RESIDENCE HALL MANUAL

The rules and regulations in this manual were developed to serve the community’s best interests and are an integral and binding part of your residence hall terms and conditions. In addition, you are responsible for the information contained in your University Residence Halls Contract Terms and Conditions. Our ability to discipline students for failure to adhere to the rules and regulations is given in the Institutional Rules on Student Services and Activities from the General Information Catalog. We hope that you will find your residential community supportive and responsive to your needs.

Housing & Payment Information

Payments
Payments are due on the first of each month, beginning in October and ending in April.

Three Options
You may prefer to pay in 6 equal monthly installments (there is an $25.00 charge per semester for this option), half of the total bill at the beginning of each semester, or all at once.

1. Pay in full the total amount due for the long session by October 1.
2. Pay the total amount due for each semester. The fall semester payment is due October 1, and the spring semester payment is due February 1.
3. For an additional charge of $25 each semester, pay in six installments. The installments are due October 1, November 1, December 1, February 1, March 1, and April 1.

You will receive an e-mail reminder before each date your housing payment is due. Please keep your email address up to date on your student record. Any amount owed is still due whether you receive a reminder or not.
Your billing statement is available online. It reflects current activity on your housing account as well as the amount due. Housing charges for the fall will be available for you to view and/or pay starting in mid-August. Your first payment is due October 1.

**Summer Payments**
Payment for Summer bills are due in June and July (Summer Second Session only). Installments are not offered in the summer. A $25 late fee is added after the payment deadline.

**Late Fees and Service Charges**
A $25 late fee will be added to your account each time the minimum amount due is not paid on time. For Fall and Spring semesters payments are considered late after the first of each month. A $25 service charge is added to the second statement of each semester if the total semester balance is not paid in full by the first payment date of each semester. The semester payment dates are October 1 and February 1. A University financial bar is placed on your account when payments are late. The bar is cleared when the account is made current. You will not receive a bill. You can view the amount due from the What I Owe? page.

**Methods of Payment**

**Cash or Check**
Make checks payable to The University of Texas at Austin and include your UT EID on the check. There is a $25 returned check fee on all checks with insufficient funds.

The Electronic Funds Transfer (EFT) option allows the university to withdraw funds from your bank account upon your request via the What I Owe Web page. Set up your EFT payment from the web. Withdrawals normally take place within 24 hours but can take up to three business days to process. EFT payments returned unpaid are charged a $25 returned check charge.

**MasterCard, Discover or American Express**
Payments by Master Card, Discover or American Express can be made online from your “My Housing” page with an added convenience fee of 2.3% of the payment amount. The Division of Housing and Food Service and the Bursar's Office do not accept credit cards in person or over the telephone.

Contracts for Housing
Your contract is the document you signed or agreed to in order to reserve space in the residence halls. It is a legally binding contract containing important information, and you are expected to be familiar with all of the contract provisions. Here are a few important business details, some of which come from your contract.

For the Long Session, residence halls will close at 9 a.m. the day following the last day of final exams of the spring semester. Students graduating at the end of the fall and spring semesters will be provided housing without additional charge until 9 a.m. the day following commencement. Seniors must send a written request or e-mail to the DHFS Occupancy Management Team by the required deadline in December. After that date, requests will be accepted if space is available. Dining centers may be closed during these times. The contract also entitles DHFS to mandate a resident change rooms or halls as well as terminate the contract based on the contract’s provisions.
**Contract Release**
Residents will not be released from their room and board contract except for reasons described in the terms and conditions. Release from your residence hall contract is granted only if you are no longer enrolled with the university. The Terms and Conditions of the contract should be reviewed for specific details. If you leave the residence halls, you are still liable for all room and board charges per the Terms and Conditions of your contract. If you have additional questions, contact the DHFS Occupancy Management Team at 512-471-3136 or e-mail housing@austin.utexas.edu with questions. If you are asking to be released from your contract based on what the Terms and Conditions allow, please fill out the Housing Contract Release Request and send it to our office at PO Box 7666, Austin, TX 78713-7666.

**Terms and Conditions**
Your terms and conditions are part of the contract you sign to live in on-campus housing. Please read them carefully to ensure that you understand the expectations, policies, deadlines, etc.

**Dining & Food Services**

**Food Service Overview**
The Division of Housing and Food Service (DHFS) offers a wide variety of dining options for students. Every day, the hardworking staff of our DHFS dining venues prepares thousands of meals and provides quality service for hungry students, faculty, and staff at The University of Texas at Austin. A team of trained chefs, experienced dining managers, and a Registered Dietitian work together to develop innovative, trendy, and nutritious menus that offer a wide variety of taste sensations to customers.

DHFS offers two unique types of on-campus dining: “all-you-care-to-eat” and “a la carte” meal service. Jester 2nd Floor (J2) and Kinsolving Dining are the two "all-you-care-to-eat" or buffet-style dining facilities that are available at reduced pricing for residents. Our “a la carte” locations give students the chance to mix and match menu items by choosing exactly what they want from the individual dining stations within each venue. Students have numerous “a la carte” dining options to choose from across campus, including Jester City Limits, Cypress Bend Café, Littlefield Patio Café, Jester Java, Jesta Pizza, Jester City Market, Kin’s Market, and Freshens.

Students who live in a University Residence Hall can use their UT ID card to access both Dine In Dollars and Bevo Bucks to pay for meals on campus. Dine In Dollars are accepted in all DHFS-operated locations at each meal, with the exception of Littlefield Patio Café before 2:00 p.m. Bevo Bucks can be used on and off campus at participating locations.

**Dining Center Conduct and Food Service Locations**
It is your responsibility to conduct yourself in a mature manner at all times while in the dining center. Your cooperation is fully appreciated by your fellow residents. Meals served in the Kinsolving and J2 (Jester Second Floor) dining centers are buffet style; however, all food items must be eaten in the dining center. Use the tongs provided; do not handle food with your hands. Only items that you are eating may be carried out of the dining center (e.g., ice cream).
You are expected to help dining center staff provide better service by bussing your own dishes, including disposing of paper waste in the trash and recycling receptacles and putting silverware in the containers provided. Please pick up newspapers and reading materials. Please be considerate of other diners from 11 a.m. – 2 p.m., due to limited space we ask you to please leave the dining room after finishing your meal.

Tables and chairs should not be rearranged, and should be returned to the original position when you finish your meal. Shirts and shoes must be worn in the dining center. Creating unnecessary mess, not properly bussing dishes and wasting food increases staff and food costs. If you see a diner engaging in these behaviors, please ask them to stop, or notify a dining center supervisor or resident assistant (RA).

Buffet Locations
There are two "all-you-care-to-eat" or buffet-style dining facilities at reduced pricing for residents. All-you-care-to-eat meals are served in Kinsolving and J2 (Jester Second Floor) Dining Rooms. J2 offers unlimited buffet style dining with exceptional service, featuring different daily specials and an assortment of entrees, salads, soups, fruits, vegetables, and sides. One vegetarian soup option and one gluten free entrée are offered at every meal at J2. Enjoy unlimited buffet dining at Kinsolving as well with daily entrée and side specials, hamburgers, salads, soups, pastas, eggs cooked to order, breakfast tacos, and even Texas shaped Longhorn waffles!

**Dine In Dollars and Bevo Bucks**
For an academic year, Fall and Spring each resident receives 1,500 Dine In Dollars and 300 Bevo Bucks.

Hand your UT ID card to the cashier of each participating location to use your Dine In Dollars or Bevo Bucks. The cashier will swipe your card and your account will be deducted for the amount charged. You may view or download your transactions from the web.

When using your University ID in Division of Housing and Food Service locations, the ID card photo should match the individual who is receiving goods or services. If the photo does not match, Division of Housing and Food Service staff will confiscate the ID card and turn them into the appropriate residence hall desk, where it can be retrieved by verifying identification (exception: see Sick Tray Policy).

**Dine In Dollars**
- Are accepted in most DHFS locations and you receive a 10 percent discount on food items.
- You are charged the **reduced residential price** when used at buffet dining centers in Kinsolving Dining and J2 (Jester Second Floor).
- Add funds to your account at any time. Students should keep track of their Dine In Dollar balance. When the system finds a zero or near zero balance in Dine In Dollars, Bevo Bucks will be used. It is the student's responsibility to transfer funds from Bevo Bucks to Dine In Dollars to continue to receive the reduced residential price.
- After you leave the residence halls, your remaining Dine In Dollars are transferred to a non-resident plan that is called a rollover plan. The rollover plan may be used for one semester at DHFS locations before they are forfeited. This plan will receive a 10% discount on food items. Students returning to live in the residence halls the following semester may continue to use their remaining Dine In Dollars.

**Bevo Bucks**
- Are used at participating merchants on or off campus for purchases.
• Are used for laundry and vending in the residence halls.
• Receive a 10% discount on food items in all DHFS dining centers.
• Funds can be transferred to Dine In Dollars account.
• Add funds to your account at any time.
• Funds are refundable after graduation.

Your meal plan includes Dine In Dollars and Bevo Bucks. Amounts in each plan will vary depending on semester.

Bevo Bucks are included as a portion of your meal plan; however you must join the Bevo Bucks program if you wish to add Bevo Bucks.

Keep track of your Dine In Dollars and Bevo Bucks through the DHFS Web site.

Events
To add some fun and excitement to our regular dining services, we host weekly special events ranging from birthday parties to cultural dinners. These special events are held at J2 (Jester Second Floor), Kinsolving Dining Center, and retail locations. Our special events offer unique and exciting menu items that students may not get a chance to try otherwise such as traditional meals of varying cultures (African American, Mexican American, Thai, Chinese, and Indian) or the delicious nuances of specific foods (Blueberry and Strawberry Festivals, Chocolate Fountain, Cookie and Cupcake Decorating, Local Harvest Dinner, Sushi, and Whole Grains). If there is a type of special event that you would like us to host, let us know!

For more information, connect with us on Facebook: UTHousingandFood and Twitter: @UTexasDining.

DHFS Nutrition Services
The DHFS Registered Dietitian is available for free counseling sessions on a variety of topics for students who live and/or dine with DHFS. To schedule an appointment or for more information, contact the Dietitian at either 512-232-5636 or dietitian@austin.utexas.edu.

Online Menus
Not sure what to eat on campus? Check out dining hall menus online at www.utexas.edu/student/housing. To access full ingredient listings and nutrition information for the menu items, simply click on the “Nutrition” tab above each menu category, then select any menu item for detailed information about your favorite food items. This same information is available via “nutrition information centers” that are located in all DHFS dining facilities. These kiosks are large, touch screen monitors that allow you to view the menus from right within our dining venues.

Healthy Dining
Looking for healthy options in the dining halls? Look for the green “Healthy Suggestion” icon on the online menu for a guide to smart choices at your favorite DHFS dining venue. For more information, please visit our Nutrition Services web site.
Ever wondered what a Registered Dietitian eats? The “Dine with the Dietitian” programs allows students to meet with the DHFS Dietitian or Nutrition Team for a complimentary dining experience that will educate you on how to make healthy choices in the dining halls.

Follow DHFS on Twitter @UTexasDining and watch for our #UTHealthTips hashtag for helpful hints about staying healthy on campus.

**Food Identification Icons**

DHFS Nutrition Services provides many functions within the UT community, but one of the most important is the education and dissemination of information about food-related allergies, along with special dietary restrictions. If you have a dietary restriction, be on the lookout for the symbols below on the online menu and digital menu boards in the residential dining locations for a guide to appropriate dining choices.

- Contains Eggs
- Contains Fish/Shellfish
- Contains Milk
- Contains Soy
- Gluten Free Friendly*
- Contains Pork
- Contains Beef
- Contains Nuts (peanuts & tree nuts)

* Items labeled “gluten free friendly” are prepared with no gluten containing ingredients.

**Food Allergies and Special Diets**

DHFS is dedicated to providing support to students with food allergies through education, staff training, and reasonable accommodations in an effort to create a safe and inclusive collegiate dining experience. DHFS handles all food allergies and Celiac Disease cases on an individual basis. Therefore, it is the responsibility of the student to notify DHFS of a food allergy so that reasonable housing and/or dining accommodations can be determined in advance to ensure the safety of each student.

DHFS makes every effort to provide customers with the information they need to make decisions about which foods to eat in the dining venues. However, the possibility for a food allergic reaction exists within a community dining, often self-serve, setting. If you have been prescribed medication for your food allergy, it is recommended to carry it with you at all times, as DHFS employees are not permitted to administer any form of medication.

Students with medically diagnosed food restrictions who are requesting accommodations for dining are required to register with Service for Students with Disabilities (SSD) at [http://ddce.utexas.edu/disability/](http://ddce.utexas.edu/disability/) and contact the Registered Dietitian for additional information and available assistance through the DHFS Food Allergy Support Team.

**Vegetarian and Vegan Dining**

To make dining selections easier, DHFS identifies vegetarian and vegan menu items with easily recognizable icons.
Vegetarian: Does not contain meat, poultry, fish or by-products.

Vegan: Does not contain dairy, eggs, meat, poultry, fish or their by-products.

In addition, DHFS is proud to participate in a Meat-less Monday initiative, in which students are encouraged to skip meat at least one day a week, to promote their health and that of the planet! For those interested in learning more about meatless options on campus, the Vegetarian Focus Group meets the first Wednesday of every month. Attendees receive free entry for dinner that evening, get to sample new food items, can share their opinions on menu selections, and can connect with other vegetarians and vegans on campus.

