- Jack's term in Brackenridge will be over in October, Kijung's over in July, Shubhankar's over in August.
- Julie will email all residents about TAB position openings. Each position has a two year appointment.
- 1 Colorado (July), 2 Gateway (1 immediately, 1 in July), & 1 Brackenridge (October)

6:47pm: Brackenridge Soccer Field
- Concern: The grass is sharp and non-conducive for playing soccer. Can we change the type of grass or maintain it to be less sharp? Two residents brought this concern to Motolani.

6:56pm: Surge Protector Proposal
- Apartments management is considering the proposal and wants to know how TAB proposes the surge protectors be distributed.
- TAB proposal: with the budget we have for surge protectors, provide half of the surge protectors for new residents and the other half for existing residents. These will belong to UT Apartments and must be turned in upon vacating an apartment. The existing residents have to pick them up from the office and sign them out on a first come first serve basis. Preferred surge protector cord length: 4 feet.
- Educational initiative: TAB wants office to advertise what is allowed, through informational videos, and information on the UT Apartments website

7:30pm: Table Tennis Tournament Evaluation
- The event was a success. We had a good participant turnout and residents had fun.
- The male/female categories worked well for this tournament, residents appeared to like the two categories.
- Proposal: Next time, there can be Beginner & Advanced categories for both Males and Females (total of 4 brackets available for participants). Prefer to host the event in gateway due to the community room having more space.

7:35pm: Summer TAB Retreat
- Proposal for the TAB Retreat to be on Tuesday August 25th at the Oasis Restaurant, the day before classes start.

7:38pm: Resident Appeal
- TAB listened to a resident's appeal about mold charges and TAB will revisit the appeal in the next meeting.
