Referring staff or faculty: Please fill out this form and have the student bring it to our main office in Jester A332A. Thank you.

SERVICES

ACADEMIC COUNSELING: Our trained and experienced learning specialists are available to talk privately with students about any academic concerns. Common topics include study effectiveness, test preparation, reading efficiency, note-taking, learning differences, time management, motivation, and academic anxiety. No appointment is necessary.

PEER ACADEMIC COACHING: Our trained peer academic coaches meet weekly with any interested student for coaching on effective ways to study for UT courses. Common topics of interest are the same as those listed above.

SI DISCUSSION/STUDY GROUPS: We offer regularly scheduled discussion sections and study groups led by specially trained graduate students and selected undergraduates. The courses that we support have been historically difficult and include advertising, biology, chemistry, government, history and mathematics, among others. For a full listing of courses please visit our website.

CLASSES AND WORKSHOPS: Each long semester students can enroll from home in short-term classes such as Secrets of Academic Success, Speed Reading, Algebra/Trig/Calc/Chem Refresher(s), GRE Prep, and Math Final Exam Review(s).