Sick Trays
Your roommate or friend may request a sick tray permit from your residence hall office by presenting your ID. The permit and your ID must be presented in the dining room to pick up the sick tray; the dining staff will fill the order. For health reasons, you are not allowed to get a sick tray for yourself.

Tours
Groups conducting tours of the residence halls may request a tour of a dining location by asking for the supervision of that dining location. The supervisors will be happy to assist and to answer any questions.

Services for Students with Disabilities
If you have a medical or disability-related need that impacts your dining experience, you will need to submit a request and medical documentation to Services for Students with Disabilities (SSD). They will review the documentation you provide and forward our office the recommendations regarding your dining accommodations. All disability information will be kept confidential within the SSD office. Please read and complete the procedures found on the SSD website.

Suggestions for Food Service
We are always open and encourage new suggestions. Suggestion forms are available at each dining location. If you have any concerns, notify us immediately and detail your problem to a dining room supervisor.

Personal Responsibility & Student Conduct

Personal Responsibility
You will be held responsible for any activities or damages that occur in your assigned room. You are also responsible for your guest’s behavior as outlined in the Guest Procedure. You are responsible for respecting the rights of your roommate. You also have the right and responsibility to confront others, in a polite manner, who are violating residence hall procedure or University policy, especially if the individuals are not residents. It is also your responsibility to report violations of university or residence hall regulations.

Personal responsibility includes:

- Reporting damages to your RA, immediately.
- Treating residence hall property with as much respect as you would your own home.
- Speaking up and discouraging others from behaving irresponsibly in your hall.
• Encouraging a positive floor that builds "community spirit" emphasizing concern and respect for others.

**Alcohol**
Alcoholic beverages may be consumed and stored in resident rooms if all occupants and guests are 21 years of age or older. Residents of legal age who transports alcohol within a residence hall must use a closed, opaque container. Responsible use of alcohol is expected. Residents found to be intoxicated or potentially harmful to themselves or others may be detained for an assessment before being allowed into the residence hall; this assessment could include a call to emergency response or local law enforcement officials.

Drinking is not permitted in hallways, lounges, lobbies or other public areas of the residence halls. Alcohol is not permitted at any University Residence Hall-sponsored program or event.

Large containers or volumes of alcohol are not permitted in the University Residence Halls. This includes kegs, cases, party balls and other containers larger than one gallon. Empty alcohol containers will be viewed as evidence of consumption and may subject individuals to the University disciplinary process.

Providing alcohol to individuals less than 21 years of age or possession of alcohol by individuals under age 21 are violations of criminal law and University policy. Any resident suspected of violating any University rule pertaining to alcohol or a City or State law may be subject to disciplinary action by the University and/or response from local law enforcement. Disciplinary action on the part of the University could include adjudication by DHFS staff or a referral to the Office of the Dean of Students.

**Drugs**
The possession or use of illegal drugs or drug paraphernalia, as well as the illegal use of medically prescribed drugs, is prohibited in or about the residence halls and is considered a violation of the Institutional Rules. The possession or use of illegal drugs may result in suspension from the University, removal from the residence hall, and suspension of other rights and privileges.

Any student in violation of the University's regulations pertaining to drugs who is not suspended or expelled should expect, will at minimum, be referred to the Office of the Dean of Students and be subject to disciplinary action. Additionally, since the possession or use of illegal drugs is a violation of criminal law, it is possible for a violator to be subject to criminal action.

**Failure to Comply/Identify**
Students are expected to comply with all reasonable requests and instructions of University officials and DHFS staff members in the performance of their duties. Students must cooperate with staff, provide accurate information, and properly identify themselves to a University official when those staff members are in the performance of their duties. Students who fail to identify self with their student IDs or who are disrespectful to staff including (RAs, DAs, Maintenance Staff, Hall Coordinators, and Admins) are subjected to disciplinary response.
Guests

Guest Hours
Only residents and their guests are permitted in the residence halls. All residence hall guests staying beyond midnight must be registered. Guests should not be left alone in your room if you are not present on the floor. You may have guests from other floors, from other residence halls or from off-campus as long as they are properly escorted (see Guest Escorts). Overnight guests are not permitted before the beginning of classes, holidays or final examination periods. During university breaks, guest hours are subject to change; no overnight guests will be permitted beginning the evening of the last class day prior to a university break beginning (e.g., the Friday before spring break) through the conclusion of that break when classes resume. Overnight guests are required to sign in upon entering the residence halls. Failure to follow established guest hour policies will result in disciplinary action and forfeiture of guest privileges. Overnight guests must enter through the front entrance, entering or allowing others to enter through a side entrance is a policy violation.

All residence halls will be locked at or before midnight, seven days a week. Residents returning to the residence halls will be admitted upon presentation of proper identification (university ID). For your own protection, you are urged to tell your roommate or your RA about unusual destinations and expected times of return.

Guest Hours for Prather and Littlefield (Restricted Visitation)
Only residents and their guests are permitted in the residence halls. All residence hall guests staying beyond midnight must be registered. During these times, you may have guests from other floors, from other residence halls or from off-campus as long as they are properly escorted (see Escort Procedures).

Guest hours for the Prather and Littlefield Residence Halls are:

Sunday-Thursday: 10 a.m.-11:30 p.m.
Friday-Saturday: 10 a.m.-1:30 a.m.

To alter guest hours, two-thirds of all residents in the designated living group must vote by secret ballot in favor of any change. A floor meeting will be held during the first week of classes to provide information about the policy and how it affects the living environment. You are encouraged to promote a positive community atmosphere in the living unit and are responsible for enforcing the policies that have been established. Residents may only vote at the start of each semester to increase guest hours, but may vote at any time during the semester to reduce guest hours.

After the 12th class day of the fall semester, guest hours may be reduced or expanded within the following maximum times:

Sunday-Thursday: 10 a.m. - 1 a.m.
Friday-Saturday: 10 a.m. - 2:30 a.m.
During these times, you may have guests from other floors, from other residence halls or from off-campus as long as they are properly escorted (see Guest Escorts).

Opposite-sex guests are not permitted to visit your room at any time other than during designated guest hours. Guests should not be left alone in your room if you are not present on the floor. For security reasons, overnight guests are not permitted before the beginning of classes, holidays or final examination periods.

All residence halls will be locked at or before midnight, seven days a week. Residents returning to the residence halls will be admitted upon presentation of proper identification (university ID). For your own protection, you are urged to tell your roommate or your RA about unusual destinations and expected times of return.

**Guests/Overnight**

You are responsible for your guest’s behavior. By bringing a guest into the living environment, you must be willing to assume responsibility for your guest’s behavior. Guests are subject to the policies and procedures under which University Residence Halls operate. It is your responsibility to inform your guests of residence hall policies and procedures and to encourage compliance. While you cannot control another person’s behavior, you can control who you choose to have as a guest.

The decision to have an overnight guest must be mutually agreed upon by you and your roommate. An overnight guest is any guest staying past midnight. Guests staying past midnight must be registered at the front desk as overnight guests.

Guests may be invited to spend a maximum of consecutive 72 hours in the hall in any given 7-day period (see restricted visitation for Prather and Littlefield). No more than two overnight guests per room will be allowed. The host must register overnight guest(s) at the 24-hour desk for their hall. By registering a guest, the host is affirming that the stated individual is their guest and not the guest of another resident. It is a violation of university policy to register a guest under “false pretenses” in order to bypass existing guest hour policies. When the overnight guest is registered, the host must escort the guest at all times within the building.

Failure to register an overnight guest or to register as an overnight guest may result in disciplinary action. Mattresses or other bedding materials are not available for check out. Sleeping bags, foam pads and air mattresses may be rented through Recreational Sports. Overnight guests are not permitted before the beginning of classes, holidays or final examination periods. The Hall Coordinator may grant exceptions for immediate family.

Residents who violate the guest hour and overnight guest procedures are subject to disciplinary action.

**Guests/Overnight for Prather and Littlefield (Restricted Visitation)**

You are responsible for your guest’s behavior. By bringing a guest into the living environment, you must be willing to assume responsibility for your guest’s behavior. Guests are subject to the policies and procedures under which University Residence Halls operate. It is your responsibility to inform your guests of residence hall policies and procedures and to encourage compliance. While you cannot control another person’s behavior, you can control who you choose to have as a guest.
The decision to have an overnight guest must be mutually agreed upon by you and your roommate.

**Same sex guests** may be invited to spend a maximum of consecutive 72 hours in the hall in any given 7-day period. No more than two overnight guests per room will be allowed. The host must register overnight guest(s) at the 24-hour desk for their hall. By registering a guest, the host is affirming that the stated individual is their guest and not the guest of another resident. It is a violation of university policy to register a guest under “false pretenses” in order to bypass existing guest hour policies. When the overnight guest is registered, the host must escort the guest at all times within the building.

Failure to register an overnight guest is a procedure violation and will result in disciplinary action. Mattresses or other bedding materials are not available for check out. Sleeping bags, foam pads and air mattresses may be rented through [Recreational Sports](#). For security reasons, overnight guests are not permitted before the beginning of classes, holidays or final examination periods. The Hall Coordinator may grant exceptions for immediate family.

Residents who violate the guest hour and overnight guest procedures are subject to disciplinary action.

**Guest Escorts**

Guests must be escorted when visiting you. This applies to same-sex and opposite-sex residents of other residence halls, opposite-sex residents of the same hall, as well as off-campus visitors. All persons entering any residence hall may do so only if on official business with the hall desk or to visit residents. There are house phones located in each of the residence hall main lobbies and in each elevator lobby in Jester Center. The phones should be used by guests to alert you of their arrival.

If you live on a coed floor, opposite-sex guests are only allowed in your room during guest hours. If you live on a single-sex floor, opposite-sex guests are only allowed on your floor or in your room during guest hours (see Guest Hours).

The Escort Procedures protect students from unwanted solicitation as well as preserves the safety and security of the residence hall community. It is important that you and your guests understand and comply with these procedures. It is your right as a resident to ask individuals for identification and if they belong in your building. This includes unescorted guests and individuals who tailgate into the building. Noncompliant individuals should be reported to the desk or a residence hall staff member. Residents who do not escort their guests are subject to disciplinary action.

**Housing Family Members from Evacuated Areas**

The University, in conjunction with the City of Austin and County resources, will implement an Emergency Operations Center to respond to the situation. The University residence halls will open their doors to family members of residents who live in areas most impacted by adverse weather conditions. Other accommodations will need to be made for family pets.

- Family members will stay with the host resident. Family members should supply their own bedding materials.
- The host resident must register family members at the residence hall desk.
• Limited supplies of mattresses are available from the Kinsolving, Jester West and San Jacinto Desk.
• The host resident is responsible for escorting their family members in the building, to bathrooms, etc.
• Keys and access will not be provided to family members.
• Opposite-sex family members may stay with the host resident during this time. Existing same-sex procedures apply to guests who are not immediate family members
• Patience is the key to accommodating and helping out our friends and neighbors.

Harassment
Members of an educational community should adhere to standards of civility and good taste that reflect mutual respect. A respectful environment is free of harassment, violence and verbal abuse. It is the policy of the University to maintain an educational environment free from harassment and intimidation.

In an effort to foster an environment free from harassment and intimidation, Residence Life is committed to responding appropriately to acts of racism, sexism, heterosexism, ageism, ableism and any other force that seeks to suppress another individual or group of individuals. When acts of harassment or intimidation occur in the residence hall environment, the Residence Life staff, in conjunction with the Residence Hall Council, may lead a floor or hall meeting to discuss the incident and decide, as a community, appropriate steps that need to be taken to address the incident.

Residents who are suspected to have engaged in harassment as defined in the Institutional Rules will be referred to the Dean of Students for possible disciplinary action.

Incivility
Students are expected to behave in a civil manner that is respectful of their community and does not disrupt academic or residential activity. Uncivil behaviors and language that interfere with the privacy, health, welfare, individuality, or safety of other persons are not permitted.

Pranks
Pranks are considered a serious offense to community living. Individual or group activities that result in disturbances or distress to others, or that cause damage or destruction to property, are prohibited. Using or attempting to use University property in a manner inconsistent with its designated purpose is also prohibited. Residents who participate in pranks are subject to disciplinary action.

Quiet Hours
Quiet hours are enforced in all Division of Housing and Food Service spaces, including residence halls, lounges, and other spaces, from 10 p.m. to 9 a.m. The noise level during these hours should be such that if the room door is closed, a person walking down the hall could not hear anything. The use of headphones is strongly encouraged for music and video games. Beginning the week before final exams through the end of final exams, a 24-hour quiet period is expected. It is essential that residents' sleep and study needs are particularly respected during final exams.
In order to create an environment where a student’s right to sleep and study is given priority, general courtesy hours are in effect at all times in all Division of Housing and Food Service spaces. The noise level should be such that it does not interfere with the rights of others. Students are expected to respect the requests of others in regards to noise level and approach and respond to requests in a respectful and civil manner.

Playing musical instruments is permitted within the living area, as long as it is not disturbing others. The same guidelines outlined quiet hours and courtesy hours apply to the playing of musical instruments.

Students who continuously fail to maintain appropriate quiet hour standards may be reassigned to another area and may be subjected to disciplinary actions. Residents who violate quiet and courtesy hours are subject to disciplinary action.

