

Ethics & Leadership

Bridging Disciplines Programs allow you to earn an interdisciplinary certificate that integrates area requirements, electives, courses for your major, internships, and research experiences.

In the interest of educating thoughtful and responsible leaders, the BDP in Ethics & Leadership brings together resources from across campus. With courses relevant to health care, business, politics, law, engineering, and the media, Ethics & Leadership can complement a range of majors and interests. Through the Connecting Experiences component of the BDP, you may work with community and professional organizations or bring your interdisciplinary expertise to faculty research in areas such as public policy, advertising, and bio-ethics.

Upon completion of **19 credit hours** from the options listed to the right, you will earn a certificate in Ethics & Leadership.

The Ethics & Leadership BDP is overseen by a panel of faculty members from across campus. Members include Minette Drumwright (Advertising), Madeline Maxwell (Communication Studies), Marilyn Armour (Social Work), John Dzienkowski (Law), David Edwards (Government), Steve Friesen (Religious Studies), Diane Ginsburg (Pharmacy), Linda Golden (Marketing), Julie Irwin (Marketing), Kristie Loesch (Management), Steve Nichols (Mechanical Engineering), Bob Peroni (Law), Robert Prentice (Business, Government, and Society), Howard Prince (LBJ), Sean Theriault (Government), Juliet Walker (History), Patricia Wilson (Architecture), and Paul Woodruff (Philosophy).

Connecting Experiences (6-9 Credit Hours)

Your BDP advisor can help you find internships and research opportunities that connect Ethics & Leadership to your major. We call these opportunities "Connecting Experiences," because they play such an important role in integrating your studies.

For more information and for examples of past connecting experiences, visit www.utexas.edu/ugs/bdp and consult your BDP advisor.

Strand Courses (6-9 Credit Hours)

In addition to your Foundation Courses and Connecting Experiences, you must complete 6-9 credit hours of strand courses, to bring your total credit hours toward the BDP certificate to 19 hours. You should work with your BDP advisor to choose strand courses that will focus your BDP on your specific interests, and that will provide you with an interdisciplinary perspective on your BDP topic. In order to create an interdisciplinary experience, you must choose courses from a variety of disciplines. Individual course listings for these categories are located on the opposite side of this page.

Choose one of the following strands, and complete 6-9 credit hours from within that strand:

Business Ethics
Media, Ethics & Public Policy

Students in the Business Ethics strand must complete at least one strand course offered outside the Business School. Students in the Social Justice, Politics & Law strand must complete at least one strand course designated as focusing on social justice issues.

Integration Essay

In order to complete your BDP certificate, write a 3-4 page integration essay in which you reflect on what you learned and accomplished through your BDP experience. This essay is your opportunity to draw connections among your interdisciplinary BDP coursework, your connecting experiences, and your major. For additional guidelines, please consult your BDP advisor.

Choose one of the following strands, and complete 6-9 credit hours from within that strand. Please speak with your BDP advisor about your plan for fulfilling your strand course requirements. **Note that only one of your strand courses may come from your major department(s), or from courses cross-listed with your major department(s).**
