz Performance

JACKSON SCHOOL OF GEOSCIENCES

Bachelor of Arts

- Geological Sciences

Bachelor of Science

- Geological Sciences
 - General Geology
 - Geophysics
 - Hydrogeology/Environmental Geology
 - Teaching
- Geosystems Engineering and Hydrology (Offered jointly with the College of Engineering)

COLLEGE OF LIBERAL ARTS

Bachelor of Science in Psychology

Bachelor of Arts

- American Studies
- Ancient History & Classical Civilization
- Anthropology
- Arabic
- Asian Cultures & Languages, with specializations:
 - Chinese
 - Japanese
 - Hindi & Urdu
 - Malayalam
 - Sanskrit
- Asian Studies
 - East Asian Studies
 - South Asian Studies
- Chinese
- Classics
- Czech Language & Culture
- Economics
- English
- Ethnic Studies, with concentrations in:
 - African & African American Studies
 - Asian American Studies
 - Mexican American Studies
- European Studies
- French
- Geography
- German
- Government
- Greek
- Hebrew Language and Literature
- History
- Humanities
- Islamic Studies
- Italian

- Jewish Studies
- Latin
- Latin American Studies
- Linguistics
- Middle Eastern Studies
- Persian Language & Culture
- Philosophy
- Plan II Honors Program
- Portuguese
- Psychology
- Religious Studies
- Rhetoric & Writing
- Russian Language & Culture
- Russian, East European, & Eurasian Studies
- Scandinavian Studies
- Sociology
- Spanish
- Turkish Language & Culture
- Urban Studies
- Women & Gender Studies

Concentration Options in Liberal Arts

Cultural Studies

Science, Technology, and Society

COLLEGE OF NATURAL SCIENCES

Bachelor of Arts

- Astronomy
- Biochemistry
- Biology
- Chemistry
- Computer Sciences
- Human Ecology
- Mathematics
- Physics

Bachelor of Science

- Astronomy
- Biochemistry, with an option in:
 - Computation
- Biology, with options in:
 - Ecology, Evolution, and Behavior
 - Human Biology
 - Marine and Freshwater Biology
 - Microbiology
 - Cell and Molecular Biology
 - Neurobiology
 - Plant Biology
 - Teaching

career exploration center
your future in focus

- Chemistry, with options in:
 - Computation
 - Teaching
- Clinical Laboratory Science
- Computer Sciences, with an option in:
 - Turing Scholars Honors
- Human Development & Family Sciences, with options in:
 - Early Childhood
 - Human Development
 - Families & Personal Relationships
 - Families & Society
 - General Human Dev. & Family Sciences
- Interdisciplinary Science
 - Math Concentration
 - Science Concentration
 - Computer Science & Math Concentration
- Mathematics, with options in:
 - Actuarial Science
 - Applied Mathematics
 - Mathematical Sciences
 - Pure Mathematics
 - Teaching
- Nutrition, with options in:
 - Dietetics
 - Nutritional Sciences
 - Nutrition and Health
 - Teaching Certification
 - Nutrition Honors
 - International Nutrition
- Physics, with options in:
 - Computation
 - Radiation Physics
 - Space Sciences
 - Teaching
- Textiles & Apparel, with options in:
 - Apparel Design & Conservation
 - Retail Merchandising

Concentration Options in Natural Sciences

Cultural Studies
 European Studies
 Science, Technology & Society
 Women and Gender Studies

Elements of Computing

(Certification Program for Non-Computer Science Majors)

SCHOOL OF NURSING

Bachelor of Science

- Nursing
- Nursing with an accelerated ADN to BSN degree for students who have earned an associate's degree or a diploma in nursing

COLLEGE OF PHARMACY

Doctor of Pharmacy, a six-year degree; first 2 years of pre-professional study in the College of Natural Sciences.

SCHOOL OF SOCIAL WORK

Bachelor of Social Work

SCHOOL OF INFORMATION

Minor in Information Studies*

(MSIS and PhD graduate programs also available)

*Undergraduate minor and certification in Information Studies offered through the schools and colleges at UT Austin that grant undergraduate degrees. Contact your academic advisor for more information.

HUMANITIES PROGRAM

If no specific major completely suits your needs, you may wish to consider the Humanities Program. This program allows you to identify a research question to serve as a centerpiece for your self-designed major. To find out more about this program, call (512) 471-3458 or visit the website at www.utexas.edu/cola/depts/humanities.

SPECIAL ADVISING FOR LAW

SPECIAL ADVISING FOR HEALTH PROFESSIONS

There are no majors or degrees in the following areas. However, students can work with an advisor to tailor their individual curriculum toward a pre-professional program.

Health Professions Office, PAI 5.03
(512) 471-3172
<http://cns.utexas.edu/hpo>

Allied Health Education
Biomedical Communications
Biomedical Illustration
Chiropractor
Dental Hygiene
Dental Hygienist
Health Care Administration
Medical Records Administration
Occupational Therapy
Optometry
Physical Therapy
Physician's Assistant
Pre-Dental
Pre-Medical
Pre-Veterinary
Public Health
Rehabilitation Science

CERTIFICATE PROGRAMS

A certificate is awarded upon completion of requirements for a particular program. A certificate will not be recorded on a student's transcript, but can be included in other materials presented by a student (resume, application, etc.).

For more information:

Bridging Disciplines Program

(512) 232-7564
www.utexas.edu/ugs/bdp

Offering Certificates in:

Children and Society
Cultural Studies
Digital Arts & Media
Environment
Ethics and Leadership
Film Studies
International Studies
Social Entrepreneurship & Non-profits
Social Inequality, Health & Policy

Business Foundations Program

(512) 471-5485