**Sexual Assault**

It is the policy of the University to foster a campus environment free from intimidation and one in which students may be educated to their fullest potential. Therefore, the University will not tolerate physical abuse, threats of violence, physical assault, or any form of sexual assault.

The University offers a wide range of services for students dealing with sexual assault or harassment, and students are encouraged to speak with appropriate officials and discuss available options. The **UT Austin Title IX Resource Guide** has been designed for students at UT Austin so they are aware of their options and resources following a sexual assault. These include access to safety planning, reporting, counseling, and long-term healing. The purpose of the resource guide is to provide a roadmap of different offices on campus, as well as local and national organizations that can assist you as you make informed decisions.

You can access the UT Austin Title IX Resource Guide Online 24/7 at: http://www.utexas.edu/student-affairs/policies/title-ix

Sexual violence can happen to anyone, no matter their age, gender-identity, race, ethnicity, nationality, sexual orientation, class background, religion, or ability.

Sexual violence, including sexual assault, is a choice one person makes to ignore or deny someone else’s wishes and autonomy through violent sexual means. **Sexual assault is never the fault of the person experiencing harm,** no matter the circumstance or the type of relationship between those involved.

Common feelings shared by sexual assault survivors is they must somehow have been to blame for what happened. If you are having similar thoughts and feelings, it is important to remember nobody ever asks to be raped or sexually assaulted.

You are not to blame, even if you:
- had too much to drink.
- used drugs.
- froze in response to what was happening.
- did not fight back.
- have little or no memory of what happened.
- have had sex with this individual or someone else before.
- said "yes" to one type of sexual intimacy but not to what happened.
were sexually assaulted by someone who:
  • is related to you.
  • is popular/influential.
  • has the same gender identity as you.
  • you know and trust.
  • you did not know.

How you choose to move forward following an experience of sexual assault is a personal journey.

There is no right or wrong decision when seeking help and support. You have a right to choose who to tell your story to and if and when to pursue support from resources on and off campus. UT Austin supports the right of survivors to choose the options that best meet their needs.

Confidentiality and Mandatory Reporting
Due to federal law, many UT employees including resident assistants, hall coordinators and area managers in the Division of Housing and Food services are considered responsible employees of the University. Depending on the amount of detail you share with a ‘responsible employee,’ such as the name of the accused, whether the accused is an employee or student of UT Austin, and/or the location of an incident, you may provide enough information that they are mandated/required to report it to the Title IX Coordinator.

The only employees of the University that have the privilege of private and confidential support on campus are:
  o licensed mental health practitioners (i.e. licensed clinical social workers, licensed counselors, psychologists, psychiatrists) at the UT Counseling and Mental Health Center (CMHC)
  o licensed medical staff (i.e. nurses and doctors) at University Health Services (UHS)

If you are not sure or not ready to report to the University, please consider speaking with a CMHC or UHS employee to discuss your options in a private and confidential setting.

If you are Sexually Assaulted

You are not alone. There are people on campus and in the community who can provide valuable support.

Consider making a confidential Voices Against Violence (VAV) Advocacy appointment
VAV Advocacy is a confidential meeting meant to provide a student with information about their rights and options. This informational appointment assists survivors in identifying which choices make the most sense for them. All VAV Advocacy appointments are held in the Counseling and Mental Health Center, on the 5th floor of the SSB during business hours (8am-5pm, M-F). CMHC appointments, including VAV Advocacy, are confidential and not part of the academic record. Students seeking VAV Advocacy do not need to disclose the details of their experience in order to access support.

Immediate Medical Attention
Even if you do not notice obvious injuries to your body, it is highly recommended you seek medical care as soon as possible after a sexual assault. You may have internal injuries or be in shock, which might prevent you from fully realizing the extent of any injuries. Immediate medical attention will also provide you with more options to prevent the risk of sexually transmitted infections (STI’s) and pregnancy.
The exam can only occur within the first 120 hours (five days) after a sexual assault with police involvement and 96 hours (four days) without police involvement. You have the right to bring a friend, family member, or sexual assault advocate with you to support you during this time. The non-report option preserves the evidence for two years, during which time you can make the decision about whether or not to pursue criminal charges.

St. David's Hospital (919 E. 32nd St., ER phone: 512.544.4240) is the only facility that provides this kind of forensic examination for adults. If you know you would like to report to the police, UTPD (512.471.4441) or APD (512-974-5037) can provide transportation to St. David's Hospital. For more information about getting an exam please visit the Texas Sexual Assault Nurse Examiner (SANE) Program’s website: http://austinrapehelp.org/

**Reporting Options**

- Students have the right to report what happened to them under federal law.
- Survivors have the right to work both with campus offices and law enforcement, or neither.
- If the incident occurred on campus, a report may be filed with the UT Police Department (UTPD) by calling 911 or visiting UTPD headquarters at 2201 Robert Dedman Drive (across from the Manor Garage and the football stadium).
- At the time of the incident, if the accused was a current UT Austin student, you may report it to Student Judicial Services or if the accused was a current UT Austin employee, you may report it to the Office of Institutional Equity.
- If the accused has no connection to the University, you may choose to report to UTPD by calling 911.

**Sexual Harassment**

The same as sexual assault or sexual misconduct, the university has a commitment to providing an educational environment for students that is free from inappropriate conduct of a sexual nature. Sexual harassment is a form of gender discrimination. It involves unwelcome advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made an explicit or implicit term or condition of employment or one’s status as a student in a course, program or activity;
2. Submission or rejection of such conduct is used as a basis for employment or educational decision affecting an individual, or
3. Such conduct has the purpose of effect of unreasonably interfering with an individual’s work or educational performance, or creates an intimidating environment.

If you feel that you have been sexually harassed the Residence Life Staff encourages you to:

- Ask your RA or Hall Coordinator for assistance.
• Report the sexual harassment to the Title IX Coordinator or Title IX Deputies:

  - Institutional Title IX Coordinator Jennifer R. Hammat, Ed.D., Assistant Vice President for University Compliance Services, Institutional Title IX Coordinator, Clery Act Coordinator & Minors on Campus Coordinator University Compliance Services 302 Flawn Academic Center (FAC) 512-471-1133
  - Deputy Title IX Coordinators
    - Christa F. López, Associate Director of Student Emergency Services Office of the Dean of Students 4.104 Student Services Building (SSB) 512-471-5017
    - Travis Gill, JD, Director of Investigations and Outreach Office of Institutional Equity 4.302 North Office Building A (NOA) 512-471-1849

**Social Networking and Internet Use**
The Division of Housing and Food Service advises all UT residents to be responsible for the information they post online in electronic communities. We recommend that students monitor their own personal activities to ensure that their safety and reputation are not compromised.

While it is not our practice to go "surfing" for resident information, Housing staff may take into account information posted on online communities (e.g., Facebook, MySpace, Instagram, Twitter) during judicial investigations.

**Cyber-stalking and Bullying**
Using electronic media, such as the Internet, email, or other electronic communications devices, to repeatedly threaten or harass another person is a crime. Cyber-stalking is similar to physical stalking in that the stalker’s intended purpose is to exert or maintain control over their victim. In many cases, the person being stalked is familiar with the stalker. Cyber-bullies send hateful e-mails, postings, or text messages to taunt their targeted victims.

Residents who are suspected to have engaged in cyber-stalking or bullying will be referred to the Dean of Students for possible disciplinary action.

**Vandalism**
Your active involvement in reducing damages within your community is encouraged as this damage may cause injury, inconvenience to other members of the community and reduce the amount of money available for hall improvements. Vandalism includes, but is not limited to, damaging residence hall property, graffiti, placing trash in the hallways, damaging bulletin boards and other destructive activities not appropriate for the residence hall community.

When responsible individuals cannot be identified, the community may be charged the cost to repair the vandalism. If and when necessary, a reward may be offered to the person(s) with information that leads to the identification of the responsible person. Reward information will be posted in the residence hall.

Residents who vandalize residence hall property are subject to disciplinary action.
Judicial Process
The Dean of Students has primary authority and responsibility for the administration of student discipline. The dean works cooperatively with faculty members in the disposition of scholastic violations, with appropriate staff members in the Division of Housing and Food Service in the disposition of residence halls violations, and with other appropriate staff members in the disposition of other types of violations. More information on the disciplinary authority of the Dean of Students may be found in Chapter 11 of the Institutional Rules on Student Services and Activities.

All residents are expected to abide by all city, state, and federal laws/statutes, all regulations of the University and University of Texas System, as well as all specific housing policies articulated in the Residence Hall Manual. Failure to abide by such laws and rules subjects the student to possible disciplinary action by the University and/or criminal prosecution if warranted. In some situations, a specific act (such as underage consumption of alcohol) could be a violation of city law, University rules, and housing policy. In the context of suspected rule violations occurring in campus residence halls, alleged misconduct will be documented and referred to the Hall Coordinator of that area. Depending on the nature of the allegation and the totality of the circumstances, the Hall Coordinator may refer the allegation to the Dean of Students for resolution or adjudicate the matter through the housing judicial process. Cases referred to the Office of the Dean of Students will be resolved according to the provisions of Chapter 11 of the Institutional Rules on Student Services and Activities. The Housing judicial process involves the student alleged of misconduct holding an administrative conference with the Hall Coordinator or Area Manager as well as the possibility that the case will be referred to the Student Judicial Board.

In cases that remain in housing for adjudication, the Hall Coordinator will send the resident an e-mail message that gives the date, time and location of a disciplinary conference that will take place at least 2 business days after the date of the message. The disciplinary conference will be either a Student Judicial Board conference or an administrative conference with the Hall Coordinator. Both processes are designed to provide residents with due process and are considered equivalent methods of resolution for judicial cases. The Judicial Board and Hall Coordinator retain the right to refer a case to the Area Manager.

Failure to attend the scheduled conference or reschedule in advance, as outlined in the Notice of Incident and Conference, may result in the case being adjudicated in absentia, or may result in a bar being placed on the student's record through the Office of the Dean of Students. Failure to complete required sanctions may also result in a bar being placed on the student's record.

Judicial Board Conference
The DHFS Residence Hall Judicial Board provides residence hall students a means to have disciplinary cases adjudicated in a peer level environment. The Judicial Board does not hear conferences that involve policy and procedure violations allegedly committed by student staff members, as alleged policy and procedure violations by student staff members are addressed through the DHFS employee discipline process. The Judicial Board conducts itself as a formal conference process for the Division of Housing and Food Service. The unique advantage of a Student Judicial Board lies in the ability of its members to influence the attitudes and subsequent behavior of other students through a formally constituted judicial mechanism. DHFS holds that, peer influence, exercised through the judicial process, can often be
more effective in redirecting the behavior patterns of students than any other method of discipline within the institution. Judicial Board members live in the residence halls and undergo a rigorous application and interview process in order to be chosen as a Judicial Board member. Once chosen, each J-board member attends training to prepare them for their role as student conference officers.

At a Student Judicial Board conference, the student(s) present their evidence to the Judicial Board and respond to the questions from the Judicial Board, who determine whether the greater weight of credible evidence supports a finding that the student(s) violated the rule under consideration and, if so, what sanction(s) are appropriate. The Judicial Board is composed of student volunteers who reside in the halls. Accused students in a Judicial Board Conference reserve the right to call witness on their behalf and also hear all testimony presented against them during the conference. If a student fails to attend a Judicial Board Conference or disputes the Judicial Board’s finding by electing not to sign the case summary form, the Student Judicial Board Chairperson will send the student written notice of findings and sanctions when they are issued. A resident has the right to appeal the decision.

Administrative Conference
At an administrative conference, the Hall Coordinator, Area Manager, or other designee appointed by the Director of Residence Life (hereinafter “Judicial Administrator”) meets personally with the student accused of misconduct and provides the opportunity for the student to respond to the allegations under consideration. The Judicial Administrator maintains the right to consider all relevant evidence including, but not limited to, documents, witness statements and/or interviews, as well as hearsay evidence. After completing the investigation, the Judicial Administrator will determine whether the greater weight of credible evidence supports a finding that the student violated the rule(s) under consideration and, if so, what sanction(s) are appropriate. With an administrative conference, the accused student does not retain the right to personally hear all testimony or call witnesses as with the Student Judicial Board.

If a student fails to attend an Administrative Conference or disputes the Judicial Administrator’s finding by electing not to sign the case summary form, the Judicial Administrator will send the student written notice of findings and sanctions when they are issued. A resident has the right to appeal the decision.

Evidence
The Student Judicial Board and Judicial Administrator use “the Greater Weight of Credible Evidence” in order to determine whether an accused student violated the rule(s) under consideration. As in a court of law, the resident is always innocent unless proven otherwise; however, unlike a court of law, the standard of evidence that must be presented to the Student Judicial Board or Judicial Administrator in order to prove that a resident violated procedure is less stringent. "The Greater Weight of the Credible Evidence" refers to the measure of credible proof on one side of a dispute as compared with the credible proof on the other. The weight of evidence is based on the believability or persuasiveness of evidence. Evidence that is indefinite, vague, or improbable will be given less weight than evidence that is direct and not refuted.

