

Directions and Parking at Texas Memorial Museum

From I-35

1. Exit at Manor Rd., 235B.
2. Turn into campus at the traffic signal, onto Manor Rd. The name of the street will change to Clyde Littlefield Dr. as you enter campus.
3. Turn right onto Robert Dedman Dr. at the T-intersection with the football stadium.
4. Turn left onto 23rd St.
5. Turn right onto San Jacinto Blvd.

Buses must drop off all passengers near the first stop sign, the intersection of San Jacinto and 24th St, and then continue bus parking across I-35 (see below). **Cars and vans** may continue to the parking garage (see below). Take the second entrance into the ramp (up to second level). Do NOT park on the ground level.

Around the Museum

From San Jacinto you will see the mustang statue and the Museum up the hill to the right. Follow the left-hand set of steps up the hill. Continue on the sidewalk to the rear entrance of the Museum.

Bus Parking

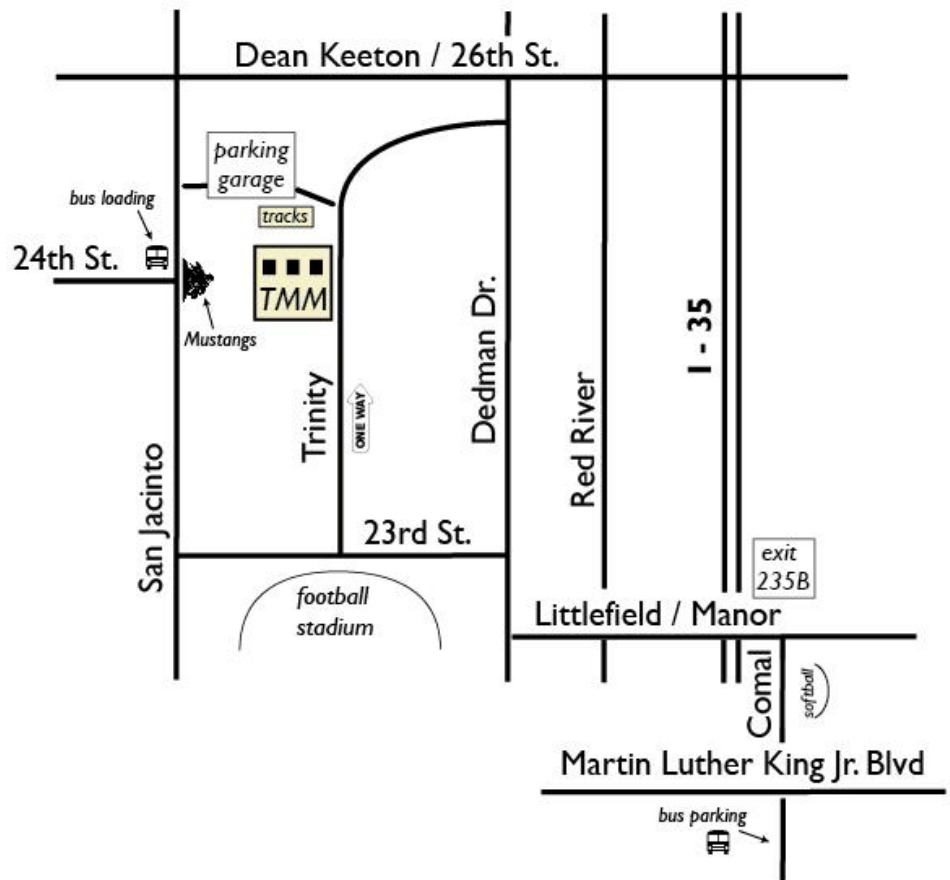

Bus parking is available across I-35, off of Comal St. south of Martin Luther King Jr. Blvd.

Buses may no longer drop off passengers on Trinity St.

Car Parking

Parking is available at the San Jacinto Garage located at 2500 San Jacinto Blvd., just north of the Museum. The first 30 minutes are free, after that there is an hourly fee. We regret that the Texas Memorial Museum cannot validate parking tickets.

Please note: Van clearance in the San Jacinto Garage is limited to 6'11". Should you need a higher van clearance, Manor Garage on the southeast corner of Dedman Dr. and Littlefield has a van clearance of 8' when entering on level 2.