The Student Judicial Board and Judicial Administrator will consider evidence that possesses probative value and is commonly accepted by reasonable people in the conduct of their affairs. Irrelevant, immaterial and unduly repetitious evidence may be excluded.
**Appeal Process**
A resident had the right to appeal the decision issued by the Judicial Administrator or Judicial Board. Resident appeals must be submitted in writing to the appropriate Area Manager within 48 hours of the decision. If the original Judicial Administrator was the Area Manager, the appeal should be submitted to the Director of Residence Life. The Director of Residence Life is the final arbiter in the appeal process for cases resolved by the Student Judicial Board or Judicial Administrator. Written appeals should include:

- A short summary of the alleged violation and resulting disciplinary sanction
- Whether you are appealing the violation, the sanction, or both
- A short, clear explanation of why you feel you are not responsible for the violation and/or why you feel that the sanction is not appropriate
- A brief explanation of your desired course of action

**Residence Hall Sanctions**
A sanction is an educational measure implemented by the Student Judicial Board or Judicial Administrator designed to affect a change in behavior and to help the student understand how their behavior impacted others in the residence hall community. In addition to the loss of privileges, educational sanctions may be assigned that are reasonably designed to positively impact the student’s understanding of the rule under consideration and/or responsibility as a member of the residence hall community. Examples of educational sanctions include, but are not limited to, on-line educational modules, meetings with University staff members, educational/reflection papers, poster assignments, or presentations at hall meetings.

**Standards for completing an assigned sanction**

**Educational paper standard requirements**
1. Topic, completion date, and length will be included in the Notice of Sanction e-mail sent by Hall Coordinator/Judicial Board.
2. All papers should be in 12-point, Times New Roman font.
3. All papers should have 1-inch margins.
4. All papers should be double-spaced.
5. All papers should be of University caliber (meeting all University standards for a paper).
   a. Quality comparable to that of an academic assignment.
   b. To University academic honesty standards regarding plagiarism and citing sources.
6. Work should be returned by e-mail as an MS Word document to the contact person identified in Notice of Sanction e-mail.

**Poster assignment**
1. Topic and completion date will be included in the Notice of Sanction e-mail.
2. Size should be 11" x 8"
3. Coordinate with RA for approval and location to be displayed.
4. The Hall Coordinator or Judicial Board Chair identified in the Notice of Sanction e-mail must be notified by upon completion. The student should include the name of their RA in the correspondence. The sanction will not be complete until this is done.
Failure to complete sanctions by due date

1. Failure to complete required sanctions may also result in a bar being placed on the student's record.
2. Bars will restrict access to University services including libraries and registration.

General Community Policies & Guidelines

Abandoned Property
Property left in your room after you have checked out will be removed and stored. You will also incur improper checkout charges. You will be notified in writing and given 30 days from date of notification to claim all items in person. If items are not claimed within 30 days, DHFS will dispose of these items in accordance with University policy. To claim items, you will need to provide proper identification. We will only release items to the resident to whom they belong, unless the resident has provided written notification to us to have another individual retrieve the items. Items will not be mailed.

Campaigning and Election Activities and Student Advocacy
Speakers’ forums on political issues may be held in designated public areas of residence halls when co-sponsored by the University Residence Hall Association or the Residence Hall Council of the building where the event is held. Only registered student organizations can sponsor advertisements in the University Residence Halls on behalf of a specific candidate, campus, local, state or national political office. Organizations may not campaign in public areas of the halls or door-to-door.

Display of signs and posters in the window of individual student rooms is permissible provided they are not in violation of the Institutional Rules on Student Services and Activities.
A student or student organization not affiliated with the University Residence Hall Association may not distribute petitions, handbills or literature in any residence hall or dining room. Residence Hall Councils may distribute information with approval. Institutional Rules on Student Services further defines student advocacy.

**Donation Drives**
Campus and non-campus organizations may request approval to conduct donation drives (blood, books, clothing, canned goods, etc.) in lobby areas of the University Residence Halls when the collection directly benefits a charitable organization. Door to door collections are not permitted. Donation drives may not be conducted in residential dining halls or convenience stores.

Individual Residence Hall Councils (RHC), in conjunction with approval from the building Hall Coordinator, may sponsor collections in their own residence hall. When a group is requesting that collections be made in every residence hall, the University Residence Hall Association (URHA), in conjunction with approval from the URHA advisor, may sponsor the collection. Only one organization will be approved to collect items during any one given time period.

The approved organization is responsible for providing the collection bins, a sign on the bin indicating which charity benefits from the collection and the sponsoring organization, including the sponsoring building RHC or URHA, and regular pick-up of the collection bins. The collection period is limited to a maximum of one week.

**Drinking Vessel Policy**
In support of the University commitment to sustainability, staff and students who are members of the Division of Housing and Food Service (DHFS) community are expected to bring their own drinking vessels to DHFS sponsored meetings, programs, and events. Beverages will be served from 1 to 5 gallon air voids or other bulk containers, and a small number of recyclable or compostable cups may be provided for participants who forget or do not have their own drinking vessel. DHFS is also committed to educating program attendees about its sustainability commitment and practices. A reusable drinking vessel will provided to residents and placed in their room upon check-in to the Residence Hall.

**E-mail**
E-mail is a mechanism for official University communication to students. The University will exercise the right to send e-mail communications to all students, and the University will expect that e-mail communications will be received and read in a timely manner. Every student must provide the University with his or her official e-mail address using the online Address Change form in UT Direct. The student’s official e-mail address is the destination to which the university will send official e-mail communications.

It is the responsibility of every student to keep the university informed of changes in his or her e-mail address. Consequently, e-mail returned to the University with "User Unknown" is not an acceptable excuse for missed communication.
All admitted and enrolled students may claim an e-mail address at no additional cost as provided by Information Technology Services. See the UT mail Web Site for information on obtaining an e-mail address.

**University Electronic Mail Student Notification Policy** (Use of E-mail for Official Correspondence to Students)

- Various locations may require a DHFS staff member to be present during the entire shot. Cost per hour: $35.00.
- Depending on location and operation of facility, filming may be restricted to normal business operating hours.
- Filming that requires physical alterations to the site will not be approved. Lighting and electrical power is limited what is available at the requested site. DHFS will also not install additional lighting or electrical outlets. The film crew may provide additional portable lighting if necessary.
- Filming in Jester City Limits, Littlefield Patio Cafe and Cypress Bend is allowed. Filming in Jester Second Floor Dining (J2) or Kinsolving Dining Hall is not permitted.
- Residential hallways are considered private areas. Filming in these areas is generally not permitted.

**Keys and ID Cards**
Room keys will only be issued to the contract holder. University keys may not be duplicated. Possession or use of university keys other than those officially issued, tampering with university locks, or loaning your key to another individual are violations of residence hall procedure and are subject to disciplinary action. Keys must be turned in to the 24 hour desk of the hall when checking out of the hall.

Residents who lose or temporarily misplace their room key and/or university ID should immediately go to the appropriate 24 hour desk to check out a temporary key and/or ID card to gain access to residential living areas and dining facilities. A temporary key and/or ID card may be checked out for a maximum of 72 hours.

For safety and security reasons, upon immediate request of the resident or if the original key is not returned within 72 hours, a lock change will be ordered and charged to the resident.

There is a $75 charge to pay the cost of labor and materials for lock changes. Once the Maintenance Request has been entered, there can be no reversal of the order and the resident will be required to pay the full amount. A bent or broken key will be replaced at no charge as long as there is no evidence of vandalism; otherwise, there is a $20 replacement key charge. The bent or broken key must be turned in with your request to replace it. If the bent or broken key is not returned, the resident will be charged $75 for a lock change.

One of the wonderful aspects of your UT ID card is that it can be used at your own personal convenience. However, if it is lost, stolen or permanently misplaced, it is critical that you deactivate your ID online or by contacting your residence hall desk. The residence hall desk will provide you with a temporary card for purchases (in DHFS locations only, including vending and laundry) and door access. You will need to get a new UT ID at the ID Center. The ID Center is located on the main floor of the Flawn Academic Center. There is a replacement card cost.

For security purposes, obtaining a temporary ID card disables your university ID for door access, Dine In Dollars and Bevo Bucks. You can deactivate your university ID card online (https://utdirect.utexas.edu/idcenter/lostid/lostid.WBX). If you choose this method of deactivation you must get a new ID card from the ID Center and pay them $10. For more ID Information, visit the ID Center (http://www.utexas.edu/its/idcenter). The ID Center is located on the main floor of the Flawn Academic Center.
If the temporary card is not returned within 72 hours, the temporary card will be deactivated and the resident will be charged a $10 replacement fee. The resident will also receive an e-mail reminder to return the temporary card. Residents are responsible for obtaining a replacement University ID card from the University ID Center, located in the Flawn Academic Center. Each resident is permitted a total of four temporary key and/or temporary ID cards checkouts per year. Subsequent key and/or ID checkouts may result in disciplinary action and a $10 charge being assessed per occurrence.

Each resident is permitted a total of four temporary key and/or temporary ID cards checkouts per year. Subsequent key and/or ID checkouts may result in disciplinary action and a $10 charge being assessed per occurrence.

When using your University ID in Division of Housing and Food Service locations, the ID card photo should match the individual who is receiving goods or services. If the photo does not match, Division of Housing and Food Service staff will confiscate the ID card and turn them into the appropriate residence hall desk, where it can be retrieved by verifying identification (exception: see Sick Tray Policy).

Residents found in violation of the temporary ID, University ID, or temporary key procedure are subject to disciplinary action.

You may not pick up or sign for a package under a different or assumed name. Packages cannot be delivered to your room. Refer to your specific residence hall for hours during which you can retrieve packages. If you have a missing package, notify your front desk and file a report with University Police Department at 512-471-4441.

Mailbox
Mailboxes are provided for distribution of U.S. Mail, Campus Mail and official residence hall announcements. It is a student’s responsibility to regularly check his or her mailbox. Residence Hall Councils may request permission from the Area Manager to distribute information. Individual students and non-resident student organizations may not request information to be distributed.

Mail Forwarding
It is YOUR responsibility to change your local address with the university when you leave the residence hall. You can change your address over the Web. Your residence hall staff will forward first-class mail for 30 days following check out. Letters from the Office of Financial Aid are not forwarded and will be returned to the Office of Financial Aid. If you have not updated your local address with the university by checkout time, your mail will be forwarded to your permanent address on file. If you have updated your local address by check, out we will forward mail to your new local address.

Due to the limited forwarding policy, it is imperative that you promptly notify all correspondents of any planned address change. After 30 days, all mail, including first-class mail, will be returned to the U.S.
Postal Service and marked "return to sender." No mail will be forwarded during holidays and university breaks. It is your responsibility to contact newspaper and magazine vendors to update addresses.

**Special Deliveries**
As a service to students, flowers, cakes and fruit baskets for special occasions may be dropped off at area desks by vendors for resident pick-up. The vendor is responsible for contacting residents to inform them that a delivery is ready for pick-up. The Division of Housing and Food Service is not responsible for items delivered to area desks by vendors. Concerns with delivery should be addressed directly to the vendor. Residence hall mailrooms and desks will only accept mail and packages delivered by the U.S. Postal Service or a certified shipping company. It is the responsibility of the delivery/courier service to contact the resident via the telephone located in the lobby of each residence hall to arrange pick-up.

**Missing Persons Notification Procedure**
On August 14, 2008, the Higher Education Opportunity Act was signed into law. As a direct result of this act, a Missing Student Notification Procedure was created to address appropriate response to reports of missing students. The Missing Student Notification Procedure applies to all students who reside in on-campus housing.

All students who reside in on-campus housing must designate another individual as a missing student contact. This individual will be notified by the university if the student is determined to be missing for more than 24 hours. A list of titles of the persons or organizations to which students, employees, or other individuals should report that a student has been missing for 24 hours is below:

- Any Resident Assistant
- Any Hall Coordinators
- Any Office of the Dean of Students staff member
- Any UTPD officer

Notification will be made to the designated missing student contact and UTPD for students of any age who reside on-campus and are determined to be missing for more than 24 hours. The Missing Student Notification Procedure also covers emancipated students under 18 who reside on-campus, and stipulates that the student’s custodial parent or guardian must be notified within 24 hours after the student is determined to be missing. Your contact information will be registered confidentially and accessible to authorized campus officials only. This information may not be disclosed except to law enforcement personnel in furtherance of a missing person investigation.

Many missing person reports in the university environment result from someone changing their normal routine and failing to inform others of this change. Students can take a proactive role in supporting the Missing Student Notification Procedure by:

- Keeping emergency contact information up-to-date on a semester basis with your institution
- Updating friends and family members with changes to e-mail, cell and other contact information
- Making sure that a roommate, designated friend, and/or family member knows how to reach you and what your routine is
- Establishing a habit of “checking in” with family and friends on a regular basis

If you believe a student who resides in on-campus housing is missing, please notify your Resident Assistant, Hall Coordinator, member of the Office of the Dean of Students, or UTPD immediately.
For additional information, please reference Appendix A (Emergency and Missing Student Notification Policy) of the General Information Catalog 2014-2015.

**Motorcycles and Mopeds**
Motorcycle and moped parking areas are located near each residence hall. Motorcycles and mopeds must be registered with Parking and Transportation Services to be parked on campus. Mopeds may not be chained to sign posts, railings, bicycle racks or any other university property. Due to fire hazards and concern for the general safety of residents, motorcycles, mopeds, motor scooters and other combustible engine vehicles are not permitted in the residence halls. Students who bring motorcycles or mopeds into residence halls are subject to disciplinary action.

**Musical Instruments**
Playing musical instruments is permitted within the living area, as long as it is not disturbing others. The same guidelines outlined under Quiet Hours apply to the playing of musical instruments. Residents who violate the musical instrument procedure are subject to disciplinary action.

**Personal Property**

### Retrieval of Personal Property
If you drop something down an elevator shaft, plumbing fixture, heating or cooling unit, or if you need an item retrieved for any other reason, fill out a Maintenance Request Form. A maintenance technician will attempt to retrieve your belongings as soon as possible. If it is a valuable item and it can be lost if not retrieved immediately (e.g., jewelry dropped down the drain), contact your front desk and ask for an emergency work order. Maintenance staff will respond as soon as possible. Emergency work orders after hours will have a longer response time. Items will be retrieved at your expense. A charge will apply whether or not the worker is successful in retrieving the lost item. A minimum charge of $20 will apply. An actual charge will apply if retrieval takes longer than 30 minutes. For after-hours emergencies, a minimum charge of $100 will apply.

### Damage of Personal Property or Injuries (University Liability & Resident Responsibility)
In the event of a theft, UTPD should be contacted immediately and the incident also reported to your Resident Assistant. The University and the Division of Housing and Food Service (DHFS) will not consider any claims resulting from theft. You should work with UTPD for resolution.

The University and DHFS are not responsible for loss or damages to personal property by theft, fire, or other casualty, whether such losses occur in your room, public areas, or elsewhere in the residence hall. The University and DHFS do not assume any liability for personal injury or personal property damage resulting from mechanical failure of the water, gas or electrical system; or for negligence by building occupants. The University and DHFS are not responsible for loss or damage to personal property as a result of fumigation or pest control. If you wish to protect yourself from the possibility of such losses or injury, it is your responsibility to secure an insurance policy that will meet your individual needs.

While the University and DHFS do not assume any liability, DHFS may review on a case-by-case basis claims for personal property damage resulting from mechanical failure (as defined above.) You must report the damage or injury to your Resident Assistant within 24 hours following the incident. A Preliminary Summary Report must be submitted by your Hall Coordinator to DHFS within three (3) business days of the incident. You are required to present your complete claim for damages within thirty
(30) days of the incident resulting in the damages. No claims will be considered if presented after thirty (30) days of the incident resulting in the damages.

The following criteria must be met for consideration of a claim:

- Damage or Injury is beyond your control.
- Damage or Injury reported to your RA within 24 hours following the incident.
- RA to inform Hall Coordinator so they can prepare a Preliminary Summary Report and submit to DHFS within three (3) business days of the incident. Hall Coordinator will copy the Area Manager when the Preliminary Summary Report is submitted.
- Complete claim for damages must be submitted within thirty (30) days of the incident. No claims will be considered for payment if submitted after thirty (30) days of the incident.
- Do not throw away your damaged property. Damaged personal property must be turned in to DHFS for inspection.
- Original or duplicate purchase receipts must be submitted with the personal property. In lieu of a receipt, documentation of pricing for a new item may be considered.

If the personal property is salvageable, DHFS has the option to return the property and take no further action or launder and/or repair the property and return to you.

If upon DHFS inspection the personal property is deemed a total loss and DHFS pays you for the personal property, the property will not be returned to you; upon payment by DHFS it becomes property of the University and DHFS.

If reimbursement is approved, remuneration may be for a depreciated value.

**Pets**

Residents are permitted to have fish in small aquariums in their rooms. Any other animals found in the residence hall must be immediately removed. The removal and any necessary cleaning, repairs and/or pest control will be done at the expense of the resident(s) responsible who will also be subject to disciplinary action. Residents who have pets or animals other than fish in their rooms may face disciplinary action.

Students are permitted to have one aquarium per residence hall room provided that the aquarium is stocked with (non-dangerous) fish only. Aquariums must be no larger than 5 gallons. Snakes, turtles, salamanders, newts, frogs, and rodents are specifically prohibited. Remember to plan for your fish over break periods. Aquariums must be unplugged before you leave. The temperature of the water will fluctuate, thus putting your fish at risk.

**Posters**

**Student Room Window and Door**

Residents may display signs and posters in their residence hall room windows as long as the signs/posters comply with University policies regarding Prohibited Expression and Signs and Banners. Postings must also comply with health, fire, and life safety codes (see Decorations). Posters or other flammable materials may cover no more than 20 percent of any one wall; that 20 percent may include the window. Residents may post two 8.5" x 11" flyers on their room doors or adjacent tack boards;
Housing staff may post nametags on doors. Residents and Housing staff should use appropriate posting adhesive to protect the finish of the door and wall surfaces. Students should use tack boards in the room and on the door where available. Resident room doors may not be used for solicitation.

Residence Hall Public Areas
Housing staff may post flyers and bulletins, using appropriate posting adhesive, as needed in residence hall public areas. Two 8.5" x 11" flyers concerning University and residence hall policies or announcements are allowed on doors leading from public areas (e.g., main thoroughfares, leading from main building entrances or elevator landings) to private areas (e.g., residential living area hallways). Two 8.5" x 11" flyers for pertinent announcements, policies, deadlines, etc., are allowed on community bathroom doors. Floor bulletin boards are for use by Housing staff and Residence Hall Councils. With approval of the area desk, registered student organizations may post signs on bulletin boards located in the public lobbies of residence halls, as directed by residence hall staff. Alcohol may not be mentioned or represented in any way. Bulletin boards may not be used for solicitation or sale of items. Signs may not violate any state or federal law or University regulation, including solicitation procedures. Signs that are improperly hung, have not been approved, or do not follow these guidelines will be removed.

Housing staff may post directional signs, announcements, and information in residence hall public areas and floor bulletin boards concerning conferences and meetings held in the building. Residents who violate the posting procedures are subject to disciplinary action.

Aspirational Statement
Postings, whether on doors or windows, should respect the mission and values of the university residence halls, which include providing all residents with a "comfortable, friendly environment" and "sense of community." Posters should not engage in gratuitously offensive expression that might be destructive of the desired community. Gratuitous insult is seldom persuasive. Nevertheless, the University encourages all members of its community to support the freedom of speech. Students are free to communicate their ideas vigorously; those who are exposed to such ideas, whether in the classroom, the grounds of the campus, or in the residence halls, should tolerate the expression even of views that they find offensive or unacceptable. Students who passionately disagree about important matters should be able to confront one another civilly and to recognize that, despite profound differences, they are engaged in the common pursuit of truth. The best response to offensive speech is more free speech.

Room Change
Each student living in the University Residence Halls is expected to respect individual rights and follow community living standards. The behavior of students who choose to disregard residence hall community standards and roommate contracts agreed upon by both roommates will be addressed through the disciplinary system. If warranted, the student may be required to change rooms, be removed from university housing or be barred from contracting for future premises and services.

The Division of Housing and Food Service is responsible for approving all assignments and reserves the right to reassign individuals to other rooms or residence halls in event of roommate or hall conflict, pending disciplinary action and non-compliance with university regulations. Unauthorized room changes are subject to improper checkout charges and cancellation of the move.
Your RA is available to discuss room assignment problems and future room change requests. Room change requests during the semester must be submitted online to be approved by your Hall Coordinator. The room change form can be found online. Room changes must be completed within 48 hours after receiving approval or move may be cancelled or resident will be charged for both rooms. Except for extenuating circumstances, no room changes are made during the first 12 days of a new session or the last two weeks of a session.

**Room Entry**
While respecting your personal privacy at all times, the University reserves the right to authorize entry into your room for the following reasons:
- To investigate violations of University regulations or federal, state or local laws
- For health, fire and life safety room inspections
- When your welfare and/or the welfare of the residence hall are concerned
- To ensure proper care, maintenance and safety of the facilities as well as make necessary repairs. Every effort will be made to give advance notice
- When the door is open and a violation of University policies or Residence Hall procedures is in plain view observed or alleged contraband will be confiscated

**Roommate Conflict**
The Division of Housing and Food Service is committed to making residence hall living an enjoyable and growth-filled experience. All student residents who share a room or living quarters (roommates) will complete an on-line roommate agreement in order to ensure a positive and respectful interaction between roommates. When conflict between roommates occurs, Residence Life staff may be asked to intervene and help roommates come to an agreement. Roommates may be asked to update their "roommate agreement" to address specific concerns. This agreement between roommates becomes binding and will be used to resolve future conflicts that may occur.

When dealing with conflicts between roommates that become difficult to resolve, or when dealing with an aggressive roommate, it is the prerogative of the Hall Coordinator to move one or both residents from the room.

An aggressive roommate is one whose acts or communication are intended to harass, intimidate or humiliate. One or both roommates may be moved under the following circumstances:
- One of the roommates is an aggressive party and the person(s) being harassed refuse(s) to pursue appropriate action.
- Both roommates are violating each other’s rights.
- One or both roommate(s) refuse(s) to complete a roommate agreement, or adhere to agreements contained within the roommate agreement.
- A violation of DHFS procedure/s has occurred.

The Division of Housing and Food Service may recommend sending a case to the Office of the Dean of Students and may elect to cancel a resident’s contract should the resident be involved in similar circumstances after a move has occurred.
If a resident harasses another resident in the course of a roommate conflict, the resident is subject to disciplinary action.

**Services for Students with Disabilities**
If you have a medical or disability-related need that impacts where you will live, you will need to submit a request and documentation to Services for Students with Disabilities (SSD). They will review the documentation you provide and forward our office the recommendations regarding your housing accommodations. All disability information will be kept confidential within the SSD office. Please read and complete the procedures found at on the SSD website.

**Service or Emotional Support Animals**
Students with specific disabilities may have service animals if the need is documented through the SSD Office. SSD and DHFS will also consider on a case by case basis, requests for an emotional support animal. For more information please read the Service and Emotional Support Animal Policy.

**Solicitation**
Solicitation (including non-commercial solicitation), political campaigning, selling, or any business activity in the residence halls or dining rooms is not permitted unless specifically authorized. Invited, non-disruptive solicitation conducted in an individual residence hall room is permitted. Institutional Rules on Student Services further defines permissible solicitation.

**Sports in the Halls**
Sports should be played in designated recreational areas and facilities. Residents may not engage in sports or sports-related activities within residence hall rooms, lounges or other public areas.

Sports include, but are not limited to: playing Frisbee, rollerblading, skateboarding, tossing balls, wrestling and/or riding bicycles or hoverboards. Playing sports in confined areas such as rooms and hallways can lead to student injury, activation of sprinkler system, and/or damage to personal and University property.
Residents who play sports inside the residence halls are subject to disciplinary action.

**Street Signs and State & Local Property**
Displaying street or traffic signs in the residence halls is prohibited. Notwithstanding any action taken by civil authorities or agencies charged with the enforcement of criminal laws on account of the violation, residents found in possession of unauthorized University, state or city property are subject to disciplinary action.

**Storage**
No storage is available for luggage or resident possessions. If you need storage space, you must make your own arrangements. You may find the Yellow Pages helpful in finding nearby storage facilities.

**Surveys**
The Division of Housing and Food Service must approve all research studies involving surveys of residence hall students. DHFS will not send mass e-mails to residents for class surveys. All research projects must be sponsored by a UT academic department or faculty member. The academic department and/or faculty member, along with the student, are responsible for complying with UT Institutional Review Board (IRB) policies and procedures and student class project guidelines as outlined
by the Office of Research Support. The Division of Housing and Food Service has no control over random telephone surveys, email surveys or those mailed through the U.S. Postal Service.

**Tables in Lobbies**
With approval of the appropriate Area Manager, Division of Housing and Food Service staff members and Residence Hall councils may set up tables to collect or distribute information within the lobby area of each residence hall. At various times of the year, UT departments, with approval of the Director of Residence Life, may set up a table in residence hall lobbies to distribute information that pertains to university residence hall students. Student organizations not affiliated with the University Residence Halls Association may not set up tables inside of residence hall lobbies. With approval of Student Activities and Leadership Development (SALD), student organizations may set up tables in the Jester Concourse. Tables must be positioned in such a way as not to block any exit or means of egress.

**Table Tents**
Table tents are limited to DHFS staff or University Residence Hall Association sponsored or co-sponsored programs. Individuals or non-resident student organizations may not advertise on table tents.

**Tobacco Free Campus**
The University of Texas at Austin is tobacco-free. The use of any tobacco products is prohibited in university buildings and on university grounds within the state of Texas, including parking areas, sidewalks, walkways, attached parking structures and university owned buildings. **Tobacco products** means all forms of tobacco, including but not limited to, cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff and chewing tobacco. The full text of the policy is available on the [University Policies website](#).

**Welfare Concern**
Residence hall staff may require a meeting with a resident transported to the hospital for safety or health concerns. The meeting will occur as soon as possible after the resident has returned to the halls.

**Facilities**

**Facility Usage**
Division of Housing and Food Service spaces, including, but not limited to, lounges and common areas within the residence halls, outdoor patios, courtyards and amphitheaters directly outside the residence halls, are for the use of residents and invited guests. Lounges may be reserved for residence hall activities and only by residence hall staff and residence hall associations. Note that quiet hours and courtesy hours must be followed in all Division of Housing and Food Service spaces.

Priority for use of facilities is given to activities and/or programs that are officially reserved, benefit all residents and the participating audience is comprised of 75 percent residence hall students.

NOTE: Programs or activities co-sponsored by residence hall staff and/or residence hall association officers must comply with DHFS Co-sponsorship Procedure.

Students may not use property, buildings, facilities or University resources to operate a for-profit business. Authorized use must be conducted in compliance with applicable Regents' Rules and
Regulations, rules of the institution, University computing policies, and federal, state and local laws and regulations. Residents who use residence hall facilities for unauthorized purposes are subject to disciplinary action.

**Care of Facilities**

Students are responsible for maintaining their rooms in a neat and orderly fashion at all times. "Neat and orderly" includes maintaining an acceptable level of cleanliness and a room free of mold, mildew, trash and debris. Residence Life and Building Services staff conducts health, fire and life safety room inspections twice each semester. Students found in violation will be given 48 hours to remedy the situation. Failure to take corrective actions will result in disciplinary action, including a room-cleaning fee of $50 for each resident. Cleaning of private or connecting bathrooms is subject to an additional fee of $120 (divided by the number of residents using the bathroom).

Students are encouraged to personalize their room. When personalizing the room, students should take into account the following guidelines:

- Students should not drill or nail holes in walls, ceilings, doors or furniture.
- Tack strips, bulletin boards or removable adhesive tape should be used to mount items on walls, doors and furniture.
- Decals, posters, tacks, adhesive tape or other items should not be affixed to the ceiling.
- Students may not paint rooms.
- No more than 20 percent of any wall may be covered with posters or other flammable materials, including curtains.
- Cloth or paper materials should not be used to cover lighting.
- Furniture may not be disassembled unless specifically designed for this purpose.
- Stickers should not be adhered to furniture, walls, doors or ceilings.
- Students should be familiar with residence hall guidelines pertaining to approved and non-approved items.
- Street signs, cones, barricades, etc. that have been illegally acquired are prohibited.
- Residence hall rooms must be returned to their original condition upon check-out, including removal of adhesive tape, cleaning and furniture arrangement.

Residents who violate these policies are subject to disciplinary action and charges.

**Asbestos and Lead-Based Paint**

Some areas in the residence halls have asbestos-containing materials (ACM) and lead-based paint present. Portions of Jester Center and Whitis Court have a low percentage of ACM present in the ceiling texture. Most of the other residence halls have intact ACM associated with floor tile and pipe insulation. Lead-based paint may be present in doorframes, window frames or other painted surfaces. Students should not disturb sprayed-on ceiling materials, drill holes in walls or the ceiling, or otherwise disturb room finishes and pipe insulation. If cracked or deteriorated materials are present in a room, fill out a Maintenance Request Form. It will be determined if asbestos or lead-based paint is present and, if so, what measures are needed to correct the situation. ACM and lead-based paint are managed by the University’s Office of Environmental Health and Safety (EHS) Operation and Maintenance Program.
**Bathrooms**

**Community Bathrooms**
It is the responsibility of each resident to help keep the community bathrooms clean and usable for other residents between scheduled cleaning by Building Services Staff. Toilet paper is provided in community bathrooms. Community bathrooms are designated as male or female. Community baths with locking devices should remain locked and are accessible by entering your bathroom code. To ensure the safety and privacy of your floor community, do not share the bathroom code.

**Connecting/Private Bathrooms**
It is the responsibility of each resident in the room or suite to clean and maintain the connecting or private bathroom facility. Toilet paper is not provided in connecting or private bathrooms. Cleaning of private or connecting bathrooms is subject to an additional fee of $120 (divided by the number of residents using the bathroom). Toilet tissue and other convenience items are available for purchase at the convenience stores located in San Jacinto Hall, Jester and Kinsolving.

**Bedbugs**

*What do I do if I think I have bedbugs?*

Immediately report any suspected bedbugs to your Resident Assistant or your front desk. Your Resident Assistant/Desk will contact DHFS Building Services personnel who will thoroughly examine the suspected area, determine whether bedbugs are present, and decide what actions should be taken to properly address the situation. For more detailed information:

**Bicycle Storage**

Bicycle racks are located near each residence hall. Lock bicycles on the racks provided. Bicycles may not be chained to sign posts, railings or any other University property. Upon mutual consent of roommates, bicycles may be stored in residence hall rooms provided the exit from the room is not obstructed. Bicycle hooks or other physical alterations to the ceilings, walls, closets or furniture may not be made to accommodate bicycle storage. Bicycle hooks or other physical alterations found in rooms will be removed at the resident's expense.

Freestanding bicycle-storage units available from retailers are permissible. Bicycle storage in hallways, lounges, stairwells or other public space is not permitted. Bicycles secured in public areas will be removed by University staff and impounded by the UTPD. The removal charge is $50.

Pedals and other protruding parts may scratch walls and cause personal injury to others. When transporting your bicycle indoors, you should avoid causing congestion or tracking dirt into the hall. Bicycles may not be ridden indoors. Violations of the Bicycle Storage Policy may result in disciplinary action and loss of privilege to store your bicycle indoors. The owner of the bicycle will be responsible for all expenses and fines associated with facilities damage and/or removal of the bicycle.

The University Residence Hall Computer Lab staff strives to provide a quiet environment that supports the academic programs at the University. By entering the lab, users agree to follow normal standards of ethics and polite conduct in their use of shared computing resources. Priority is given for academic-related purposes. When the lab use is heavy, residents using a computer for non-academic reasons may be asked to surrender their computers.

Computer labs are located in Kinsolving, Andrews, Creekside, San Jacinto and Jester West. For the exact location within each building, ask your RA. All equipment and software are provided free of charge to residents. Each lab has computers and a multipurpose laser printer copying functionality. Laser color printers are located in the Kinsolving and Jester West and San Jacinto computer labs. Microsoft Office suite, graphics, desktop publishing, C++ and Java compilers, and Internet access software are provided.

Lab assistants are available in Kinsolving and Jester West to help both novice and experienced computer users during lab hours. Andrews, San Jacinto and Creekside computer labs are not staffed. You will need your University ID to access all computer labs.

You must have Bevo Bucks to print in the DHFS computer labs. All pages printed in the University Residence Hall Computer Labs are paid from your Bevo Bucks or departmentally funded accounts.

Policies

1. Users must present their University ID cards upon entering the lab. Users agree to abide by University and DHFS policies regarding network usage.

**Hours**

The Residence Halls Computer Labs are open 24 hours a day, seven days a week to provide greater convenience and service to our users. To enter a computer lab, please swipe your UT ID in the card reader. Only residents have access to the computer labs. Please respect this policy.

The labs may be closed or operate on reduced hours during university recognized holidays (e.g., Spring Break). Our labs are monitored 24 hours a day so please be respectful of our rules and policies. We hope you take advantage of the 24-hour access and that it is beneficial to you.

Lab Assistants will be available in Jester West and Kinsolving to answer questions. Please email dhfs-complabs@austin.utexas.edu if you encounter any problems in the labs. Staff will be available in these labs at the following times:

- **Monday-Thursday**: 10 a.m.-Midnight*
- **Friday**: 10 a.m.-5 p.m.*
- **Saturday**: Noon-5 p.m.*
- **Sunday**: 2 p.m.-Midnight*

* Staffed hours may be modified based on staff availability, but we will make every effort to staff the Kinsolving and Jester West labs during these hours.

**Computer Resources**

The university offers a wide range of computer services to students, from e-mail accounts to Internet connectivity. These computer resources exist to complement the educational mission of the university and must be used appropriately. You are responsible for any network activity that takes place from the ports located in your room. Each resident has the obligation to ensure that he or she uses university computer resources (including university equipment, networks, user accounts, and Ethernet.
connections) in accordance with university policy and applicable laws. Many of these policies can be found on the ITS Web site.

It is a violation of university policy and federal law to participate in copyright infringement. Copyrighted materials include, but are not limited to, computer software, audio and video recordings, photographs and written material. Violators are subject to university discipline, including suspension and legal liability.

**Door Access**

All residence halls are equipped with card reader access. To enter the residence halls, you must have a University ID card programmed for your specific card reader access. These may be obtained at the University ID Center at 512-471-4334 and programmed by DHFS for card reader access. You can increase your safety by using the residence hall access system properly. This includes not allowing others to gain access through a door you have opened, securing your card and not propping doors open.

**Entry after midnight, residents must enter through the following doors or by using an ID card. It is a policy violation to circumvent monitored access points to residence halls.**

**Drain Cleaners**

Drain cleaners should not be used to unstop a clogged drain. Drain cleaners are caustic, can damage fixtures and can be hazardous to maintenance personnel. If you have a drain problem, a plumber needs to make necessary repairs. Fill out a Maintenance Request Form to report slow drainage. Report an overflowing drain directly to the area desk.
**Elevator Safety**
- If someone in the elevator with you makes you feel uneasy, get off at the next floor.
- If you are accosted in an elevator, hit the alarm button and as many floor buttons as possible.
- Report incidents to your RA and UTPD immediately.
- If you are stuck in the elevator, use the phone inside the elevator to contact the 24 hour desk and notify them of the elevator problem.
  - Inform the desk staff member which elevator is stuck. The elevator number is located on the inside panel of the elevator.
  - Inform the desk staff member on which floor the elevator is stuck, and how many people are inside the elevator.
  - Desk staff will notify emergency personnel of the problem.
  - Wait for emergency staff assistance. Remain calm. Do not attempt to pry the elevator doors open.

**Furniture**
Common areas are furnished with tables and lounge furniture for your comfort and enjoyment. Televisions are also provided in selected areas for your use. Furniture or equipment owned by the University may not be moved around in the public areas or removed from the public areas. Furniture that is provided in student rooms and accounted for on a resident's Room Condition Form must remain in the room and cannot be moved from one student room to another or removed from the residence hall. You are subject to disciplinary action as well as a $50 charge for the unauthorized movement of furnishings or equipment belonging to the residence halls, including dismantling of University-owned furniture, in addition to any necessary repair or replacement costs of moved furniture.

Residents may bunk or loft their beds if they have furniture designed to allow it. Pins for bunking or lofting are available at the front desk. Facilities staff can perform this work for a standard charge by submitting a Maintenance Request online. The beds must be returned to their original position at the end of the semester unless they were bunked or lofted prior to resident occupancy. Failure to return the bed to the original position will result in a standard charge. Only University-provided beds designed for bunking or lofting may be arranged in such positions. A standard charge of $50 will be assessed for staff to bunk or loft a bed; to return a bed to its original position; or to otherwise move a bed.

Safety rails for bunked or lofted beds are included in each room with furniture that can be bunked or lofted.

Larger beds may be available for residents who have documented proof that they meet the required criteria or have a documented medical need. Large beds are on a first come/first served basis and are only available in certain buildings/rooms due to the size of the student room or the type of construction and may require relocation of the resident to a building/room that will accommodate a larger bed. Documented proof of height and weight is verified by information on the resident’s driver’s license or state issued identification card or documentation from a licensed physician. The Standard Bed is 39” x 80” (3’3” x 6’8”). Beds may be smaller in certain buildings due to the size of the student room or type of construction.
Students may not construct their own lofts or beds or arrange room furnishings using residence hall furniture or structure or other construction materials (e.g., cinder blocks, wood, etc.) in such a way that furniture is supported by other residence hall furniture or residence hall structure. Water-filled or homemade furniture is not permitted.

Residents who damage or use University property without authorization are subject to disciplinary action.

**Laundry**

Coin-operated washers and dryers ($1.00 per load to wash and $1.00 per load to dry) as well as ironing boards are provided in each residence hall. Washers and dryers accept coins and Bevo Bucks (see Dine-In Dollar and Bevo Bucks). You will need to supply your own iron. The washers and dryers are designed to save energy and use only 20 gallons of water per cycle. Please consider the following information:

- Check the labels on the front of the machines and signs in the laundry rooms.
- Front-load washers use less detergent than top-load washers.
- Do not use more than one-fourth cup of detergent for each load.
- Use a low-sudsing detergent, a liquid detergent or a detergent specifically designed for front-load washers. Using too much detergent causes excessive suds. The detergent may not completely rinse out of your clothes.
- The lint trap inside the dryer must be cleaned before each use. Make sure that the lint trap located behind the door of each machine is clean before use. A clogged lint trap will not allow the dryer to operate properly. Please do not remove the actual lint trap from the dryer.
- Notify your area desk or complete a Maintenance Request Form if machines are not operating properly. The desk can report malfunctions and provide information on reporting lost money or damaged belongings.

**Maintenance Request**

To report non-emergency repairs, submit a Maintenance Request online. You may also fill out a Maintenance Request Form at residence hall desks or area offices. Emergencies should be reported directly to the residence hall desk. Every effort will be made to expedite the work. Since the residence halls are self-supporting, funds are available only for routine maintenance and replacement. Therefore, if you are responsible for damages to the building, furniture or equipment, damage charges will be assessed to you.

**Recycling**

A single-stream recycling program is provided for plastics #1-7, aluminum/steel cans, cardboard and paper products. Recycling bins are located in each student room and larger blue receptacles for depositing your recyclables are located in laundry and trash rooms. Please follow the instructional signs in these collection areas to ensure that you are not contaminating the recycling. All food and drink containers must be empty and clean. Pizza boxes cannot be recycled.

Some residence halls also provide electronic waste recycling for old cell phones, iPods, batteries, cords, etc. Ask your front desk if your hall participates in the electronic waste recycling program. If not, you are welcome to bring your electronic waste to one of the participating halls.
**Refrigerator**
Only MicroFridge® units provided by DHFS are permitted. Do not detach the microwave unit from the refrigerator as this overrides the power coordination function of the MicroFridge® unit. A $30 fee will be assessed to reattach the units.

**Room Painting**
Residents may not paint their rooms. Murals, wallpaper and contact paper may not be placed on the walls. Residents who violate these policies are subject to disciplinary action.

**Sharps Containers**
The proper handling and disposal of medical waste is essential to the safety of those living and working in our residence halls. The Division of Housing and Food Service (DHFS) will supply “sharps” and other medical waste containers free of charge for residents use. DHFS encourages residents to separate sharps from other trash and dispose of them in designated areas. Items for disposal in these sharps containers include loose razor blades, needles (hypodermic, sewing, etc.), and blood test lancets. These items should not be placed in the regular trash. Designated areas for sharps disposal are located at the following locations:

- Jester West Desk
- Jester East Desk
- Prather Desk
- Moore-Hill Desk
- San Jacinto Desk
- Kinsolving Desk
- Almetris Duren Desk
- Carothers Desk
- Creekside Desk

Please look for the red box with the biohazard label mounted on the wall.

**Telephone Service Request Form**
Telephone service is available upon request and at an additional cost. While telephone service in your room is optional, telephones are located in designated areas for students to use to make local calls or calls using their calling card. RAs have phones in their rooms and house phones are located throughout the building. If you need local land line phone service in your room you may request installation of service by completing the form online.

The prices for establishing telephone service in your room are **$150 installation each time and $20 per month** for basic local service (months are not prorated). For example, August - May (10 months service) will cost $350 to be billed on your housing bill. **Date of Service simply provides an idea of when you would prefer service to begin. Please note that your request will be processed as soon as possible following receipt and that it may take 5 to 10 days for the line to be activated.**

http://www.utexas.edu/student/housing/forms_public/telephone_request.php
Vending Machines
Vending machines for soft drinks, candy and other snacks are provided in each hall. Inoperative or empty machines should be reported online by submitting a Vending Machine Service Request. Jester residents can report losses to the East or West desks. WCR residents can report losses to the Roberts, Moore-Hill or San Jacinto hall desks. WRH residents can report losses to the Kinsolving or Quad Desks. You may use your Bevo Bucks in many vending machines.

It is a violation of university policy and state law to tamper with or vandalize a vending machine. Theft of product or vandalism will be investigated through the University Police Department.

Water Conservation
As part of the Division's overall energy reduction effort, low flow showerheads and faucet aerators have been placed on fixtures in all bathrooms to conserve water. You should not tamper with or remove showerheads or faucet aerators. Staff will check for DHFS showerheads and faucet aerators during Fire, Life and Health Inspections.

Residents will be charged to replace or reinstall these in private or connecting bathrooms. If the shower head and/or faucet aerator provided by DHFS is removed, replaced or missing, the resident is given 48 hours to reinstall the DHFS provided device. If the device is not reinstalled within 48 hours, DHFS staff will replace at the resident’s expense. Replacement cost of the showerhead is $30 and replacement cost of the faucet aerator is $20.

Community bathrooms in select halls are equipped with dual-flush toilet valves. These are intended to reduce the amount of water required to flush liquid waste. Instructional signage is included at each valve.

Windows and Screens
Window screens may not be removed. Removal and replacement of screens is often dangerous, and a charge will be assessed for reinstallation or replacement. Throwing things out of windows or using your window for an entry or exit from your room will result in referral through the disciplinary process with possible removal from the residence halls. Opening windows is a safety and security risk. For reasons of safety and security, windows in buildings are not to be opened unless authorized. A $25 charge will be assessed for windows opened in violation of this policy. Residents found in violation of the window and screens procedure are subject to disciplinary action.

Any malfunction of the air conditioning system should be reported immediately to your residence hall office. The air conditioning maintenance personnel report to the unit offices on a regular basis to receive your reports. Adjustments in the air conditioning are made daily, Monday through Friday.

Fire & Life Safety

Fire & Life Safety
Fire and life safety is of paramount importance within the residence halls. Your actions could affect the life and property of other students in your community. Please be aware of your actions and observe Health, Fire and Life Safety Policies. To enhance fire safety within the residence halls, certain appliances and items are prohibited. If you are not sure about a product, please ask your RA or send your
question to DHFS (housing@austin.utexas.edu). Your questions will be presented to the University Fire Marshal's office for a response.

**Residence Hall Fire Alarm System**
Residents and their guests must evacuate the building and comply with staff instructions any time a fire alarm is activated. By order of the University Fire Marshal and in accordance with NFPA 101 Life Safety Code, fire drills will be conducted on a regular basis throughout the school year by Residence Life staff and Fire Prevention Services. Failure to evacuate will result in disciplinary action, including a fine. This includes fire alarms in dining centers. Residents and guests will be permitted to re-enter the dining center at no additional charge for up to 10 minutes following the reopening of the dining facility.

**Exit Strategy**
**Have an Exit Strategy!** A building map showing fire exits is located on the inside of your room door. Review this plan and walk down the hallway and find the closest fire exits and fire safety equipment. It is a violation to cover up the instructions and evacuation map with any item.

Each semester, including both summer school sessions, every open and occupied residence hall conducts planned, unannounced fire drills. It is imperative that residents do not disregard the fire alarm, since you cannot distinguish a drill from an actual fire. If the fire alarm and strobe lights activate in your area, exit the building immediately and report to the evacuation area listed for your building (See Evacuation Route).

**Evacuation**
If there is a need to evacuate the building, students will be alerted through either the fire alarm system (for fires), or through the intercom system (for other emergencies requiring evacuation of the area). Every time the fire alarm system and/or intercom system is activated, students must immediately evacuate. The fire alarm system is designed to give priority during an evacuation to residents who face the most imminent risk. This means, in some residence halls, the alarm will activate throughout the entire building. In other residence halls, the alarm will activate by sections. By design, if an emergency is detected, in addition to ringing on a floor, the alarm will sound on the floor above and the floor below. The alarm will also sound in the stairwells to alert residents who may be entering the building. The alarm will sound on successive floors as the need arises; therefore, as the fire spreads, additional alarms would sound in areas to where the fire has spread. If an emergency is detected on the main floor or in an elevator shaft, the entire building will alarm. In the event of an emergency, the fire alarm and intercom system will be used to advise residents of appropriate measures to take.

Upon hearing the fire alarm and/or evacuation instructions over the intercom, students should put on appropriate clothing for outside weather conditions, turn off room lights and lock the room door. If smoke is visible, students should take a dampened towel to cover mouth and nose. Calmly and quietly follow the nearest illuminated exit sign to the building exit. Do not use elevators for evacuation. Proceed to a safe zone. Watch out for prevailing winds to avoid smoke and burning embers that may exist. Stay off the streets to allow easy access to the building by emergency personnel. Failure to evacuate could result in serious injury. Residents who fail to evacuate during an emergency are subject to disciplinary action.
Always have a secondary exit identified in the event that your primary means of egress is blocked by hazardous conditions.

**Fire Safety Equipment**

**Use of Fire Extinguishers**
Fire extinguishers are located in select areas in the residence halls. Do not place yourself in danger trying to put out a fire. If you must use one, direct its stream toward the base of the fire. To operate a fire extinguisher, remember the word “PASS”:
- Pull the pin. Hold the extinguisher with the nozzle pointing away from you, and release the locking mechanism.
- Aim low. Point the extinguisher at the base of the fire.
- Squeeze the lever slowly and evenly.
- Sweep the nozzle from side-to-side.

For more information on fire extinguishers, see Fire Extinguishers.

**Smoke Detectors**
Smoke detectors are located in each resident’s room. Do not cover or hang items from them. Smoke detector malfunctions should be reported immediately. If your smoke detector emits a short beep in a regularly timed pattern, your smoke detector needs to be serviced. Submit a Maintenance Request Form online or to the area office to have the unit serviced.

**Fire Alarm Pull Stations**
Upon seeing smoke or flames, go to the nearest fire alarm pull station, activate the alarm, and evacuate the building. The activation of a fire alarm pull station when no emergency exists is a violation of state law and University regulations. The initiation of a false alarm will result in University disciplinary action, including fines and removal from the hall and/or possible legal action.

Tex. Penal Code Section 42.06 provides that “a person commits an offense if he knowingly initiates, communicates or circulates a report of a present, past, or future bombing, fire, offense, or other emergency that he knows is false or baseless.” A false report made to a college or university is a state jail felony.

- (a) A person commits an offense if he knowingly initiates, communicates or circulates a report of a present, past, or future bombing, fire, offense, or other emergency that he knows is false or baseless and that would ordinarily:
  - (1) cause action by an official or volunteer agency organized to deal with emergencies;
  - (2) place a person in fear of imminent serious bodily injury; or
  - (3) prevent or interrupt the occupation of a building, room, place of assembly, place to which the public has access, or aircraft, automobile, or other mode of conveyance.
- (b) An offense under this section is a Class A misdemeanor unless the false report is of an emergency involving a public or private institution of higher education or involving a public primary or secondary school, public communications, public transportation, public water, gas, or power supply or other public service, in which event the offense is a state jail felony.
**Fire Sprinkler System**

Fire Sprinkler Systems are located in each resident’s room. If a fire sprinkler system appears to be tampered with or broken this should be reported immediately. To ensure proper functioning of the sprinkler system, please observe the following:

- Items should not be hung or attached to the sprinkler head or piping.
- Sprinkler heads should never be obstructed or tampered with in any manner.
- Items should not be hung or stored within 18 inches of the sprinkler head.
- Balls, Frisbees and other items that can damage the sprinkler head are not to be thrown in rooms, hallways or other public areas.

**Appliances**

Most electrical appliances will place strain on the wiring system which creates a fire hazard. All appliances used in residence halls must be U.L. approved and should be properly maintained by the student. By order of the University Fire Marshal, the use of any appliance with open heating coils is prohibited. Students found in violation of policy will be directed to immediately remove prohibited items and may be subject to disciplinary action.

**Common Appliances and Objects Approved for the Residence Hall**

- Blenders
- Coffee grinders
- Coffee pots (12 cups and under)
- Electric blankets and heating pads
- Electric can openers
- Food dehydrators
- Hot pots
- Juicers
- Lava lamps
- Clothes irons and clothes steamers with auto shut-off feature

*Note: these appliances must be U.L. approved*

**Banned Objects and Appliances**

These objects are banned under Fire/Life Safety regulations as stated in the Residence Hall Manual. Residents found in possession of banned objects are subject to disciplinary action.

**Candles and Incense**

By order of the University Fire Marshal, candles, incense or other open-flame devices may not be burned in student rooms. Candles are not permitted in student rooms as decoration. LED battery-operated “candles” are permitted. Students found in violation of policy will be directed to immediately remove prohibited items and may be subject to disciplinary action. This includes, but is not limited to, candles or similar devices (e.g., Scentsy candles, candle warmers, etc.).

**Decorations**

Some decorations ignite easily and allow a fire to spread rapidly. These include holiday decorations, large posters and flammables. Inside resident’s rooms no more than 20 % of wall space may be covered with decorations, poster, or other flammable materials. During holiday seasons, door decorating contests or special occasions; doors, lobbies and floor lounges may be decorated. Decorations must be removed within five days of the day areas are decorated. However, lights, candles and other flammable materials may not be used. Due to fire safety hazards, fresh cut Christmas trees are not allowed in the buildings. By order of the University Fire Marshal, holiday lights are prohibited.

**Door Propping**

Doors should never be propped. Propping doors is a not allowable by NFPA 101 Life Safety Code, and is prohibited by the University Fire Marshal. This includes room doors, locked doors to hallways, bathroom doors and exterior doors. The lock disabled or the door held open for an unknown person creates a safety risk to all residents. Doing so is a violation of residence hall policy and subject to disciplinary action.
Explosives, Fireworks and Weapons
Fireworks, chemicals, lighter fluid, gasoline, other explosives and flammables, and any weapons that could inflict bodily harm or result in disturbances of the peace are prohibited in the residence halls and on the university campus. Facsimiles, including water guns and air guns, are also prohibited on campus. The prohibition applies to all persons, students, faculty, staff and campus visitors, and it applies to all areas of the university. Texas law states that possession of firearms, illegal knives, clubs or prohibited weapons on a college campus is a third-degree felony. Residents or any student found in possession of prohibited weapons, or of explosive or flammable materials, are subject to disciplinary action, removal from the residence hall and/or arrest.

Controlled substances and/or the storage or use of chemicals that generate EPA regulated classified wastes (this includes photography development) are prohibited in the residence halls.

Fireworks (pyrotechnics) of any kind are not permitted in the residence halls or on the UT campus under any circumstances. Fireworks can be construed to include, but is not limited to, pyrotechnic devices that make loud noises and/or exude some kind of spark.

Electrical Extension Devices
The University Fire Marshal has indicated that uses of some electrical extension devices are approved. Extension cords, power strips and multi-plug devices are acceptable only if they are Underwriter’s Laboratory (UL) rated and have a built-in circuit breaker. Extension cords, power strips and multi-plug devices without circuit breakers are prohibited.

Approved electrical extension cords, power strips and multi-plug devices must:

- Be UL rated with a built in circuit breaker (note: these will usually have a red or green indicator light)
- Constructed from heavy-duty materials, consisting of 12-, 14- or 16-gauge wire.
- Be a three-wire grounded plug.
- Rated for a maximum of 15 amps and 1875 watts.
- Designed for indoor use only – extension cords designed for outdoor use are prohibited

Other approved electrical extensions:

- **Universal or Uninterrupted Power Supply Device (UPS).** A UPS protects your computer from power surges and failures and allows you to “run” the attached device safely during these times.

No other electrical extension devices are allowed. All extension cords, power strips and multi-plug devices must be plugged directly into a wall outlet. Plugging a device into another device or “daisy chaining,” is not allowed. Extension cords, power strips and multi-plug devices are limited to one per wall outlet.

**NOTE:** Due to limited electrical outlets in each room, residents of Brackenridge, Prather, Roberts and Creekside may plug a power strip into both receptacles in the wall outlet.
Use of unauthorized extension devices presents a fire hazard. Students found in possession of unauthorized electrical devices will be directed to immediately remove the item and will be subject to disciplinary action.

**Lighting**

Residents are required to use compact fluorescent bulbs (CFL’s) or LED lights instead of incandescent bulbs for study lamps and other lighting that the student brings for their residence hall room. During its lifetime a fluorescent bulb requires much less energy to produce the same amount of light. While good for the environment, the change will also help reduce our electricity bill. The switch to fluorescent bulbs was endorsed by the 2007/08 University Residence Hall Association. CFL disposal bins are available at each 24 hour residence hall desk for proper disposal of spent and/or broken bulbs.

Halogen lamps are not permitted in the residence halls, including most torchiere-type fixtures. Paper lanterns with bulbs and holiday lights are not permitted. Placing cloth or paper over lighting is not permitted. Draperies, clothing, or other cloth materials are not permitted to be placed on or near electrical lighting devices. The heat from the bulbs can emit enough radiant heat to start a fire. Rope lights are not allowed in the residence halls because they represent a form of sub-standard lighting. Residents found in possession of prohibited lighting are subject to disciplinary action and fines.

Any type of lamp or electrical device must have a (UL or ULC) tag on the electrical cord or the device itself. The Underwriter’s Laboratory or Underwriter’s Laboratory Canada places this tag or stamp on the device to indicate that safety testing of the device has been performed. Make sure that the stamp or tag is on the device and that you have accompanying manufacturer information on hand.

**Trash**

Accumulations of trash and newspapers, especially in corridors and stairways, are fire hazards. Never dispose of hot or lit items in the trash. Place your garbage in the trash collection area on your floor. Excessive trash and debris could potentially block exits in residential rooms and is considered a fire hazard. Residents found with excess trash and debris may be subject to disciplinary action and fines.

**Fire Safety Awareness**

Tampering with fire and safety equipment is a violation of state law and University regulations and will result in University disciplinary action, including fines and removal from the hall and/or possible legal action. Tampering is defined as any action that may damage or interfere with the normal functioning of the fire and life safety system. Tampering includes, but is not limited to, disconnecting, intentionally damaging, covering or vandalizing in any way smoke detectors, fire sprinklers, alarm horns, pull stations, fire extinguishers, door closers or exit signs. Covering or hanging anything on fire sprinkler heads or pipes is NOT permitted at any time. No storage less than 18 inches from light fixture or ceiling is permitted.

Any malfunction of fire safety equipment, including room smoke detectors or fire sprinkler equipment, should be immediately reported to your area desk. The Division of Housing and Food Service is committed to the prevention of tampering with fire safety equipment and will work with staff, students and University Police to identify responsible individuals. All students with information that can assist in the investigation are encouraged to contact a residence hall staff member or the University Police. If and
when necessary, a reward may be offered to the person(s) with information that leads to the identification of the responsible person(s). Reward information will be posted in the residence hall.

Residents should also be aware that some objects in the room have the potential to be fire hazards when handled improperly. This includes flammable liquids such as hairspray and paint, as well as common appliances such as popcorn poppers, electric blankets, irons, hair dryers, etc. All such appliances should be unplugged when not in use.

**Fire and Life Safety Violations**

Tampering with fire life safety equipment is considered a Class A misdemeanor subject to fines and imprisonment. At a minimum, students found responsible for tampering with fire and life safety equipment or students found in violation of fire and life safety policies are subject to the penalties listed in the table below. This includes legal action as well as disciplinary action by the University.

Residents who receive a fine for a first-time fire safety violation may have the fine waived if they review educational health, fire, life, policy, and safety information on the DHFS Web site and take the Fire Safety Quiz on the reviewed material. This option is not available in cases of tampering or vandalism to fire safety equipment, arson, setting off a false alarm, or discharging of fireworks (including poppers) or explosives. Subsequent violations of policies beyond the first violation will result in the resident being referred for University disciplinary action, including possible removal from the hall.

**Notice: Senate Bill 1334**

Tenant shall not disconnect or intentionally damage a smoke detector or remove the battery from a smoke detector without immediately replacing it with a working battery. Tenant may be subject to damages, civil penalties, and attorneys' fees under Section 92.2611 of the Texas Property Code for not complying with the foregoing notice.

NOTE: State laws, amended in 2001, upgrade the penalty for discharging fireworks and explosives within educational facilities, assemblies and residence hall occupancies from a misdemeanor to a state jail felony offense. Any student found discharging fireworks or explosives is subject to university disciplinary action, fines, and criminal prosecution (including jail time).

Dear Parent:

The State Fire Marshal's Office adopted National Fire Protection Association, Life Safety Code 101 [2012 edition] as the fire code that applies to university buildings regardless of when the buildings were constructed. Our Housing Office and UT Fire Marshal have worked closely with the State Fire Marshal to develop projects to implement fire safety measures required by the Life Safety Code.

In addition to working closely with the State Fire Marshal's office, the University hired an engineering firm to manage fire safety projects in the University Residence Halls. Residence halls include the following fire life safety features:

- Addressable fire alarm system.
- Fire Alarm Pull stations.
- Hard Wired Smoke detectors in sleeping rooms.
- Fire Sprinklers installed in all buildings.

The University is committed to improving fire safety. Since 1995, the Division of Housing and Food Service has spent over $28 million to upgrade fire safety systems in University Residence Halls.

The University also has in place policies and procedures to improve fire and life safety, including the prohibition of smoking, candles, and incense, and restrictions on open coiled appliances, heating units and halogen lamps. Additionally, the University conducts rounds of residence hall common areas and performs regular fire and life safety inspections of student rooms.

Sincerely,

Dr. Mylon Kirksy
Director, Residence Life
Division of Housing and Food Service
Health, Fire and Life Safety Inspections
To ensure safety policies are followed, DHFS conducts regular Fire and life safety inspections of residence hall rooms. Room inspections are conducted by Residence Life staff, Building Service personnel or the University Fire Marshal. Inspections focus on the following:

- Prohibited items
- Banned objects and appliances
- Tampering with fire equipment
- Mold, mildew, trash and debris
- More than 20% of wall space covered with posters or other flammable materials

Residents found to be in violation of health, fire and life safety policies during routine inspections or at other times are subject to disciplinary action, including removal from halls, fines and possible legal action. Residents who correct violations after a first violation, and before a follow-up inspection, will not receive a fine if they review educational health, fire, life, policy, and safety information on the DHFS website and take the Residence Hall Fire, Life, Policy, and Safety Quiz on the reviewed material. A copy of the completed Quiz must be turned in to the appropriate office or desk in order to avoid receiving a fine. This option is not available in cases of tampering or vandalism to fire safety equipment, arson, setting off a false alarm, or discharging of fireworks (including Poppers), explosives or weapons. Subsequent violations of policies beyond the first violation, or failure to correct violations before the follow-up inspection, will result in the resident being referred to the Hall Coordinator for disciplinary action, including possible removal from the hall.

Emergency Information

Emergency Communications
In the event of a residence hall or campus wide emergency, the Division of Housing and Food Service and the University will use various methods to communicate with students. In most incidents, emergency communications will provide instruction on Shelter in Place or Emergency Evacuation.

Emergency Websites
When applicable the DHFS emergency and UT websites will be updated with current information Check back often for updates.

- DHFS Emergency Website
  - Look for the “Emergency Info” link at the top of the DHFS Website to find the most up to date emergency information.
- UT Emergency Website (www.utexas.edu/emergency/)

Campus Siren and Residence Hall Emergency Communication System
The Siren System tests are scheduled to take place at approximately 11:50 a.m. on the first Wednesday of every month. No action is expected during the monthly test. Additional information about the siren system can be found at Campus Safety and Security - Campus Siren System.
The campus siren system will activate to inform students that a dangerous situation exists. Verbal instructions will accompany the siren.

Residence Life staff will use the building intercom system as a primary method to communicate to all resident of the hall during an emergency situation, including evacuation and shelter in place.

**Message Board**
Area desks will utilize message boards to provide information to students.

**Email**
DHFS will use email as a secondary means to communicate information to students.

**Information Channel**
The information channel (10) will be updated with emergency information when applicable.

**Campus Text Service**
Students may subscribe to [Campus Text Alerts](#) to receive text messages.

**DHFS Emergency Text Service**
Students may subscribe to the DHFS text messaging system.

**Emergency Resident Contact Website**
The DHFS will activate the Emergency Resident Contact website when an emergency arises that requires students to be out of their building or away from campus for an extended period. In this situation, students should visit the DHFS emergency website to check-in to verify that they are safe, and to provide updated contact and current location information.

**Building Evacuation**
If there is a need to evacuate the building, students will be alerted through either the fire alarm system (for fires), or through the intercom system (for other emergencies requiring evacuation of the area). Every time the fire alarm system and/or intercom system is activated, students must immediately evacuate. The fire alarm system is designed to give priority during an evacuation to residents who face the most imminent risk. By design, if an emergency is detected, in addition to ringing on a floor, the alarm will sound on the floor above and the floor below. The alarm will also sound in the stairwells to alert residents who may be entering the building. The alarm will sound on successive floors as the need arises; therefore, as the fire spreads, additional alarms would sound in areas to where the fire has spread. If an emergency is detected on the main floor or in an elevator shaft, the entire building will alarm. In the event of an emergency, the fire alarm and intercom system will be used to advise residents of appropriate measures to take.

**Evacuation Procedure**
If you are able to evacuate the building safely, take the following steps:

- Put on appropriate clothing for outside weather conditions
- Turn off room lights and lock the room door
- If smoke is visible, take a dampened towel to cover mouth and nose
- Calmly and quietly follow the nearest illuminated building exit
- Do not use elevators during the evacuation
• Proceed to a safe zone once outside the building. Refer to the Resident Manual for the evacuation location of your building
• Watch out for winds to avoid smoke and burning embers that may exist
• Stay off the streets to allow easy access to the building by emergency personnel

Note: Failure to evacuate could result in serious injury. Residents who fail to evacuate during an emergency are subject to disciplinary action.

If you need assistance or are unable to evacuate the building safely, take the following steps:

• Evacuate the building if you are able to do so safely with assistance of another person who is willing to help
• Seek a safe place, preferably a residential room, a room with an exterior window, or near a stairwell. If in a residential room, remain there. Do not use elevators during a fire alarm
• Call 911 and inform the dispatcher of your location and that you are unable to exit the building due to an impairment. If you are unable to access or use a telephone, attempt to have someone call 911 on your behalf and provide them with information
• Provide the dispatcher with your building, floor, and room number. Also, provide the dispatcher with your name, a call-back phone number, and any other information requested
• Remain near or on the telephone, as long as it is safe to do so
• Notify the dispatcher if the situation becomes hazardous in any way

Note: Only trained emergency personnel should physically move persons.

Evacuation Assistance
Students who may need accommodation or assistance during a building evacuation should contact Housing Occupancy Management Office at 512-232-2895. This information will remain confidential and will only be used for the purpose of emergency assistance during an evacuation.

Shelter in Place

Non-Weather Emergencies/Security Alert
The campus siren system and residence hall intercom system will be used to notify students when a dangerous situation exists requiring students to go indoors and seek cover. Students should secure themselves in their room, stay down and away from windows. Students should limit cell phone usage so that cell phone towers are not overwhelmed and can be used for emergency communications. Students should monitor the DHFS/ UT emergency websites and local news stations for information. Students should remain secure until all clear signal is given.

Weather Emergencies/Tornado
"Tornado Watch" means conditions are right for a tornado to form. Residents should continue to monitor the weather for further developments and be prepared to take cover.

"Tornado Warning" means that a tornado has been spotted that poses a threat to the University community. Residents should take immediate action to take cover.

If a Tornado Warning is issued the campus community will be warned with siren sounds, indicating that everyone should take shelter. The siren warnings will continue sounding until the threat of dangerous weather has passed. The residence hall intercom system will be used to notify students when a dangerous situation exists requiring students to go indoors and seek cover. Students should secure themselves in their room, stay down and away from windows.

Residence hall students should do the following:

- Exit their rooms and close the doors.
- Take cover in an interior corridor, away from windows.
- Evacuate large lounge areas and large rooms with unsupported spans. (no supports)
- Cover their heads to protect against flying debris if a tornado hits.
- Remain quiet and listen for further instructions from staff.
- Residents should remain on their assigned floors until the "all clear" signal is issued.
